Dear Potential Sponsor,

IDCON and TAPPI are excited to announce our new partnership on the Twenty-Third annual Process Industry Reliability and Maintenance (PIRM) Conference, co-located with TAPPI's PaperCon, May 2nd – May 5th, 2010 in Atlanta, Georgia.

This premier event brings together key reliability and maintenance professionals from mill and plant operations, maintenance, stores, and engineering from across a spectrum of process industries (pulp and paper, food processing, utilities, power generation, packaging, wood processing, chemicals, consumer products, oil and gas, mining) to share experiences, perspectives, insights and the latest Reliability & Maintenance developments.

PIRM represents an exceptional opportunity to put your company's brand in front of key industry leaders who have a vested interest in your products. By becoming one of our exclusive conference sponsors, you have the chance to reach this uniquely targeted audience and demonstrate your commitment to industry relationships.

Don't miss this once-a-year chance to get your company in front of these crucial players in Reliability & Maintenance. Feel free to contact us at your convenience using the information below to discuss any of the affordable sponsorship opportunities listed on the next page.
