To: Prospective ISTC Safety Award Participants

Each year the Industrial Safety Training Council sponsors a program to recognize the safety achievements of contractors working in the Gulf Coast area.

The presentation of the ISTC safety award plaques is part of a comprehensive safety awards program which the Association's Curriculum and Program Committee has developed to promote contractor safety and accident prevention in the petroleum, refining and petrochemical manufacturing industries and related services of Southeast Texas. The award publicly recognizes the excellent record of safety operations attained by contractors working in these industries. The Safety Award recipients will be honored at a Safety Awards Banquet to be held on May 13, 2010 at the Holiday Inn Atrium Plaza, Beaumont, Texas.

The following pages contain complete information on the program. Please note that the deadline for submitting awards applications is April 5, 2010.

There are several other awards for which a contract company may qualify. We encourage all contractors to participate in the awards process. Again, the deadline is April 5, 2010.

You will also find enclosed in this packet the Golden Triangle Business Roundtable Safety Survey. In order for your ISTC Safety Award application(s) to be considered for an award, the GTBR Safety Survey must be completed and returned with your application(s). The GTBR Survey is for those companies who worked in the Golden Triangle area, however, you must still return the form if your company had no work hours in the Golden Triangle area. You need only to complete the company name and address, and indicate zero for item 2 on the form.

If you have any questions regarding any phase of the safety awards program, please contact me or Patty Collins at (409) 527-3385 or [patty@istc.net](mailto:patty@istc.net).

Sincerely,

*R.M. Melancon, Jr.*

# ISTC SAFETY/TRAINING AWARDS

## CATEGORIES:

ISTC recognizes Safety Excellence through Training by awarding participating companies for accomplishments in the following areas:

- **The Roy Comeaux “Safety Excellence through Training” Award** - the most prestigious ISTC award, recipients must exhibit superior levels of consistent safety performance. The recipient must also exhibit superior levels of safety training efforts for their employees.
- **The Safety Achievement Award – Sustained Performance** – recipients must achieve a “zero” recordable incidence rate for three consecutive years.
- **The Safety Achievement Award - Incidence Rate Reduction** - recipients must achieve a 25% or greater reduction in the total recordable incidence rate with no fatalities as compared to the average of the total recordable incidence rates for the previous three calendar years.
- **The Safety Achievement Award - Hours Worked** - recipients must have worked 1,000,000 or more employee hours without a lost workday case involving days away from work or fatality.
- **The Safety Achievement Award - Years Worked** - recipients must have worked one or more years (365 consecutive days) without a lost workday case involving days away from work or fatality.
- **The Safety Trainer of the Year Award** – this award will recognize an outstanding safety trainer who has contributed to the success of a company’s safety program and has received outstanding recognition as a trainer.

A contract company may apply for awards in as many categories as it qualifies.

**All applications MUST be for work performed in the Gulf Coast area of Southeast Texas.**

**All applications MUST be accompanied by supporting documents as requested on the application.**

**All applications MUST be accompanied by the GTBR Safety Survey.**

**Application Deadline: April 5, 2010**

Please note that if you qualify for an award(s), you must complete the appropriate application form(s) and return it to ISTC as soon as possible, but no later than **April 5, 2010**. Compliance with this requirement will insure accurate processing of award applications in time for presentation at the Awards Banquet held on May 13, 2010 at the Holiday Inn Atrium Plaza, Beaumont, Texas.

Please return all applications for awards to: ISTC Safety Awards, 324 Hwy 69, Nederland, TX 77627, Fax (409) 724-2017. If you have any questions concerning your application(s), please contact Patty Collins at (409) 527-3385.

## **Presentation Ceremony**

All award categories of ISTC Safety Awards will be presented at the 2010 ISTC Annual Safety Awards Banquet to be held on May 13, 2010. Shortly before this banquet, we will notify each individual company representative receiving an award to make final arrangements for the presentation ceremony.

Basically, each contract company receiving an award will be announced along with its accomplishments. Representative(s) from each respective company will proceed to the stage where they will receive the award from the ISTC Chairman of the Board and pose for a quick photograph to be used in the press coverage as described below. Recipients will then proceed off stage where they will pick up a box for their plaque and/or any other awards they may have received.

## **PRESS COVERAGE**

As an additional service, ISTC will prepare a press release and photograph of the award presentation and send them to the award recipients for distribution.

In order to help publicize the event and the award recipients, local news media will be on hand to cover the event.

## **HARD HAT DECALS - SAFETY ACHIEVEMENT AWARDS (HOURS & YEARS)**

ISTC hard hat decals recognizing the Safety Awards presented to companies will be available to companies receiving awards for 1+ million hours and 1+ years worked, without a lost workday case involving days away from work, free of charge. Please indicate the number of decals needed on the application form when applying for the respective award. Requests made after the award application deadline cannot be accommodated.

## ISTC Safety Achievement Award -Incidence Rate

The ISTC Safety Achievement Award is presented to those contractor companies that achieve a 25% or greater reduction in the total recordable incidence rate with no fatalities during the 2009 calendar year as compared to the average total recordable incidence rate for the three previous calendar years. ISTC Safety Awards are based on records kept for employees in accordance with OSHA recordkeeping requirements as defined by law and entered on your OSHA 200/300 log for work done in the Gulf Coast area of Southeast Texas.

### EXAMPLE CALCULATION: SAFETY ACHIEVEMENT AWARD - INCIDENCE RATE

2008 Total Recordable Incidence Rate (OSHA Statistics)	1.4
2007 Total Recordable Incidence Rate (OSHA Statistics)	+1.9
2006 Total Recordable Incidence Rate (OSHA Statistics)	<u>+2.7</u>
	6.0

3 Year Average Total Recordable Incidence Rate (2006-2008)  $\frac{6.0}{3} = 2.0$

2009 Total Recordable Incidence Rate (OSHA Statistics) = 1.2

% Reduction =  $\frac{3 \text{ Year Average Rate} - 2009 \text{ Rate}}{3 \text{ Year Average Rate}} \times 100 = \frac{2.0 - 1.2}{2.0} \times 100 = 40\%$

This Company is eligible for the ISTC Safety Achievement Award - Incidence Rate

### APPLICATION FORM - SAFETY ACHIEVEMENT AWARD – INCIDENCE RATE

Requirements: Achieve a 25% or greater reduction in the total recordable incidence rate with no fatalities during the 2009 calendar year as compared to the average total recordable incidence rate for the three previous calendar years.
