STREET CLOSURES - LAKELAND TRAFFIC OPERATIONS/PARKING SERVICES

On February 15, 1993, the Lakeland City Commission adopted Resolution No. 3561 that set a policy concerning City services that are required for special events. This policy provides that costs incurred by the City's Traffic Operations Division in servicing the special event are to be passed on to the special event sponsor unless the special event is considered a City sponsored event.

Special events may require temporary detouring of traffic and/or street closures. Examples of special events are: block parties, parades, races, festivals, etc. The Lakeland Police Department must approve all special events. The approval process requires the sponsor of the event to follow certain procedures outlined in the attached form appearing on page 1.

The City has identified criteria by which events are classified (small, medium, or large). The event classification determines the minimum deposit required at the time the event application is processed. The final charges will be made based on actual costs incurred by Traffic Operations Division in providing traffic control (labor and materials supplied but not returned or damaged). Therefore, the final bill may result in either a credit refund to the event sponsor or an invoice for additional charges.

TRAFFIC OPERATIONS/PARKING SERVICES FEES

Traffic Operations Street closure Fees:

- Small Event - **\$30.00**
- Medium Event - **\$185.00**
