**ARTICLE IV
REPRESENTATIONS AND WARRANTIES OF SELLER**

Subject to the exceptions noted on the disclosure schedule attached hereto, as a material inducement to Buyer to execute and perform its obligations under this Agreement, Seller represents and warrants to Buyer, as of the date hereof and as of the Closing, as follows:

4.1 Organization and Good Standing. Qimonda Richmond is a limited liability company duly organized, validly existing and in good standing under the laws of the State of Delaware. Subject to the limitations imposed on Seller as a result of having filed a petition for relief under the Bankruptcy Code, or pursuant to any order entered by the Bankruptcy Court, Seller has full entity power and authority to conduct the Business as it is presently being conducted and to own, operate and lease its properties and assets. Seller is duly qualified to do business, and is in good standing, in each jurisdiction in which the character or location of the property owned, leased or operated or the nature of the business conducted makes such qualification necessary, except where the failure to be qualified or in good standing will not have a material adverse effect on the Assets or the Seller's ability to consummate the transactions contemplated hereunder.

4.2 Authorization. Subject to the entry of the Sale Order and, with respect to Seller's obligations under Section 6.7(a), the entry of the Stalking Horse Order (as defined below), Seller has the requisite power and authority to execute this Agreement and the other agreements, instruments and certificates to be executed and delivered by it in connection with the transactions contemplated by this Agreement (collectively, the "Seller Ancillary Documents"), to perform its obligations under such agreements, and to consummate the transactions contemplated hereby and thereby. Subject to the entry of the Sale Order, the execution and delivery by Seller of this Agreement and the Seller Ancillary Documents and the consummation by Seller of the transactions contemplated hereby and thereby have been duly authorized by all necessary corporate and other organizational action on the part of Seller. This Agreement and the Seller Ancillary Documents have been duly executed and delivered by Seller and, assuming the execution and delivery by Buyer and the entry of the Sale Order, and, with respect to Seller's obligations under Section 6.7(a), the entry of the Stalking Horse Order, constitute valid and binding obligations of Seller, enforceable against Seller in accordance with their respective terms, except the availability of the remedy of specific performance or injunctive or other forms

of equitable relief may be subject to equitable defenses and would be subject to the discretion of the court before which any proceedings therefor may be brought.

4.3 No Violation; Consents. Upon or after the entry and effectiveness of the Sale Order, the execution and delivery of this Agreement and the Seller Ancillary Documents and the performance of Seller's obligations herein or therein will not (i) conflict with or result in any breach of any provision of the organizational documents of Seller, (ii) violate any applicable foreign, federal, state or local law (including common law), statute, code, ordinance, rule, regulation or other requirement enacted, promulgated, issued or entered by a governmental authority (collectively, "Law"), (iii) subject to any compliance with the HSR Act (as defined below), require any consent, approval, authorization or permit of, or filing with or notification to, any governmental authority or other Person which has not otherwise been obtained or made, or (iv) result in the imposition of any Encumbrances upon the Assets, except as are excused by or unenforceable as a result of the filing of the Bankruptcy Case or the applicability of any provision of, or any Law under, the Bankruptcy Code.

4.4 Title to the Assets. Seller is the sole and lawful owner of, and holds good and marketable title to, the Assets listed on Exhibit A, excluding the Assets listed on Exhibit A-2. Subject to the Adjustment Mechanism, at or before Closing Seller will be the sole and lawful owner of, and will hold good and marketable title to, the Assets listed on Exhibit B. At the Closing, subject to the Adjustment Mechanism, Buyer will receive good and marketable title to the Assets, free and clear of all Encumbrances as permitted under Sections 363(b) and 363(f) of the Bankruptcy Code and subject to the entry of the Sale Order.

4.5 Permits. Set forth on Schedule 4.5 is a list of each material Permit (as defined in Exhibit A) relating to the Assets issued by any governmental authority to Seller, and Seller has not received any notice of any proceeding relating to the revocation or modification of any such Permit. To Seller's Knowledge (as defined below), no condition exists and no event has occurred which might reasonably be expected to cause the revocation of any material Permit. Except for the Permits listed in Schedule 4.5, to Seller's Knowledge, no material Permit is required from any governmental authority for Seller to own and operate the Assets or otherwise to operate the Business as it was conducted immediately before the filing of the Bankruptcy Case.

4.6 [Intentionally Omitted]

4.7 Compliance with Law. Seller is, to the extent related to the Assets, in compliance in all material respects with all applicable Laws and, to Seller's Knowledge, no condition exists which, with or without notice or passage of time or both, shall cause Seller not to remain in compliance. Seller has received no notification and has no Knowledge that any notification could be forthcoming from any governmental authority relating to the Assets: (i) asserting that Seller is not in compliance with any applicable Laws, (ii) threatening to revoke any material Permit relating to the Assets, or (iii) notifying Seller of any investigation by any such governmental authority.

4.8 Litigation. There are no private or governmental actions, suits, proceedings, claims, arbitrations, judgments or decrees or, to Seller's Knowledge, investigations pending

against Seller or, to Seller's Knowledge, affecting Seller or the Assets, which (i) contest or challenge Seller's authority, right or ability to perform its obligations under this Agreement or any of the Seller Ancillary Documents, as applicable, (ii) challenge Seller's right, title or ownership in any of the Assets, or (iii) would impair or have an adverse effect on Buyer's right or ability to own, use, commercialize or otherwise exploit any of the Assets, or impair or have an adverse effect on the value of any of the Assets following the Closing. To Seller's Knowledge, there are no proceedings threatened that assert any claim described in clauses (i), (ii) or (iii) of the preceding sentence; provided, however, that if after the date hereof, any action, suit, proceeding, claim, arbitration, judgment decree or investigation described in clause (i), (ii) or (iii) is asserted, instituted or entered, then the representation contained in the first sentence of this Section 4.8 shall be deemed accurate as of the Closing Date so long as an order has been issued by the Bankruptcy Court rejecting, disallowing or dismissing such action, suit, proceeding, claim, arbitration, judgment decree or investigation, no appeal or motion for reconsideration of that order has been filed and the time for filing such motion and an appeal has expired. Except for orders entered in the Bankruptcy Case that do not have an adverse effect on the Assets or on Seller's ability to consummate the transactions contemplated hereunder, there are no judgments, decrees, injunctions or orders of any court, governmental authority, arbitrator or mediator pending or binding against Seller or the Assets.

4.9 Insurance. Schedule 4.9 lists all insurance policies insuring the Assets, including the policy numbers, expiration dates, premium payment schedules, and the coverage limitations and amounts of any deductibles with respect to such insurance policies. Such insurance policies are in full force and effect for such amounts and are sufficient for material compliance with all legal requirements and of all agreements to which Seller is a party or by which it is bound. No event has occurred which limits or impairs the rights of Seller under any such insurance policies. Schedule 4.9 sets forth all claims Seller has made under the insurance policies referred to herein within the last twelve (12) months.

4.10 Rights of Seller's Parent Companies. Neither Qimonda AG, Qimonda Holding BV, nor Qimonda North America Corp., nor any entity directly or indirectly controlled by any of them, nor Infineon Technologies AG (all of such foregoing entities being collectively referred to as "Seller's Parent Entities"), has asserted any claim or cause of action that it has any right title or interest in or to any of the Assets; provided, however that if after the date hereof, any such claim or cause of action is asserted, this representation shall be deemed accurate as of the Closing Date so long as an order has been issued by the Bankruptcy Court rejecting, disallowing or dismissing such claim or cause of action, no appeal or motion for reconsideration of that order has been filed and the time for filing such motion and an appeal has expired. To Seller's Knowledge, Seller's Parent Entities have no right, title or interest in or to any of the Assets.

4.11 Subsidiaries. Seller does not hold a direct or indirect equity interest in any Person.

4.12 Environmental Safety and Health. Seller's use of the Assets has complied in all material respects and is in compliance in all material respects with all Laws concerning public health or safety, worker health or safety, or pollution or protection of the environment as the foregoing are enacted or in effect ("Environmental Laws") and Seller holds and is in compliance in all material respects with, all environmental Permits necessary for the Assets as now utilized.

Within the last 12 months, Seller has not received any written notice, claim, or report relating directly to the Assets regarding any violation or alleged violation by Seller of, or liability or alleged liability of Seller, under Environmental Laws.

