Mission Statement

The Child Care Resource and Referral Network is committed to supporting families, child care providers, and employers in their pursuit of quality child care and family support services that are both available and affordable.

To this end, the CCRRN strives to assure access to education, assistance and support for families, child care providers, employers, and other community agencies.

Training Information

The trainings offered within this calendar may be applied to:

• DCFS required in-service hours

• Child Development Associate (CDA) clock hours

Trainings may also meet the requirements of other credentials.

Contact Information

Child Care Resource and Referral Network

Office Hours 8:30 am-4:30 pm, Monday-Friday

Registration and Training Policy

Register early as many trainings fill up prior to the workshop. Due to space constraints and presenter contracts, we may be unable to accept additional or walk-in registration. Participants will receive confirmation via email to confirm their registration. To register for workshops, complete the registration form (attached) and mail with payment prior to registration deadline. **No phone registrations accepted.**

Complete the entire registration form. Due to the data tracking requirements, incomplete registrations will not be processed and the applicant will not be registered. Incomplete registrations will be returned. Remember to sign and date the bottom of the registration form.

All registration fees are non-refundable. Participants must notify Child Care Resource & Referral Network within three business days of the scheduled training session if they choose to send someone in their place. A certificate will not be provided to anyone not listed on the workshop roster the night of the training. Training fees cannot be transferred to another training session.

Make a conscientious effort to attend the FREE training sessions for which you register. If you are registered for a free training and fail to attend or cancel your registration less than three business days in advance, a no-show will be reported on your training record.

If a training is cancelled due to low enrollment or presenter conflicts, notification will be made to all registered participants by phone, email or mail. We consider low enrollment as 6 or less.

Certificates will not be given out to participants who arrive late, leave early, or are disruptive. A 15 minute grace period is given at the beginning of a training session. To receive a training certificate, participants must be present until the trainer is finished. Child Care Resource and Referral Network training sessions are for adults only unless otherwise noted. Replacement certificates must be requested by the individual who attended the training. There is a $5 certificate replacement fee.

CCRRN requests that all training participants refrain from using their cell phone during training sessions. We would ask participants to come to trainings ready to engage in the learning process.

Parking for evening trainings is available on the streets surrounding the CCRRN. Garage parking (Monroe St.) is permitted for evening and weekend trainings. All other training locations are subject to their own parking rules and regulations. CCRRN is not responsible for parking at such locations.

If we need to cancel a training due to weather conditions during the week we will cancel it by 4:00pm. Cancelation notice will be on our website, our Facebook page and WJBC 1230 AM. Saturday trainings will be canceled by 7:00am. Not only will WJBC announce the cancelation it will also be will posted on their website cancelation list.

If you are in need of special accommodations for a training, please contact, Linda @ 309.828.1892.

SCHOLARSHIPS

Professional Development Scholarships are available to cover registration fees and other costs associated with attending conferences/workshops (limitations apply). **Scholarships are not available to cover registration fees for training solely sponsored by CCRRN.** For more information on Professional Development contact: Jill McNiff 309.828.1892 or Jill@ccrrn.com or download Fy14 Applications at www.ccrrn.com.

WORKSHOP CATEGORIES

Training sessions sponsored or co-sponsored by CCRRN, and which offer in-service hours, are organized by eight subject/content areas of the Child Development Associate Credential (CDA):

Content Area 1- Planning a Safe & Healthy Learning Environment
Content Area 2- Steps to Advance Children's Physical & Intellectual Development
Content Area 3- Positive Ways to Support Children's Social & Emotional Development
Content Area 4- Strategies to Establish a Productive Relationship with Families
Content Area 5- Strategies to Manage an Effective Program Operation
Content Area 6- Maintaining a Commitment to Professionalism
Content Area 7- Observing & Recording Children's Behavior
Content Area 8- Principles of Growth & Development

Cost

Most of our training sessions are free. If there is a cost it will be noted under the training title. Fees are expected to accompany the registration form, if not we will not be able to register you.

Registry Approved Emblem

Throughout this training calendar you will see this emblem.

This emblem is used to indicate that a training session has been approved to be entered into the Gateways to Opportunity Registry. The approval process ensures that a training session has been reviewed and meets quality criteria. Training approval is an important component of the Gateways to Opportunity Registry.

The Gateways to Opportunity Registry is a resource and tool to drive quality and accountability for early care and education, school-age, and youth development practitioners and programs.

Registry Membership provides a system to track individual's college coursework and community-based training and more. For more information on the Gateway to Opportunity Registry please go to www.ilgateways.com.

