

Progress Report Request Form

Dear Parent(s) or Guardian(s),

In years past, I have sent home bi-weekly printed Progress Reports (grade sheets) to families documenting scores earned on science assignments during the course of each trimester. With the expanded use of the online Parent Portal (<https://ps.hawthorn73.org/public/>), and in an effort to save paper, I will not be sending home printed bi-weekly Progress Reports this year unless you specifically request that I do so. Please complete the form below to indicate your preference and have your child return the completed form to me at your earliest convenience.

If you should have any questions regarding this practice, please do not hesitate to contact me.

Sincerely,

Mr. Yablonsky
