

It's Conference Time!

***Return** the bottom portion of this note by **Thursday, March 21st**.

Dear Parents:

Our second reporting period is just around the corner with report cards going home on Thursday, March 28th. Conferences will be held on Wednesday afternoon April 3rd, Thursday evening April 4th, and Friday morning April 5th.

This year we are offering you a choice of conference: **parent-teacher** or **student-led**.

Student-led conferencing is a great opportunity for you as a parent to:

- See your child's classroom and what they are learning at school,
 - Encourage your child to continue working hard,
 - See what your child's strengths and needs are.
- ❑ Since you will want to focus your attention on your child, please **make arrangements** for **other siblings** so that nothing will distract you from this sharing time with your child.
- ❑ There will be other children in the classroom sharing their work at the same time. Your child's work will be at one table. I will be in the room, but it is your child who is in charge. After things are underway I will circulate visiting each family briefly.

Parent-teacher conferencing is a great opportunity for you as a parent to:

- Talk to your child's teacher about your child's strengths and needs,
 - Talk about any concerns you may have about your child privately.
- ❑ Please **make arrangements for your child** so that you and your child's teacher can talk about your child's progress without little ears listening.