Attention: Family Child Care Providers

The Quality Counts Van is Rollin' through your county. The van is filled with literacy activities! Call Linda today for more information: 309.828.1892

Blood Borne Pathogens, Universal Precautions

Heidi German, BSN, RN Nurse Consultant

Description: Learn what Blood Borne Pathogens are and what Universal precautions are and why are they important. Learn about OSHA's guidelines concerning Blood Borne Pathogens and child care providers.

Indoor Gross Motor

Cris Stanek, Mental Health Consultant

Description: Winter in Illinois can be hard, especially when caring for young children who are made to use their WHOLE bodies to explore. Bring your creative indoor activities to share with others while learning some new ideas to take back to your home or classroom.

An Introduction to the Environment Rating Scales (ERS)

Jill McNiff, Provider Service Manager

Description: This training provides an overview of the Environment RatingScales (ERS). The ERS are user-friendly assessment tools that measure the quality of the learning environment for infant's throughschool-age. After completing this training, participants will be able to use the tool(s) for program self-assessment and quality improvement

We Choose Health

Heidi German BSN, RN Nurse Consultant and Kathy Neil, Quality Specialist

Description: The *We Choose Health* training series offers child care providers instruction in using The Nutrition and Physical Activity Self-Assessment Child Care (NAP SACC) assessment tool to inform and implement program improvement in child care settings. The NAP SACC program is a research-tested intervention designed to enhance policies, practices and environments in child care by improving:

- Nutritional quality of food served

- Amount and quality of physical activity

- Staff-child interactions

- Facility nutrition and physical activity policies and practices and related environmental characteristics

planning.

Program for Infant Toddler Care (PITC)
Module 1: Social-Emotional Growth and Socialization

Barbara Ross -Lowery, Infant/Toddler Specialist

Description: Module 1 begins with an overview of the basic concepts of early social-emotional growth and socialization and their application to the group care context. An emphasis is placed on the development of a nurturing relationship between the infant and caregiver. The overview addresses the importance of responsive caregiving, the individualization of care through an understanding of infant temperament, the critical role of family and culture in early identify development and stages of emotional development. Completion of all 4 modules earns credit toward Infant/Toddler Credential.

Level One Module 7A Child Development (Birth to 8 Months)

Cara McMorris, ITN Trainer

Description: Newborns and young babies are developing at an incredible rate, causing them to have special needs unlike older children. In this class you'll understand how children from birth to 8 months learn and grow, and how to individualize their care accordingly.

CPR/First Aid

Jan Berlin and Eric Vaughn, American Heart Association

Description: Come and learn how to provide First Aid and CPR to adults, children and infants. The certification is good for 2 years thru the American Heart Association.

Level One Module 7B Child Growth and Development (8 Months to 18 Months)

Cara McMorris, ITN Trainer

Description: In this continuation of the first child development class, you'll explore development among children 8 to 18 months old. You'll identify how this age group differs in growth and their approach to learning, and you'll discover toys, games and songs that are helpful and just right for development.

Level One Module 7C Child Growth and Development (18 Months to 36 Months)

Cara McMorris, ITN Trainer

Description: Toddlers are an energetic bunch who require plenty of stimulation and education. In this final section of child development, you'll explore how children ages 18-36 months learn language , learn to think, learn to move, and learn feelings, so you can better nurture this often-curious age group.

Trauma and Grief

Cris Stanek, Mental Health Consultant

Description: Every day children are experiencing things in the world that we wish they didn't have to experience. Come learn what you can do if a child shows up the next day and is not the same. What should you say or do? How can you help without hurting more? **Audience Discretion is Advised! Some topics discussed may be sensitive and/or disturbing.**

Illinois Early Learning Guidelines for Birth to 3

Barbara Ross -Lowery, Infant/Toddler Specialist

Description: Come and learn more about the NEW Illinois Early Learning Guideline for Birth to 3!

Level One Module 8A Preschool Social and Emotional Development

Cara McMorris, ITN Trainer

Description: As children approach preschool age, their needs begins to change. This is the first of four classes designed to better understand children at this stage of development. You'll identify characteristics of social and emotional development and learn techniques for promoting appropriate and effective discipline for preschool children.

Level One Module 8B Preschool Age Child Physical Development
Cara McMorris, ITN Trainer

Description: As toddlers mature, their minds aren't the only things growing at an incredible rate. You'll understand the special areas of physical development in preschool-aged children. You also will learn about fine motor activities that will help preschoolers grow into their bodies while developing proper coordination and movement.

