Winter Cardiovascular Update 2012

February 24 to 26, 2012

The Mountain Grand Lodge
at Boyne Mountain Resort
Boyne Falls, Michigan

Course Description

This annual conference provides a comprehensive review of current developments in the diagnosis, treatment and management of cardiovascular disease. Our experts will cover essential topics such as atrial fibrillation, advanced heart failure, peripheral arterial disease, valve disease management and anticoagulation. Attendees—cardiologists, internal medicine subspecialists, general internists and other primary health care providers—will gain knowledge and tools needed to better serve our shared patients' cardiovascular needs.