4.13 Financial Advisors. Except as set forth on Schedule 4.13, no Person has acted, directly or indirectly, as a broker, finder or financial advisor for Seller in connection with the transactions contemplated hereunder. Buyer is not and will not become obligated to pay any fee or commission or like payment to any broker, finder or financial advisor as a result of the consummation of the transactions contemplated hereunder based upon any arrangement made by or on behalf of Seller.

4.14 No Other Representations or Warranties. Except as expressly set forth in this Agreement and the Seller Ancillary Documents, none of Seller or any agent, employee, attorney or other representative of Seller or purporting to represent Seller, makes any representation or warranties, express or implied, of any kind whatsoever to Buyer with respect to the Assets or otherwise, including, without limitation, the maintenance, repair, condition, quality, design, marketability, accuracy, utility or completeness of the equipment, and Seller expressly disclaims as it pertains to Buyer (1) any implied or express warranty of merchantability, (2) any implied or express warranty of fitness for a particular purpose, or (3) any implied or express warranty of conforming to models or samples with respect to any of the foregoing. For the avoidance of doubt, except as set forth in this Agreement or the Seller Ancillary Documents, no warranty or representation is given on the contents of the documents provided in due diligence, on any other documents or other information not contained in this Agreement, all of which were produced only for information purposes.

4.15 No Inducement or Reliance; Independent Assessment. With respect to the Assets or any other rights to be transferred hereunder, Seller acknowledges it has not been induced by and has not relied upon any representations, warranties or statements, whether express or implied, made by Buyer or any agent, employee, attorney or other representative of Buyer representing or purporting to represent Buyer that are not expressly set forth herein (including the exhibits hereto), whether or not any such representations, warranties or statements were made in writing or orally, and Seller acknowledges that none of Buyer, nor any agent, employee, attorney, other representative of Buyer or other Person will have or be subject to any liability to Seller or any other Person resulting from the distribution to Seller, or Seller's use of, any such information, including any information, documents or material made available to Seller in expectation of the transactions contemplated by this Agreement. For purposes of clarification, this Section 4.15 shall not in any way limit any representation, warranty or statement of Buyer made in this Agreement or in any document or instrument delivered to Seller pursuant to this Agreement.

4.16 Virginia Sales and Use Taxes. To the Knowledge of the Seller, the Company does not have any outstanding liabilities for accrued but unpaid Commonwealth of Virginia sales or use taxes in excess of \$50,000 as of the Closing Date.

**ARTICLE V
REPRESENTATIONS AND WARRANTIES OF BUYER**

As of the date hereof and as of the Closing, as a material inducement to Seller to execute and perform its obligations under this Agreement, Buyer represents and warrants to Seller as follows as of the date hereof and as of the Closing:

5.1 Organization and Good Standing. Buyer is a corporation duly organized, validly existing and in good standing under the laws of the State of Delaware. Buyer has full corporate power and authority to conduct its business as it is presently being conducted and to own, operate and lease its properties and assets.

5.2 Authorization. Buyer has the requisite power and authority to execute this Agreement and the other agreements, instruments and certificates to be executed and delivered by it in connection with the transactions contemplated by this Agreement (collectively, the “Buyer Ancillary Documents”), to perform its obligations under such agreements, and to consummate the transactions contemplated hereby and thereby. The execution and delivery by Buyer of this Agreement and the Buyer Ancillary Documents and the consummation by Buyer of the transactions contemplated hereby and thereby have been duly authorized by all necessary corporate action on the part of Buyer. This Agreement and the Buyer Ancillary Documents have been duly executed and delivered by Buyer and, assuming the execution and delivery by Seller and the entry of the Sale Order, constitute valid and binding obligations of Buyer, enforceable against Buyer in accordance with their respective terms, except the availability of the remedy of specific performance or injunctive or other forms of equitable relief may be subject to equitable defenses and would be subject to the discretion of the court before which any proceedings therefor may be brought.

5.3 No Violation; Consents. The execution and delivery of this Agreement and the Buyer Ancillary Documents and the performance of Buyer’s obligations herein or therein will not (i) conflict with or result in any breach of any provision of the organizational documents of Buyer, (ii) conflict with, require the consent of a third party under, violate, result in the breach of, constitute a default under, or give rise to any right of acceleration, cancellation or termination of any material right or obligation of Buyer under any material agreement or other instrument to which Buyer is a party or by which Buyer or any of its properties or assets are bound, (iii) violate any applicable Law, or (iv) subject to compliance with the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the “HSR Act”), require any consent, approval, authorization or permit of, or filing with or notification to, any governmental authority or other Person which has not otherwise been obtained or made.

5.4 Litigation. Other than in or pursuant to the Bankruptcy Case, there are no private or governmental actions, suits, proceedings, claims, arbitrations or investigations pending or, to Buyer’s knowledge, threatened against Buyer that, if finally determined adversely, would be reasonably likely to have a material adverse effect on Buyer’s ability to consummate the transactions contemplated by this Agreement. Other than in or pursuant to the Bankruptcy Case, there are no judgments, decrees, injunctions or orders of any court, governmental authority, arbitrator or mediator pending or binding against Buyer which shall have a material adverse effect on Buyer’s ability to consummate the transactions contemplated by this Agreement.

5.5 Financial Advisors. No Person has acted, directly or indirectly, as a broker, finder or financial advisor for Buyer in connection with the transactions contemplated hereunder and Seller is not and will not become obligated to pay any fee or commission or like payment to any broker, finder or financial advisor as a result of the consummation of the transactions contemplated hereunder based upon any arrangement made by or on behalf of Buyer.

5.6 No Inducement or Reliance; Independent Assessment. With respect to the Assets or any other rights to be transferred hereunder, Buyer acknowledges it has not been induced by and has not relied upon any representations, warranties or statements, whether express or implied, made by Seller or any agent, employee, attorney or other representative of Seller representing or purporting to represent Seller that are not expressly set forth herein (including the exhibits hereto), whether or not any such representations, warranties or statements were made in writing or orally, and Buyer acknowledges that none of Seller, nor any agent, employee, attorney, other representative of Seller or other Person will have or be subject to any liability to Buyer or any other Person resulting from the distribution to Buyer, or Buyer's use of, any such information, including any information, documents or material made available to Buyer in expectation of the transactions contemplated by this Agreement. For purposes of clarification, this Section 5.6 shall not in any way limit any representation, warranty or statement of Seller made in this Agreement or in any document or instrument delivered to Buyer pursuant to this Agreement.

5.7 No Projections. Buyer acknowledges that neither Seller nor any of its affiliates has made any warranty, express or implied, as to the performance, utility or prospects, financial or otherwise, or the profitability of the Assets for Buyer, or with respect to any forecasts, projections or business plans prepared by or on behalf of Seller and delivered to Buyer in connection with Buyer's review of the Assets and the negotiation and the execution of this Agreement.

5.8 Financing. Buyer has and will have on the Closing Date sufficient cash and cash equivalents and/or existing credit facilities with sufficient borrowing capacity thereunder (and has provided Seller with satisfactory evidence thereof) to purchase the Assets and to consummate the transactions contemplated by this Agreement.

5.9 Buyer's Investigation. Buyer represents that it is a sophisticated entity that was advised by knowledgeable counsel and other advisors and hereby acknowledges that it has conducted an investigation of the Assets. Notwithstanding the foregoing, this Section 5.9 does not limit any representation or warranty made by Seller in this Agreement or any document or instrument delivered to Buyer pursuant to this Agreement.

5.10 No Other Representations and Warranties. Except as expressly set forth in this Agreement and the Buyer Ancillary Documents, neither Buyer nor any agent, employee, attorney or representative of Buyer or purporting to represent Buyer makes any representations or warranties, express or implied, of any kind whatsoever.

**ARTICLE VI

Prior to the Closing and during the Removal Period (as defined below), Seller shall permit Buyer and its respective affiliates, officers, directors, managers, employees, attorneys, investment bankers, accountants and other agents and representatives (collectively, “Representatives”) to have reasonable access, prior to Closing, during normal business hours and upon reasonable advance notice and, during the Removal Period, during extended hours as further set forth on Exhibit G hereto, to the personnel of Seller and, to the extent related to the Assets, the properties, books and records of Seller, and Seller will furnish such additional information relating to the Assets as Buyer may from time to time reasonably request; provided that, subject to the requirements set forth on Exhibit G, such access does not unreasonably interfere with the operations of the Business or the possible sale thereof to any other Person; and provided further that no information or knowledge obtained by Buyer and its Representatives pursuant to this Section 6.1 shall affect or be deemed to modify any representation or warranty made herein or the conditions to the obligations of the respective parties to consummate the transactions contemplated by this Agreement. Buyer shall abide by the terms of that certain Confidentiality Agreement, dated April 22, 2009, by and among Seller and Buyer (the “Confidentiality Agreement”) and any safety rules or rules of conduct reasonably imposed by Seller with respect to such access and any information furnished to Buyer or its Representatives pursuant to this Section 6.1.

6.2 Seller’s Operation of the Business. From the date hereof, Seller shall, and shall cause its Representatives to, (a) keep the Premises and the Assets intact and maintain the Premises and the Assets until the end of the Removal Period in accordance with the Tool Removal and Maintenance Procedures set forth on Exhibit G attached hereto, (b) not sell, transfer, pledge or grant a license or a security interest in, or otherwise dispose or encumber, any of the Assets, (c) not remove any of the Assets from the Premises prior to the end of the Removal Period, (d) maintain all insurance policies, as set forth in Section 6.12(f), on the Premises and the Assets until the Closing Date (and, if requested, will provide Buyer with satisfactory evidence thereof), (e) continue to provide and pay for all utilities, maintenance and other services until the end of the Removal Period (as defined below) in accordance with the Tool Removal and Maintenance Procedures set forth on Exhibit G attached hereto, and (f) not take any action inconsistent with Seller’s obligations under this Agreement, in each case, subject to such obligations, limitations or restrictions imposed by the Bankruptcy Code and the Bankruptcy Court.

6.3 Cooperation Toward Closing. From the date hereof until the Closing Date, subject to the terms and conditions of this Agreement, each of the parties hereto shall use commercially reasonable efforts to take, or cause to be taken, all actions, and to do, or cause to be done, all things reasonably necessary, proper or advisable under applicable Law to consummate and make effective the sale of the Assets in accordance with this Agreement and the Sale Order, including using commercially reasonable efforts to ensure timely satisfaction of the conditions precedent to such party’s obligations hereunder.

6.4 Consents. On or prior to the Closing Date, Seller shall use commercially reasonable efforts, and Buyer shall reasonably cooperate with Seller, to obtain at the earliest

practical date all material consents, waivers and approvals required to consummate the transactions contemplated by this Agreement.

6.5 Hart-Scott-Rodino. With respect to the transactions contemplated by this Agreement, the parties hereto shall file or cause to be filed, promptly but in no event later than ten (10) business days immediately following the entry of the Stalking Horse Order, (a) any notifications required to be filed under the HSR Act and shall request early termination of the waiting period under the HSR Act; and (b) any pre-acquisition filings required by any foreign countries. Buyer shall be responsible for and pay all filing fees associated with such notifications and filings.

6.6 Compliance with Antitrust Laws and Government Requests. Subject to the terms and conditions herein, each of the parties hereto agrees to use its commercially reasonable efforts to take, or cause to be taken, all actions necessary to expeditiously consummate the transactions contemplated by this Agreement, including using commercially reasonable efforts to respond promptly to government requests for information and obtain all necessary governmental, judicial or regulatory actions or non-actions, orders, waivers, consents, clearances, extensions and approvals. In addition to and without limiting the agreements of the parties contained above, Seller and Buyer shall (a) comply at the earliest practicable date with any request for additional information or documentary material received by Seller or Buyer from any governmental authority in connection with the HSR Act or any other applicable Law, (b) cooperate with each other in connection with any filing under the HSR Act and in connection with resolving any investigation or other inquiry concerning the transactions contemplated hereby commenced under the HSR Act or by any governmental authority, and (c) use commercially reasonable efforts to resolve such objections, if any, as may be asserted with respect to the transactions contemplated hereby under any antitrust law. Notwithstanding the foregoing or any other covenant herein contained, nothing in this Agreement shall be deemed to require Buyer or Seller (i) to commence any litigation against any Person in order to facilitate the consummation of any of the transactions contemplated hereby, (ii) to take or agree to take any other action or agree to any limitation that could reasonably be expected to have an adverse effect on the business, assets, condition (financial or otherwise), results of operations or prospects of Buyer on the one hand, or Seller, on the other hand, (iii) to defend against any litigation brought by any governmental authority seeking to prevent the consummation of, or impose limitations on, any of the transactions contemplated hereby, or (iv) to divest or hold separate or in trust (or the imposition of any other adverse condition or restriction with respect to) any assets or operations of Buyer or Seller and their respective affiliates or the Assets.

6.7 Bankruptcy Matters.

(a) Within two (2) business days of the execution of this Agreement, Seller will file and serve the proposed Stalking Horse Notice (as defined in the Sale Procedures Order) in accordance with the Sale Procedures Order with the Bankruptcy Court requesting the entry of an order substantially in the form annexed hereto as Exhibit H (the "Stalking Horse Order") approving the bidding procedures in substantially in the form annexed hereto as Exhibit E (the "Bidding Procedures"). Subject to such approval by the Bankruptcy Court of the Stalking Horse Order, if Seller receives from a third party a higher and better offer to purchase all or any portion of the Assets (or a credit bid by General Electric Capital Corporation for a portion of the Assets)

at the Auction (as defined in the Bidding Procedures), and such third party offer or credit bid is subsequently approved by the Bankruptcy Court and closes as provided by the terms of such offer or credit bid and Buyer is not then in material breach under this Agreement after giving effect to any applicable cure period, then Seller will pay Buyer (A) compensation in the fixed amount of Four Million Three Hundred Twelve Thousand Five Hundred Dollars (\$4,312,500),, for the time and expense associated with initial due diligence and negotiation of this Agreement and the value of serving as the “stalking horse” for Seller’s marketing of the Assets (the “Break-Up Fee”) and (B) reimbursement of all reasonable, documented, out of pocket costs and expenses, including attorneys fees and fees of investment bankers or other financial advisors, incurred by Buyer in connection with this Agreement up to a maximum of \$750,000 (the “Reimbursement Amount”), which payment shall be made to Buyer by wire transfer of immediately available funds to an account designated by Buyer concurrently with the consummation of such sale of all or any portion of the Assets to a third party.

(b) Filing of Sale Motion. Promptly after entry of an order approving the Stalking Horse Order, Seller shall file a motion with the Bankruptcy Court (the “Sale Motion”) requesting entry of an order substantially in the form annexed hereto as Exhibit F (the “Sale Order”) that (i) approves the sale of the Assets to Buyer on the terms and conditions set forth in this Agreement and authorizes Seller to proceed with the Closing, (ii) includes a specific finding and conclusion of law that Buyer is a good faith purchaser of the Assets within the meaning of Section 363(m) of the Bankruptcy Code, (iii) states that the sale of the Assets shall be free and clear of all Encumbrances whatsoever, and (iv) such other provisions as reasonably requested or required by Buyer.

(c) Service of Sale Motion. Seller will serve a copy of the Sale Motion and the accompanying attachments on the Persons identified in Paragraph D of the Sale Order and such other Persons as the Buyer reasonably requests. Prior to service of such documents, Seller will provide Buyer a list of such Persons identified in Paragraph D of the Sale Order.

(d) Copies of Pleadings. Seller shall, to the extent reasonably practicable, provide Buyer with drafts of all documents, motions, orders, filings or pleadings that it proposes to file with the Bankruptcy Court that relate to the approval of this Agreement and the consummation of the transactions contemplated hereby, and will provide Buyer with reasonable opportunity to review and approve such filings. Seller shall also promptly (within one (1) business day) provide Buyer with copies of all pleadings received by or served by or upon Seller in connection with the Bankruptcy Case that relate to or may reasonably be expected to affect the transactions provided for in this Agreement and which have not otherwise been served on Buyer.

(e) Rejection of Leases in Connection with Third Party Transactions. To the extent required, if the parties enter into the Third Party Transactions, then Seller or its affiliates, as applicable, will prior to Closing obtain an order from the Bankruptcy Court rejecting all leases covering the Assets set forth on Exhibit B.

6.8 Taxes; Preparation and Filing.

(a) Buyer shall bear and be responsible for paying any and all sales, use, transfer, filing, recordation, registration, documentary, stamp, gains and similar taxes and fees,

including related penalties, additions to tax, and interest imposed by any governmental authority with respect to the transfer of the Assets (collectively, “Transfer Taxes”), regardless of whether the tax authority seeks to collect such taxes from Seller or Buyer. The parties will cooperate in the preparation, execution and filing of all tax returns and other documentation with respect to all such Transfer Taxes. The parties will take all reasonable steps to minimize any Transfer Taxes.

