BID FORM

NOTE: Any Alteration or Addition to the Bid Form May Invalidate the Bid

TO: THE MAYOR AND COUNCIL MEMBERS OF THE CITY OF BEVERLY HILLS

The undersigned, having carefully examined the site conditions and the Contract Documents for

BEVERLY HILLS RESERVOIR IRRIGATION PROJECT

HEREBY PROPOSES AND AGREES to commence the Work per the Agreement; to furnish all labor, materials, equipment, transportation, service, sales taxes, and other costs necessary to complete the Work as specified herein from the date of Notice To Proceed, in strict conformity with the Contract Documents, at prices indicated below.

1.0 TOTAL LUMP SUM BASE BID:

Item Description: Base Bid scope of work shall include installation of irrigation devices and landscaping at three (3) Reservoir sites.

Bidder agrees to provide and install all base bid work as shown on the Drawings and described in the Specifications including General Conditions, licenses, permits, fees, taxes, overhead, bond and insurance for the total lump sum of:

\$ ONE HUNDRED FORTY THOUSAND DOLLARS
Dollars (in words- printed)

\$ 140,000
Dollars (in figures)

NOTE: In the case of any discrepancy between words and figures, the words shall prevail.

2.0 TIME OF PERFORMANCE – Contractor proposes to complete the Work, including the accepted Alternatives, within the calendar days specified in the Bid Package, commencing from the Date of Notice To Proceed.

3.0 COMPENSATION FOR DELAY (PER DIEM)

Bidder shall determine and provide in the space below the amount of per diem compensation (costs to include any and all of Contractor's overhead, profit and General Conditions as directly related to this project) for any Compensable Delay at any time during the performance of the Work:

\$ 0 Dollars Per Diem Per Day (in words) ZERO Dollars Per Diem Per Day (in figures)

Per Diem compensation multiplied by Twenty (20) days = \$ 0

4.0 TOTAL PROJECT BID

To determine the low Bidder, the City will calculate the sum of the Total Lump Sum Base Bid listed in paragraph 1.0, plus the amount of all alternate bid items listed in paragraph 2.0, plus the amount of per diem for Compensable Delay listed in paragraph 5.0 multiplied by twenty (20) days. The Contract will then be awarded to the lowest responsive and responsible Bidder.

The Contract Amount may or may not include any or all or the alternatives, at the sole discretion of the City.

The use of the multiplier of twenty (20) days is not intended as an estimate of the number of days of Compensable Delay anticipated by the City. The City will pay the per diem compensation only for the actual number of days of Compensable Delay, as defined in the General Conditions. The actual number of days of Compensable Delay may be lesser or greater than the "multiplier" shown above.

5.0 DESIGNATION OF SUBCONTRACTORS/SUPPLIERS

In accordance with the "Subletting and Subcontracting Fair Practices Act", Sections 4100-4113 of the Public Contract Code of the State of California, and any amendments thereto, each Bidder shall list below the dollar amount, name, location and trade of each Subcontractor or Supplier who will perform work, labor, render service or provide and install material and/or equipment to the Contractor in the construction of the Work in an amount in excess of one-half of one percent (0.5%) of the Contractor's total Bid (Example: one-half of one percent (0.5%) of a \$1,500,000 project is equal to \$7,500). Only one Subcontractor for each such trade shall be listed. If the Contractor fails to specify a Subcontractor for any portion of the Work to be performed under the Contract, he shall be deemed to have agreed to perform such portion himself, and he shall not be permitted to subcontract that portion of the Work. For the convenience of the Contractor, rounding-off values to the nearest thousand dollars is permitted.

NOTICE: Penalties for violations of the Subletting and Subcontracting Fair Practices Act will be enforced by the City for failure to list subcontractors as provided by that act.

NOTES:

- (1) SUBMISSION PROCEDURES:
 - a. Upon submission of bid documents: Complete the forms as much as possible, but at a minimum include the Subcontractors/Suppliers name.
 - b. Incomplete forms turned in upon submission of Bids by Contractors will lead to the Bids of said Contractors being declared non-responsive.
- (2) Some of the trades listed may not be providing Work in excess of one-half of one percent (0.5%) of your Bid. In that case, indicate which trade the Work is to be included under.
- (3) In all cases, if the Work is to be provided by the General Contractor's (your) forces, indicate this by listing your company name in the space provided for the Subcontractor's name.
- (4) In accordance with requirements above, Contractor shall use the following form to list the Subcontractors or Suppliers:
