Graduation Checklist

Cap and Gown

A graduate isn't ready for his or her graduation ceremony without a cap and gown. Please contact your Balfour representative to place your order. Prepare your gown for the ceremony by hanging it up several days in advance to allow any wrinkles to disappear.

Announcements

Complete a list of friends and family members with whom you would like to share the news of your upcoming graduation and mail out official announcements. Don't forget to include complete addresses with zip codes. Announcements should be mailed to arrive two weeks prior to graduation.

Graduation Information from the School

Make sure to get graduation information, including rehearsal times, location, dress code, and time of arrival for the ceremony.

Formal Graduation Attire

Select an outfit to wear under your cap and gown according to the graduation dress code.

Graduation Seating

If seating is limited for the graduation ceremony, obtain the tickets you need for family and friends.

Party Invitations

If you are planning a celebration, prepare your invitations well in advance, and distribute them among invitees. Consult your friends when planning your party date to ensure that your event doesn't overlap with theirs.

Appreciation Gifts

Show your appreciation to family, friends, and teachers for everything they did to assist you in reaching graduation.

Thank-You Notes

Send out thank-you notes to graduation party guests and gift-givers.

Photos and Videos

Capture your celebrations with photos and videos. Ask a friend or family member to take photos or video clips at the graduation ceremony and throughout the day to ensure that you capture the memories from your special day.