(b) Seller shall be responsible for the payment of, and will indemnify the Buyer against, all taxes (other than Transfer Taxes, but including without limitation, any interest, penalty or addition thereto) due or assessed that relate to the holding and use of the Exhibit A Assets (including, for the avoidance of doubt any state or local sales and use taxes assessed with respect to the conduct of the Business prior to the Closing Date) for all taxable periods which end on or prior to the Closing Date. Buyer shall be responsible for the payment of, and will indemnify the Seller against, all taxes (including without limitation, any interest, penalty or addition thereto) due or assessed that relate to the holding and use of the Exhibit A Assets for all taxable periods which commence on or after the Closing Date. In the case of any taxable period starting before and ending after the Closing Date (a “Straddle Period”), the amount of taxes allocable to the portion of such Straddle Period ending on the Closing Date shall be deemed to be:

(i) in the case of taxes imposed on a periodic basis (such as real or personal property taxes), the amount of such taxes for the entire period (or, in the case of such taxes payable on an arrears basis, the amount of such taxes for the immediately preceding taxable period) multiplied by a fraction, the numerator of which is the number of calendar days in such taxable period ending on and including the Closing Date and the denominator of which is the number of calendar days in the entire relevant taxable period; and

(ii) in the case of taxes not described in (i) above, the amount of any such taxes shall be determined as if such taxable period ended as of the close of business on the Closing Date;

(iii) for purposes of this Section 6.8(b), any Assets that are included in a tax assessment by the relevant tax authority along with assets that are not purchased pursuant to this Agreement shall be deemed to incur a proportionate amount of taxes of all such assets based upon the tax authority assessed tax values of such Assets (any computation of applicable taxes subject to this Section 6.8(b)(iii) shall be included on the Estimated Tax Statement (as defined under Section 6.8(b)(iv)); and

(iv) at least five (5) business days prior to the Closing Date, Seller shall present to Buyer for Buyer’s review and consent, such consent not to be unreasonably withheld, a statement reflecting an estimated amount of taxes due by Buyer on the one hand and Seller on the other hand determined under the principles of this Section 6.8(b) (including, for the avoidance of doubt any state or local sales and use taxes assessed with respect to the conduct of the Business prior to the Closing Date); provided that, if the actual amount of such taxes for a Straddle Period is not known for the Straddle Period as of the Closing Date, the amount of such taxes attributable to the portion of the Straddle Period that ends on the Closing Date will be estimated as of the Closing Date based on the amount of tax for the prior taxable period (taking into account any changes in the rate of tax or composition of the assets) (such statement, the

"Estimated Tax Statement," and any amount due thereunder, the "Estimated Tax Adjustment Amount"). When the actual amount of any such taxes calculated on the Estimated Tax Statement becomes known, if the net amount of Seller's share of such taxes is greater than what is shown on the Estimated Tax Statement, then Seller will promptly pay such excess to Buyer and, if Seller's share of the net amount of such taxes is less than what is shown on the Estimated Tax Statement, Buyer will promptly pay such shortfall to Seller.

(c) Any tax refunds (including any interest related thereto) received by Buyer with respect to the Exhibit A Assets for periods prior to and including the time of the Closing Date (or portions thereof) shall be for the account of Seller, and any tax refunds (including any interest related thereto) with respect to the Exhibit A Assets received by Seller relating to periods after the time of the Closing Date (or portions thereof) shall be for the account of Buyer. Buyer shall pay over to Seller, and Seller shall pay over to Buyer, any such refund amount received by the other party (net of any taxes payable by such other party as a result of receiving such tax refunds) within five (5) business days of receipt thereof. Seller shall be entitled to request that Buyer, at Seller's expense, file for and obtain any tax refunds with respect to tax periods or portions thereof ending on or before the Closing Date with respect to the relevant Exhibit A Asset(s), and Buyer shall be entitled to request that Seller, at Buyer's expense, file for and obtain any tax refunds with respect to periods after the time of the Closing Date (or portions thereof) with respect to the relevant Exhibit A Assets. Neither Buyer's nor Seller's consent to such request from the other party shall be unreasonably withheld.

(d) Buyer and Seller will cooperate fully, as and to the extent reasonably requested by the other party, in connection with any tax matters relating to the Assets (including by the provision of reasonably relevant records or information, and cooperation in the filing of any tax returns).

6.9 Confidentiality Agreement; Public Statements. Notwithstanding any provision of this Agreement, the parties acknowledge and agree that the Confidentiality Agreement to which they are parties remains in full force and effect between them. In the event either party desires to issue a press release or make a public statement about the transactions contemplated by this Agreement, such party shall obtain the consent of the other party (such consent not to be unreasonably withheld) to the content of any such press release or other public statement.

6.10 Updating of Representations and Warranties. Each party hereto will give prompt notice to the other party of (a) the occurrence, or failure to occur, of any event which occurrence or failure would be likely to cause any representation or warranty of Seller or Buyer, as the case may be, contained in this Agreement to be untrue or inaccurate at any time from the date hereof to the Closing Date, and (b) any failure of the Seller or Buyer, as the case may be, to comply with or satisfy any covenant, condition or agreement to be complied with or satisfied by any of them under this Agreement; provided that such notice shall not be deemed to modify any representation or warranty previously made in this Agreement, and any failure of the party receiving such notice to take action in response to such notice shall not be deemed a waiver or estoppel with respect to any such matter.

6.11 Non-Solicitation of Third Party Bids. Except as required by Law, from the date hereof until the entry of the Stalking Horse Order by the Bankruptcy Court, Seller covenants and

agrees on behalf of itself and its Representatives, that it will not, directly or indirectly, solicit, induce, recruit, encourage or in any manner attempt to influence any third parties to participate in the Auction; provided, however, that nothing herein shall limit the ability of the Seller to respond to, or provide information in connection with, any unsolicited inquiry relating to any of the Assets or to fulfill any fiduciary duty or other obligations applicable to Seller in connection with the Bankruptcy Case or under the Bankruptcy Code or other applicable Law.

6.12 Covenants Regarding Disassembly and Removal.

(a) Removal Period. Buyer and Seller contemplate that Buyer shall commence the disassembly, packing, crating and removal (including any necessary decontamination or other prep work) of the Assets from the Premises (“Disassembly and Removal”) on the Closing Date and shall complete the same expeditiously on or before June 30, 2010 (the “Long Stop Date”). If the Disassembly and Removal cannot be completed by Buyer before the Long Stop Date as a result of any delay caused by Seller or any other Person who purchases assets of Seller that are not included in the Assets, then the Long Stop Date shall be extended for a reasonable period of time, but not more than two (2) months, to allow completion of Disassembly and Removal by Buyer. The period beginning on the Closing Date and ending on the date the Disassembly and Removal is completed is defined as the “Removal Period.”

(b) Access, Disassembly and Removal of the Assets. From the Closing Date until the end of the Removal Period, Seller and Buyer agree to use commercially reasonable efforts to take, or cause to be taken, all actions reasonably necessary, proper and advisable to facilitate the Disassembly and Removal in a prompt and efficient manner. Seller shall afford Buyer, Buyer’s vendors or contractors and any other third parties retained by Buyer in connection with the Disassembly and Removal and their respective employees (such vendors, contractors and third parties being collectively referred to as the “Buyer Parties”), subject to applicable Law and in accordance with the procedures attached hereto as Exhibit G (the “Tool Removal and Maintenance Procedures”), reasonable access to, use of and the right to enter the Premises to complete the Disassembly and Removal during extended hours (i.e., 7 a.m. to 10 p.m., seven days a week, unless otherwise mutually and reasonably agreed), and subject to applicable Law and the Tool Removal and Maintenance Procedures, to bring on the Premises and operate such equipment, tools, vehicles and other devices as may be reasonably necessary to efficiently engage in and complete the Disassembly and Removal. Buyer shall provide Seller with two (2) business days advance notice of its intent to have individuals employed or retained by Buyer Parties enter the Premises. Seller may refuse to allow specific individuals employed or retained by Buyer Parties enter the Premises based on reasonable security concerns, provided however that Seller promptly informs Buyer of such concerns, and provided further that Seller agrees to work cooperatively with Buyer to address any such security concerns in a timely fashion and with the mutual goal of avoiding delay in the Buyer's removal of the Assets from the Premises. At Buyer's request, Seller shall also provide input to Buyer on individuals or companies, including Seller's former employees and contractors, who may be helpful in connection with the Disassembly and Removal.