Diapering and Handwashing for Child Care Providers
Heidi German BSN, RN Nurse Consultant

Description: Participants will gain knowledge regarding diapering, and handwashing procedures, as well as cleaning, sanitizing, and disinfecting processes per the Department of Children and Family Services (DCFS) regulations. Instruction will be given on the importance of having written handwashing and diaper changing policies in the child care setting.

Level One Module 8C Preschool Language Development
Cara McMorris, ITN Trainer

Description: Appropriate speech patterns and language skills are crucial to nurturing effective communications by preschoolers. In this third class on preschool development, you'll explore how to use picture and storybooks to lay the foundation for good reading and proper language use. This class comes complete with discussions on how to help children with special needs.

Working with Grown-Ups
Cris Stanek, Mental Health Consultant

Description: Parents, co-teachers, and directors, **OH MY!** Take some time to reflect on why grown-ups are so difficult and learn some techniques to help with communication. We will discuss ways to develop these relationships so that you have fewer headaches and stress throughout the day.

Mind in the Making
Kathy Neil, Quality Specialist and Linda Smith, Training Coordinator

Description: How can we help children thrive in life and as learners? In *Mind in the Making*, Ellen Galinsky has grouped extensive research into seven critical areas that children need most to achieve their full potential, take on life's challenges, communicate well with others, and remain committed to learning. In this training we will learn concrete things teachers and families can do to strengthen these skills in young children. **Come prepared for active participation.**

Early Childhood Development Screening Training
Heidi German, RN, BSN, Nurse Consultant

Description: This training introduces the basics of conducting a developmental screening and making appropriate referrals to access services appropriate to children's needs.

Level One Module 8d Preschool Age Child Cognitive Development

Cara McMorris, ITN Trainer

Descriptions: In this session on preschool development, you'll dive deeper into how preschoolers learn and identify tips for making learning fun. With suggestions for activities that encourage your preschoolers to explore numbers, shapes, colors and science, this class gives all the information you need to grow and stretch the ability of children to think and understand.

An Introduction to the Environment Rating Scales (ERS)

Jill McNiff, Provider Service Manager

Description: This training provides an overview of the Environment Rating Scales (ERS). The ERS are user-friendly assessment tools that measure the quality of the learning environment for infant's to school-age. After completing this training, participants will be able to use the tool(s) for program self-assessment and quality improvement planning.

Level One Module 9 School Age Development

Cara McMorris, ITN Trainer

Description: This training looks at school-aged children to uncover how their learning and growth differs. With tips on how to better care for school-aged youth, this training also offers you guidance on how to set rules and limits and to get your school-aged kids to appreciate and respect safety.

Getting Ready for the Business Administration Scales (Family Day Care Providers)

Paula Steffen, National Louis University

Description: This training is for family child care practitioners and provides an overview of the Business Administration Scale (BAS). BAS measures the quality of business practices in the family child care setting. After completing this training, participants will be able to use the tool for program self-assessment and improvement planning. The BAS is designed to complement the Family Child Care Environment Rating Scale (FCCERS).

Getting Ready for the Program Administration Scale

Paula Steffen, National Louis University

Description: This training is for the center based program administrators and provide an overview of the Program Administration Scale (PAS). PAS measures the quality of leadership and management practices of centered based programs. After completing this training, participants will be able to use the tool for program self-assessment and improvement planning. The PAS is designed to complement the Environmental Rating Scale. (ERS)

Program for Infant/Toddler Care (PITC)- Module 2 Group Care

Barbara Ross -Lowery, Infant/Toddler Consultant

Description: This module introduces special considerations in caring for infant/toddlers and six program polices that support the development of emotionally secure relationships in the group care setting. Module 2 explore the positive impact of responsive caregiving routines, well-designed learning environment, and individualized care on the well-being and development of children birth to three. Attention is also given to how the policies of primary care, small groups, continuity of care, individualization of care, culturally responsive care, and inclusive care of children with special needs provide the foundation for high quality infant/toddler

Foundations of Family Child Care
Cara McMorris, ITN
Description: The purpose of this unit is to familiarize participants with the many logistical aspects of running their home child care business, including marketing, setting fees, writing contracts, and policy manuals, record keeping, insurance and taxes.

