Signature :

- In a separate document (maximum 5 single spaced pages) describe the project. You may wish to discuss the following, if applicable:
1. Research question(s), objectives and/or hypotheses
  2. Background and significance of the problem
  3. Research methods
  4. Plans for grant proposal preparation (agency, deadline)
  5. Expected outcomes of proposed research – e.g. publications, conference presentations, reports etc.
  6. Broader impacts – on the college, community, discipline and/or society at large, how the project is linked to institutional priorities.
  7. Timeline or calendar – describe what aspects of the project you plan to complete in the time allocated by the requested release