(c) Maintenance Costs. The parties agree to allocate the maintenance costs during the Removal Period with respect to the Assets as provided on Exhibit G.

(d) Covenants of Buyer. Buyer hereby covenants and agrees that:

(i) Buyer will promptly after the Closing Date enter into an agreement to effectuate the Disassembly and Removal with removal vendors it will designate (collectively, the "Removal Vendor"), at Buyer's sole discretion.

(ii) Buyer shall effectuate the Disassembly and Removal in compliance with all applicable Laws and shall obtain any permits or consents required in connection with the Disassembly and Removal;

(iii) Buyer shall effectuate the Disassembly and Removal using qualified workers and contractors, and all work performed on or about the Premises in connection with the Disassembly and Removal shall be performed in a workmanlike manner, consistent with good industrial practice;

(iv) Buyer shall be solely responsible for the costs of Disassembly and Removal; and

(v) The insurance policies maintained by Buyer that cover the Assets shall provide that the insurers waive any rights of setoff, counterclaim, deduction or subrogation against Seller.

(e) Covenants of Seller. Seller hereby covenants and agrees that during the Removal Period:

(i) Seller will not sell, assign, transfer, lease, sublease, or otherwise convey any of its rights, claims and interest in, to and under the Premises during the Removal Period unless each new owner, assignee, transferee, lessee, sublessee or successor assumes all obligations of Seller under Exhibit G and under Sections 6.12(e) and 6.12(f).

(ii) Seller shall keep the Premises (including all related facilities infrastructure, systems and utilities), intact and maintain such Premises in good repair and operable condition in the ordinary course of business and consistent with Seller's past practices and the Tool Removal and Maintenance Procedures.

(iii) Seller shall provide and pay for all utilities, maintenance and other services required to secure and maintain the Premises and the Assets in accordance with the Tool Removal and Maintenance Procedures.

(iv) Seller shall keep all material Permits required to own, operate and/or lease the Premises and the Assets in full force and effect and will not take any action which would result in the revocation or modification of any such Permit.

(v) Seller shall (A) maintain security personnel and comply with security procedures at the Premises in the ordinary course of business and consistent with its past practices and the Tool Removal and Maintenance Procedures, and (B) limit access to the Premises and ensure that any third parties who enter the Premises to inspect or remove any asset of Seller that is not included in the Assets do not damage or disturb the Assets.

(vi) Seller will not move, remove, replace or otherwise alter the Assets without first obtaining Buyer's prior written consent.

(f) Insurance.

(i) Seller's Insurance. Seller shall during the Removal Period provide at its own cost and expense (including all premiums, fees, charges and deductibles) and maintain all (A) risk property insurance on a replacement value basis for direct physical loss of or damage to the Premises ("Property Insurance") and (B) comprehensive general liability insurance in an amount not less than \$10 million per occurrence for bodily injury, death and property damage resulting from the use, operation, ownership and possession of the Premises ("Liability Insurance") (and, if requested, Seller will provide Buyer with satisfactory evidence thereof). Such insurance policies shall be consistent with the then-current industry practice, containing such deductibles or other self-insurance retainage amounts consistent therewith and as are reasonably acceptable to Buyer. Such insurance policies shall be maintained with a financially sound and reputable insurer licensed to issue insurance policies in the United States (and which is reasonably acceptable to Buyer) and shall be subject to the following terms and conditions:

(A) The policies shall provide that the insurers waive any rights of setoff, counterclaim, deduction or subrogation against Buyer;

(B) The policies, or certificates thereof, shall provide that thirty (30) days prior to any cancellation, expiration, lapse of coverage, reduction of coverage or other material change in the policy, notices of same shall be given to Buyer in accordance with Section 10.7; and

(C) The policies shall provide that Seller shall prepay the premiums required by such policies through the expiration of the Removal Period.

(D) Seller agrees to maintain the insurance listed on Schedule 4.9 or replacement insurance that at a minimum has the characteristics described in Section 7.2(e). In the event that Seller procures such replacement insurance, Seller agrees to notify Buyer in writing of that fact. Buyer may deliver written notice to Seller requesting it to increase the minimum policy loss limit for such replacement insurance from \$250 million to \$500 million for a term specified by Buyer. Upon receipt of such written notice from Buyer, Seller shall promptly take all such actions necessary to effect such increase, and Buyer shall promptly reimburse Seller for the incremental premium cost increase resulting from such increase. Additionally, Seller agrees to work with Buyer in good faith to ensure that Buyer will effectively be able to realize the benefits of such insurance increase.

(ii) Workers' Compensation. Seller shall maintain Workers' Compensation Insurance and Employer's Liability Insurance for its employees in accordance with the laws of the Commonwealth of Virginia. In addition, Seller shall require each contractor or other third party service provider it engages to similarly maintain Workers' Compensation Insurance and Employees Liability Insurance in accordance with the laws of the Commonwealth of Virginia for all of the employees of such contractor or other third party service provider.

(iii) Insurance Maintained by Buyer Parties. Buyer shall maintain Workers' Compensation Insurance and Employer's Liability Insurance in accordance with applicable Law for its employees who are on the Premises. Buyer agrees that it shall require each contractor or other third party service provider it engages to remove the Assets maintain with financially sound and reputable insurers licensed to issue insurance policies in the United States the following insurance policies and coverage (and, if requested, will provide Seller with satisfactory evidence thereof): (A) general liability insurance with coverage of not less than \$10 million per occurrence on account of injury or damage to persons or property caused by any of the Buyer Parties; and (B) workers compensation insurance meeting all requirements of applicable Law for employees of the Buyer Parties.

(iv) Third Party Insurance. Seller shall require that any other Person entering the Premises to remove tools or other assets of Seller that are not included in the Assets shall maintain insurance policies in such amounts and on such terms and conditions not less favorable to Seller and the Premises as is specified herein and consistent with then-current industry standards.

(v) Risk of Loss. For insurance purposes, the risk of loss with respect to an Asset passes to Buyer at Closing.

(vi) Abandonment. Notwithstanding anything contained herein to the contrary, Buyer, in its sole discretion, shall have the right to abandon any Assets identified herein, other than those Assets listed on (i) Exhibit A-1 and (ii) Sections 2.1(a) and (b) of Exhibit A, without any obligation to remove or dispose of such Assets.

6.13 Use of Software. To the extent Seller has a legal right to do so without incurring cost or liability, at the Closing Seller will transfer to Buyer any and all rights Seller may have to software owned by Seller or licensed to Seller by any other Person under a fully paid-up license that is embedded in the Assets and that is necessary for the basic operation of the Assets. The parties understand and agree that Seller has no obligation to obtain any license, right, title or interest to such software for the benefit of Buyer.

(e) Seller shall have provided Buyer with an endorsement or other document naming Buyer as loss payee as its interest may appear under the insurance policies listed on Schedule 4.9 (or such replacement insurance policies having the following characteristics:

(c) Seller shall have received the other items to be delivered to it pursuant to Section 3.3.

Any condition specified in this Section 7.3 may be waived, in whole or in part, by Seller, provided that no such waiver shall be effective against Seller unless it is set forth in a writing executed by Seller.

8.1 Termination. This Agreement may be terminated prior to the Closing Date as follows:

(a) by mutual written consent of Seller and Buyer;

(b) by either party upon written notice to the other party, if the Closing has not occurred on or before October 31, 2009 (as may be extended by written agreement of the parties) (the "Termination Date"); provided that the Termination Date will be automatically extended to November 30, 2009 if Buyer is the "Successful Bidder" after the conclusion of the

“Auction”, as such terms are defined in the Bidding Procedures; and provided further that the party seeking to terminate this Agreement may not effect such termination if it is then in breach of its obligations hereunder in any material respect after giving effect to any applicable cure period;

(c) by either party, upon written notice to the other party, if (i) there shall be any Law or regulation that makes consummation of the transactions contemplated hereby illegal or otherwise prohibited or (ii) consummation of the transactions contemplated hereby would violate any nonappealable final order, decree or judgment of (A) the Bankruptcy Court or (B) any other court or governmental authority having competent jurisdiction;

ARTICLE IX SURVIVAL

9.1 Survival of Representations and Warranties.

(a) The representations and warranties of Seller in this Agreement and the Seller Ancillary Documents other than Sections 4.2, 4.3, 4.4, 4.10 and 4.13 of this Agreement shall not survive the Closing. Accordingly, except with respect to claims based on fraud or intentional misrepresentation, the sole and exclusive remedies for any breach of the terms and provisions of this Agreement and any certificates, documents or other agreements executed in connection with this Agreement (including any representations and

warranties set forth herein and therein) or any tort claims or causes of action that may be based upon, arise out of or relate to this Agreement and any certificates, documents or other agreements executed in connection with this Agreement, or the negotiation, execution or performance of this Agreement and any certificates, documents or other agreements executed in connection with this Agreement, shall be those remedies available at law or in equity for breach of contract only (as such contractual remedies may be further limited or excluded pursuant to the express terms of this Agreement or any certificates, documents or other agreements executed in connection with this Agreement).

