

Date: January 2014

REQUEST FOR BIDS FOR:
EROSION CONTROL

Waupaca County invites sealed bid proposals for furnishing erosion control for various County projects. Bids will be received by the Waupaca County Highway Department up to 10:00am, Thursday, February 27, 2014 and will be publicly opened and read at 10:00am.

All materials shall meet the State of Wisconsin, Department of Transportation specifications applicable to such materials, according to the latest edition of Standard Specifications for Highway and Structure Construction.

All prices FOB any location in Waupaca County.

Please use the bid form on the reverse of this sheet in submitting your bid.

Waupaca County reserves the right to reject any or all bids and to accept any bid deemed most advantageous to Waupaca County.

Prices quoted are to remain in effect until December 31, 2014.

Bids shall be sealed and marked "**Erosion Control**" on the lower left-hand corner of the envelope and returned to Waupaca County Highway Department, 515 E. Fulton St., Waupaca, WI 54981.

ALL BIDDERS MUST COMPLY WITH WAUPACA COUNTY HIGHWAY INSURANCE REQUIREMENTS AND PROVIDE A CERTIFICATE OF INSURANCE ALONG WITH BID. Requirements can be found at:
<http://www.co.waupaca.wi.us/highway/Home.aspx> under the " Bid Information Tab.
