Rated Evaluation

Please rate, by placing an X in the appropriate column, the candidate on the following criteria:

Criteria	Cannot Judge	Below Average	Satisfactory	Above Average	Superior
Scholarship					
Motivated, open to learn new ideas					
Personal maturity, self-responsibility					
Oral communication skills					
Written communication skills					
Creative and critical thinking skills					
Range of interpersonal skills					
Ethical decision-making skills in helping others					
Self-concept, self-confidence					
Work or study habits					

Narrative Evaluation

Please attach a narrative evaluation of the applicant. Below are types of questions that could be addressed in the narrative and are provided only as a guide. There is no limitation to the amount of information provided. The more specifically you can describe the applicant's strengths and limitations, the more useful this information will be.

- How long and in what capacity have you known the applicant?
- What do you consider are the applicant's strengths and abilities? Please comment on intellectual ability, creativity, initiative, sensitivity to others, interpersonal effectiveness, reactions to criticism, and communication skills.
- What do you consider are the applicant's limitations?
- In comparison with other students or employees you have worked with in the past five years, how would you describe the applicant's scholarship or work abilities?

Additional Documentation

Please also submit any additional documentation which may help the Graduate Program Admission Committee make a fair decision.

Submission Process

A complete Letter of Recommendation includes this form, a narrative evaluation and any supporting documentation. The Reference Person should send this information