EXHIBIT C

DEPOSIT ESCROW AGREEMENT

[See Attached]

DEPOSIT ESCROW AGREEMENT

THIS ESCROW AGREEMENT (this "Agreement") is dated as of the 19th day of August 2009, by and among Qimonda Richmond, LLC, a Delaware limited liability company (the "Seller"), and Texas Instruments Incorporated, a Delaware corporation (the "Purchaser"), and Wilmington Trust Company (the "Escrow Agent"), as escrow agent. Purchaser and Seller are sometimes referred to herein, collectively, as the "Interested Parties." Capitalized terms used and not defined herein shall have the respective meanings ascribed thereto in the Purchase Agreement (as defined below). The Escrow Agent shall be entitled to rely on the use of such terms in any communications received by it.

WHEREAS, Purchaser and Seller are parties to an Asset Purchase Agreement dated as of August 19, 2009 (the "Purchase Agreement"), pursuant to which an earnest money deposit in the amount of Seventeen Million Two Hundred Fifty Thousand Dollars (\$17,250,000) in cash (such amount, as it may be reduced as provided below, being referred to as the "Deposit") shall be paid by Purchaser simultaneously with the execution of the Purchase Agreement.

WHEREAS, the Interested Parties wish to engage the Escrow Agent to act, and the Escrow Agent is willing to act, as escrow agent hereunder and, in that capacity, to hold, administer and distribute the amounts deposited in escrow hereunder in accordance with, and subject to, the terms of this Agreement;

NOW THEREFORE, for valuable consideration, the receipt whereof is hereby acknowledged, the parties hereto agree as follows:

1. Deposit.

(a) Purchaser shall deliver the Deposit to the Escrow Agent simultaneously with the execution of the Purchase Agreement. The Deposit shall be applied towards the Purchase Price (or otherwise retained by Seller) or returned to Purchaser, as the case may be, in accordance with the terms set forth in the Purchase Agreement. The Deposit together with any interest, investment income or other proceeds received by the Escrow Agent from the investment thereof from time to time pursuant to Section 3 below, collectively, shall be known as the "Escrow Property." The Escrow Agent agrees to hold the Escrow Property in an account established with the Escrow Agent (the "Escrow Account"), and to administer the Escrow Property in accordance with the terms of this Agreement. If the Purchase Price provided in the Purchase Agreement is reduced pursuant to the Adjustment Mechanism, then the Deposit shall be reduced by an amount equal to ten percent (10%) of any such reduction in the Purchase Price (the "Deposit Reduction"), and Seller and Purchaser agree to promptly deliver to Escrow Agent joint written instructions that specify the dollar amount of such Deposit Reduction and direct the Escrow Agent to release the amount of the Deposit Reduction (along with the related Escrow Property) to Purchaser. Promptly following the receipt of such instructions (and in any event within three (3) business days of such receipt), the Escrow Agent shall release the Deposit Reduction (along with the related Escrow Property) to Purchaser.

2. Release from Escrow; Claims and Payments

(a) Upon the Closing, Seller and Purchaser shall jointly deliver written instructions to the Escrow Agent stating the occurrence of the Closing and requesting the release of the Deposit to Seller. Promptly following the receipt of such instructions (and in any event within three (3) business days of such receipt), the Escrow Agent shall release the Deposit (along with the related Escrow Property) to Seller.

(b) If the Purchase Agreement is terminated pursuant to Section 8.1(a) of the Purchase Agreement, then Purchaser and Seller shall jointly deliver written instructions to the Escrow Agent for the release of the Deposit (along with the related Escrow Property) to Purchaser, whereupon the Escrow Agent shall, within three (3) business days after receiving such notice, deliver the Deposit (along with the related Escrow Property) to Purchaser by wire transfer of immediately available funds to an account designated by Purchaser in the Deposit Escrow Agreement.

(c) If the Purchase Agreement is terminated pursuant to Section 8.1(b), (c), (d), (e) or (i) of the Purchase Agreement and not pursuant to Section 8.1(f), (g) or (h) of the Purchase Agreement, then Purchaser shall deliver written instructions to the Escrow Agent that (i) identify such Section by which the Purchase Agreement is being terminated and (ii) instruct the Escrow Agent to release the Deposit (along with the related Escrow Property) to Purchaser, whereupon the Escrow Agent shall, within three (3) business days after receiving such notice, deliver the Deposit (along with the related Escrow Property) to Purchaser by wire transfer of immediately available funds to an account designated by Purchaser in the Deposit Escrow Agreement.

(d) If Purchaser terminates the Purchase Agreement pursuant to Section 8.1(f) or (g) of the Purchase Agreement, then Purchaser shall deliver a claim notice (a "Purchaser Claim Notice") to Seller and the Escrow Agent for the release of the Deposit (along with the related Escrow Property) to Purchaser. Such Purchaser Claim Notice shall generally describe the basis for Purchaser's termination of the Purchase Agreement pursuant to Section 8.1(f) or (g) of the Purchase Agreement. If Seller disputes the validity of such Purchaser Claim Notice, Seller shall give written notice of such dispute to Purchaser, with a copy to the Escrow Agent, within ten (10) business days after the delivery of such Purchaser Claim Notice by Purchaser to Seller. If Seller fails to respond to such Purchaser Claim Notice within such ten (10) business day period or if Seller notifies the Escrow Agent that there is no dispute with respect to such Purchaser Claim Notice, then the Escrow Agent shall immediately give Seller written notice of the impending release of the Deposit to Purchaser and shall release the Deposit (along with the related Escrow Property) to Purchaser within five (5) business days following the expiration of such ten (10) business day period. To the extent that there is a dispute with a Purchaser Claim Notice, such dispute and release of the Deposit shall be settled in accordance with Section 2(f) below.

(e) If Seller terminates the Purchase Agreement, pursuant to Section 8.1(h) of the Purchase Agreement, then Seller shall deliver a claim notice (a "Seller Claim Notice") to Purchaser and the Escrow Agent for the release of the Deposit (along with the related Escrow Property) to Seller. Such Seller Claim Notice shall generally describe the basis for Seller's

termination of the Purchase Agreement. If Purchaser disputes the validity of such Seller Claim Notice, then Purchaser shall give written notice to Seller, with a copy to the Escrow Agent, within ten (10) business days after the delivery of such Seller Claim Notice by Seller to Purchaser. If Purchaser (A) fails to respond to such Seller Claim Notice within such ten (10) business day period or (B) notifies the Escrow Agent that there is no dispute with respect to such Seller Claim Notice, then the Escrow Agent shall immediately give Purchaser written notice of the impending release of the Deposit to Seller and shall release the Deposit (along with the related Escrow Property) to Seller within five (5) business days following the expiration of such ten (10) business day period. To the extent that there is a dispute with a Seller Claim Notice, such dispute and release of the Deposit shall be settled in accordance with Section 2(f) below.

(f) To the extent there is a dispute with respect a Purchaser Claim Notice or Seller Claim Notice, the Interested Parties shall use their reasonable efforts to resolve such dispute within ten (10) days after the delivery of the applicable Purchaser Claim Notice or Seller Claim Notice, as the case may be. To the extent such Interested Parties are able to resolve any such dispute within such ten (10) day period, the Interested Parties shall thereafter deliver joint written instructions to the Escrow Agent requesting the release of the Deposit to Purchaser or Seller, as the case may be, and promptly following the receipt of such instructions (and in any event within three (3) business days of such receipt), the Escrow Agent shall release the Deposit (along with the related Escrow Property) to Purchaser or Seller, as the case may be. If no such resolution can be reached after such negotiations during such ten (10) day period, such dispute shall be resolved in accordance with Section 10.12 of the Purchase Agreement. Upon any such resolution in accordance with Section 10.12 of the Purchase Agreement, the Interested Parties shall thereafter deliver joint written instructions to the Escrow Agent requesting the release of the Deposit to Purchaser or Seller, as the case may be, and promptly following the receipt of such instructions (and in any event within three (3) business days of such receipt), the Escrow Agent shall release the Deposit (along with the related Escrow Property) to Purchaser or Seller, as the case may be, in accordance with such joint instructions.