Wild About Relationships
Cris Stanek, Mental Health Consultant

Description: Do you find it hard to connect with some children or families, especially the "difficult" ones? This reflective approach will teach you how to understand children's needs and behaviors. Discover how your relationship can be strengthened with all the children in your care. Expect a lot of discussion and participation. **This training was formerly called Circle of Security.**

ExceleRate Illinois Orientation
Gena Schuler, Quality Specialist
Description: ExceleRate Illinois is the new quality and improvement rating system for licensed child care centers, Head Start, and Preschool for All programs. This orientation provides an overview of the goals, quality indicators, benefits of participation, application process, and the system supports available for success at rating each Circle of quality.

Welcoming Each and Every Child
Heidi German, BSN, RN Nurse Consultant

Description: This course provides information on caring for children with special needs in typical child care settings. The training helps increase the knowledge and comfort level of participants to enhance their ability to care for young children with disabilities in early childhood environments. It will discuss adaptations and modifications that will assist all children to participant in activities. This meets the DCFS requirement for early childhood providers in special care inclusion training.

Starting Points
Cara McMorris, ITN Trainer
Description: This training is for anyone interested in starting their own Family Day Care Business. You will learn the important steps on how to get your business off the ground.

Quality Counts QRS (Quality Rating System) Orientation
Kathy Neil, Quality Specialist
Description: Quality matters in child care. Learn about the statewide Quality Counts Quality Rating System (QRS) for **family child care providers.** The Orientation covers eligibility requirements, application process, supports and resources available. Providers serving children on the State Child Care Assistance Program (CCAP) can also receive a bonus to the standard payment rate. A provider must attend this session prior to applying to Quality Counts QRS.

What is CCAP?

Kim Marshall, Parent Service Manager

Join this informative session to become more familiar with the Illinois Child Care Assistance Program's (CCAP) policies and procedures, including the application process, provider qualifications, payment process and parent co-payments. CCAP in funded by the IL Department of Human Services.

Getting Started with CDA (Child Development Associate) National Credential Program
Making a Difference in the Early Care and Education of Young Children

Jill McNiff, Provider Service Manager

A Child Development Associate is an individual who has successfully complete a CDA Assessment and has been awarded the CDA Credential. S/he is able to meet the specific needs of children and works with parents and other adults to nurture children's physical, social, emotional, and intellectual growth in a child development framework. If you are interested in obtaining a CDA Credential, come to this informational workshop to learn how to get started.

Babies and Mental Health

Cris Stanek, Mental Health Consultant

Description: Human relationships are the foundation on which children build their future. If you work with infants or toddlers, join us for a discussion where we will reflect on interactions with babies and work towards adopting positive patterns and meaningful connections.

Infant/Toddler Round Table

Barbara Ross -Lowery, Infant/Toddler Specialist

Description: Infants, toddlers and two's are a fun and challenging age to work with on a daily basis. Join fellow providers as we discuss the uniqueness of this age group, answer questions and generally improve the quality of the care we offer to these children. Come prepared to share your successes and challenges. Previous attendees are more than welcome to return as the content changes each time.

Illinois Early Learning & Development Standards

Linda Smith, ITN Trainer

Description: The training will cover how the *new* IELDS were introduced and how they can be used most effectively. We'll identify benchmarks and everyday examples of how the IELDS fits into your daily activities. A one-hour lunch break is scheduled for this workshop.

Good Going! Successful Potty Training for Children in Child Care
Jill McNiff and Barbara Ross Lowery, ITN Trainers
Description: This training will address potty training from the child's perspective and will offer appropriate responses, policies and practices. We will explore readiness indicators, effective parent communication techniques and lastly ideas on how to create a calm, loving, successful partnership with the parents, child and you when it's time to begin the potty training journey.

SIDS
Heidi German BSN, RN Nurse Consultant
Description: This training will define Sudden Infant Death Syndrome; it will identify factors that place an infant at risk for SIDS; it will teach how to modify the risks; includes the ILDCFS Standards; it will discuss Tummy Time and safe sleep practices; and identify reasons for having a safe sleep policy.

My signature acknowledges that I have read and I understand the registration policies for Child Care Resource and Referral Network, including but not limited to:

Registration fees are non-refundable and non transferable. I will receive a confirmation letter of my registration or a notice if the workshop is full/closed or cancelled if my registration is received 7 days before the training.

A no-show indication is made on my training record if I fail to attend or cancel my registration at least 3 business days in advance of the scheduled training date. Certificates/In-service Hours/Credit are not available if I arrive late or leave early. Incomplete registrations cannot be accepted and payment must accompany registration form.

TOTAL AMOUNT ENCLOSED$_____

All fees are non-refundable and non- transferable