3. Investment of Funds. The Escrow Agent shall, as soon as reasonably practical after it receives the Escrow Deposit from Purchaser, invest the Escrow Property, at the joint written direction of Seller and Purchaser, in bank money market accounts, bank short-term certificates of deposit, short-term United States Government securities, or other interest-bearing accounts and funds, provided that any such certificates of deposit and short-term securities shall have a maturity not more than five (5) days after purchase. Absent its timely receipt of such specific written investment instruction from Seller and Purchaser, the Escrow Agent shall invest all of the Escrow Deposit in the Service class shares of the U.S. Government Portfolio of the Wilmington family of mutual funds for which the Escrow Agent or any affiliate of the Escrow Agent may serve as investment advisor or other service provider. Seller acknowledges that shares in this mutual fund are not obligations of Escrow Agent, are not deposits, and are not insured by the FDIC. Escrow Agent or its affiliates are compensated by these mutual funds for services rendered in its capacity as investment advisor, custodian, and/or transfer agent. Escrow Agent or its affiliates are also compensated by these mutual funds for providing shareholder services, and such compensation is both described in detail in the prospectus for the fund and is in addition to the compensation paid to Escrow Agent hereunder. The Escrow Agent shall not be responsible for any loss suffered from any investment, including, without limitation, any market loss on any investment liquidated prior to maturity in order to make a payment required

hereunder, except any loss resulting from its gross negligence, willful misconduct or failure to invest the Escrow Property in accordance with the written direction of Seller and Purchaser provided pursuant to this Section 3. All earnings received from the investment of the Escrow Property shall be credited to, and shall become a part of, the Escrow Account (and any losses on such investments shall be debited to the Escrow Account).

4. Interest, Etc.

(a) The Interested Parties hereto agree that (i) the Escrow Account established by this Agreement shall be treated for federal income tax purposes as a trust, all of which is deemed to be owned by Seller, under subpart E of Part I of subchapter J of the Internal Revenue Code of 1986, as amended (the "Code"), and (ii) Seller shall report for federal, state and local income tax purposes all income or other tax items derived from the investment of or otherwise with respect to the Escrow Property.

(b) Upon disbursement of any portion of the Escrow Property (i) to Purchaser, the Escrow Agent shall disburse to Purchaser any interest or other income earned with respect to the portion so disbursed and such payments shall be treated for tax purposes as an expense of Seller and as income to Purchaser, and (ii) to Seller, the Escrow Agent shall disburse to Seller any interest, investment income or other proceeds earned with respect to the portion so disbursed.

5. Certification of Taxpayer Identification Number and Withholding.

(a) Each of the Interested Parties agrees to provide the Escrow Agent with (i) its certified tax identification number by signing and returning a Form W-9 to the Escrow Agent upon the execution and delivery of this Agreement. The Interested Parties understand that, in the event their tax identification numbers are not certified to the Escrow Agent, the Code, as amended from time to time, may require withholding of a portion of any interest or other income earned on the investment of the Escrow Property.

(b) The Escrow Agent shall deduct and withhold from the consideration otherwise payable pursuant to this Agreement to Purchaser or Seller such amounts as the Escrow Agent is required to deduct and withhold with respect to the making of such payment under any provision of federal, state, local or foreign tax law.

6. Concerning the Escrow Agent.

(a) Each Interested Party acknowledges and agrees that the Escrow Agent (i) shall not be responsible for any of the agreements (other than this Agreement) referred to or described herein (including without limitation the Purchase Agreement), or for determining or compelling compliance therewith, and shall not otherwise be bound thereby, (ii) shall be obligated only for the performance of such duties as are expressly and specifically set forth in this Agreement on its part to be performed, each of which is ministerial (and shall not be construed to be fiduciary) in nature, and no implied duties or obligations of any kind shall be read into this Agreement against or on the part of the Escrow Agent, (iii) shall not be obligated to take any legal or other action hereunder which might in its judgment involve or cause it to incur any expense or liability unless it shall have been furnished with acceptable indemnification, and

(iv) may consult counsel satisfactory to it, including in-house counsel, and the written opinion or advice of outside counsel in any instance shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in accordance with the written opinion or advice of such outside counsel, except in the case of the Escrow Agent's gross negligence or willful misconduct.

(b) The Escrow Agent shall not be liable to anyone for any action taken or omitted to be taken by it hereunder except in the case of the Escrow Agent's gross negligence or willful misconduct in breach of the terms of this Agreement. In no event shall the Escrow Agent be liable for indirect, punitive, special or consequential damage or loss (including but not limited to lost profits) whatsoever, even if the Escrow Agent has been informed of the likelihood of such loss or damage and regardless of the form of action.

(c) The Escrow Agent is hereby authorized, in making or disposing of any investment permitted by this Agreement, to deal (on terms no less favorable than could be obtained on an arms length basis with a third party) with itself (in its individual capacity) or with any one or more of its affiliates, whether it or such affiliate is acting as a subagent of the Escrow Agent or for any third person or dealing as principal for its own account.

(d) Notwithstanding any term appearing in this Agreement to the contrary, in no instance shall the Escrow Agent be required or obligated to distribute any Escrow Property (or take other action that may be called for hereunder to be taken by the Escrow Agent) sooner than one (1) business day after (i) it has received the applicable documents required under this Agreement in good form, or (ii) passage of the applicable time period (or both, as applicable under the terms of this Agreement), as the case may be.

(e) Unless and except to the extent otherwise expressly set forth herein, all deposits and payments hereunder, or pursuant to the terms hereof (including without limitation all payments to the Escrow Agent pursuant to Section 8), shall be in U.S. dollars.

(f) The Escrow Agent may act in reliance upon any writing or instrument or signature which it, in good faith, believes to be genuine, and may assume the validity and accuracy of any statement or assertion contained in such a writing or instrument and may assume that any person purporting to give any writing, notice, advice or instruction in connection with the provisions hereof has been duly authorized to do so.

(g) The Escrow Agent shall not be required to use its own funds in the performance of any of its obligations or duties or the exercise of any of its rights or powers, and shall not be required to take any action which, in Escrow Agent's sole and absolute judgment, could involve it in expense or liability unless furnished with security and indemnity which it deems, in its sole and absolute discretion, to be satisfactory.

(h) In the event that the Escrow Agent should at any time be confronted with inconsistent or conflicting claims or demands by the parties hereto, the Escrow Agent shall have the right to interplead said parties in any court of competent jurisdiction and request that such court determine such respective rights of the parties with respect to this Escrow Agreement, and upon doing so, the Escrow Agent shall be released from any obligations or liability to either

party as a consequence of any such claims or demands. If there shall be any disagreement between any of the parties to this Agreement, or between them or either of any of them and any other person, resulting in adverse claims or demands being made in connection with this Agreement or the Escrow Property, or in the event that the Escrow Agent, in good faith, shall be in doubt as to what action it should take hereunder, the Escrow Agent may, at its option, refuse to comply with any claims or demands on it or refuse to take any other action hereunder, and in any such event, the Escrow Agent shall not be or become liable in any way or to any person for its failure or refusal to act, and the Escrow Agent shall be entitled to continue to so refrain from acting until the Escrow Agent receives (i) joint written instructions signed by Purchaser and Seller, or (ii) a binding arbitration order or final non-appealable order of a court of competent jurisdiction (in either case, with the time for all appeals therefrom having expired with no appeal being taken directing delivery of the Escrow Property, in which event the Escrow Agent shall deliver the Escrow Property in accordance with such order or instructions).

(i) The Escrow Agent may execute any of its powers or responsibilities hereunder and exercise any rights hereunder, either directly or by or through its agents or attorneys. Nothing in this Escrow Agreement shall be deemed to impose upon the Escrow Agent any duty to qualify to do business or to act as fiduciary or otherwise in any jurisdiction other than the State of Delaware. The Escrow Agent shall not be responsible for and shall not be under a duty to examine into or pass upon the validity, binding effect, execution or sufficiency of this Escrow Agreement or of any agreement amendatory or supplemental hereto.

(j) Unless specifically required by this Agreement or by law, the Escrow Agent shall not be required to give any bond or surety or report to any court despite any custom to the contrary and the Escrow Agent, if required to give any such bond or surety, shall have a lien against the Escrow Property in the amount thereof.

(k) In the event any amount of Escrow Property released to Purchaser or Seller pursuant to this Agreement is invalidated, declared to be fraudulent or preferential or must otherwise be restored or returned by the Escrow Agent in connection with the insolvency, bankruptcy or reorganization of any party or other person, whether by order of or settlement before any court or other authority or otherwise, such party shall contribute back to the Escrow Agent an amount such that each party will be affected by that invalidation, declaration, restoration or return ratably in proportion to the distributions it received under this Agreement, together with any related assignment, release or other instrument or document the Escrow Agent may request to restore the status quo ante.

7. Compensation, Expense Reimbursement and Indemnification.

(a) The actual and reasonable outside counsel's fees and expenses the Escrow Agent incurs in connection with the preparation of this Agreement and the Escrow Agent's compensation for its normal services hereunder in accordance with the fee schedule attached hereto as Exhibit A and made a part hereof will be paid out of the Escrow Account. If the Escrow Account is insufficient to pay such fees, expenses and compensation, then the Interested Parties jointly and severally agree to pay or reimburse the Escrow Agent for such fees, expenses and compensation. In the event the Escrow Agent renders any extraordinary services in connection with the Escrow Account at the request of the Interested Parties, the Escrow Agent

shall be entitled to reasonable additional compensation therefore. The Escrow Agent shall have a first lien against the Escrow Account to secure the obligations of Purchaser and Seller hereunder. The terms of this paragraph shall survive termination of this Agreement.

(b) The Interested Parties jointly and severally agree to reimburse the Escrow Agent on demand for all reasonable and customary costs and expenses incurred in connection with the administration of this Agreement or the escrow created hereby or the performance or observance of its duties hereunder which are in excess of its compensation for normal services hereunder, including without limitation, payment of any reasonable legal fees and reasonable expenses incurred by the Escrow Agent in connection with resolution of any claim by any party hereunder.

(c) The Interested Parties covenant and agree jointly and severally to indemnify the Escrow Agent (and its directors, officers and employees) and hold it (and such directors, officers and employees) harmless from and against any loss, liability, damage, cost and expense of any nature incurred by the Escrow Agent arising out of or in connection with this Agreement or with the administration of its duties hereunder, including but not limited to attorney's fees and other costs and expenses of outside counsel defending or preparing to defend against any claim of liability unless and except to the extent such loss, liability, damage, cost and expense shall be caused by the Escrow Agent's gross negligence, or willful misconduct. The Escrow Agent shall have a first lien against the Escrow Account to secure the obligations of the parties hereunder. The foregoing indemnification and agreement to hold harmless shall survive the termination of this Agreement.

(d) Without altering or limiting the joint and several liability of any of the Interested Parties to the Escrow Agent hereunder, each of the Interested Parties agrees as between themselves that amounts payable to the Escrow Agent pursuant to this Section 7 shall be borne solely by the party to whom the Deposit is paid pursuant to Section 2.1(b) of the Purchase Agreement; provided, however, that amounts payable to the Escrow Agent pursuant to Section 7(c) shall be shared equally by the Interested Parties

8 Tax Indemnification. Each of the Interested Parties agrees, severally and not jointly, (i) to instruct the Escrow Agent in writing with respect to the Escrow Agent's responsibility for withholding and other taxes, assessments or other governmental charges, and to instruct the Escrow Agent with respect to any certifications and governmental reporting that may be required under any laws or regulations that may be applicable in connection with its acting as Escrow Agent under this Agreement and (ii) except for any liability or obligation that results from the gross or willful negligence or willful misconduct of the Escrow Agent to indemnify and hold the Escrow Agent harmless from any liability or obligation on account of taxes, (other than income taxes of the Escrow Agent) assessments, additions for late payment, interest, penalties, expenses and other governmental charges that may be assessed or asserted against the Escrow Agent in connection with, on account of or relating to the Escrow Property, the management established hereby, any payment or distribution of or from the Escrow Property pursuant to the terms hereof or other activities performed under the terms of this Agreement, including without limitation any liability for the withholding or deduction of (or the failure to withhold or deduct) the same, and any liability for failure to obtain proper certifications or to report properly to governmental authorities in connection with this Agreement, including costs and expenses

(including reasonable legal fees and expenses of outside counsel), interest and penalties. The foregoing indemnification and agreement to hold harmless shall survive the termination of this Agreement.

9. Resignation. The Escrow Agent may at any time resign as Escrow Agent hereunder by giving thirty (30) days prior written notice of resignation to the Interested Parties. Prior to the effective date of the resignation as specified in such notice, the Interested Parties will issue to the Escrow Agent written instructions authorizing redelivery of the Escrow Property to a bank or trust company that they select as successor to the Escrow Agent hereunder. If, however, the Interested Parties shall fail to name such a successor escrow agent within twenty (20) days after the notice of resignation from the Escrow Agent, the Escrow Agent may apply to a court of competent jurisdiction for appointment of a successor escrow agent.

10. Dispute Resolution. It is understood and agreed that, should any dispute arise with respect to the delivery, ownership, right of possession, and/or disposition of the Escrow Property, or should any claim be made upon the Escrow Agent or the Escrow Property by a third party, the Escrow Agent upon receipt of notice of such dispute or claim is authorized and shall retain in its possession without liability to anyone, all or any of said Escrow Property until such dispute shall have been settled either by the mutual written agreement of the parties involved, by a final order, decree or judgment of the Bankruptcy Court, the time for perfection of an appeal of such order, decree or judgment having expired. The Escrow Agent may, but shall be under no duty whatsoever to, institute or defend any legal proceedings which relate to the Escrow Property.

11. Consent to Jurisdiction and Service. Each of the Interested Parties hereby absolutely and irrevocably consents and submits to the jurisdiction of the Bankruptcy Court in connection with any actions or proceedings brought against the Interested Parties (or any of them) by the Escrow Agent arising out of or relating to this Agreement. In any such action or proceeding, the Interested Parties each hereby absolutely and irrevocably (i) waives any objection to jurisdiction or venue, (ii) waives personal service of any summons, complaint, declaration or other process, and (iii) agrees that the service thereof may be made by certified or registered first-class mail directed to such party, as the case may be, at their respective addresses in accordance with Section 15 hereof. Notwithstanding the preceding sentence, with respect to any actions or proceedings brought by one of the Interested Parties against the other Interested Party arising out of or relating to this Agreement (including the distribution of funds held in escrow in accordance with the Purchase Agreement), each of the Interested Parties agrees that such dispute shall be settled in the manner provided in the Purchase Agreement.

12. Waiver of Jury Trial. THE ESCROW AGENT AND THE INTERESTED PARTIES HEREBY WAIVE A TRIAL BY JURY OF ANY AND ALL ISSUES ARISING IN ANY ACTION OR PROCEEDING BETWEEN THE ESCROW AGENT AND THE INTERESTED PARTIES OR THEIR RESPECTIVE SUCCESSORS OR ASSIGNS, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR ANY OF ITS PROVISIONS OR ANY NEGOTIATIONS IN CONNECTION HEREWITH.

13. Force Majeure. The Escrow Agent shall not be responsible for delays or failures in performance resulting from acts beyond its control. Such acts shall include but not be limited

to (i) acts of God, riots, acts of war, epidemics, earthquakes or other natural disasters and (ii) to the extent a loss, liability, damage, cost and expense is not caused by the Escrow Agent's gross negligence or willful misconduct, fire, communication line failures, computer viruses, power failures, terrorist attacks, strikes and lockouts or any delay, error, omission or default of any mail, courier, facsimile or wireless agency or operator, (iii) the failure or neglect of the parties hereto or any of their agents; or (iv) the acts, regulations or edicts of any government or governmental agency or other group or entity exercising governmental powers.

14. Anti-Terrorism/Anti-Money Laundering Laws. To help the United States government fight the funding of terrorism or money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens a new account. What this means for the parties to this Agreement: the Escrow Agent will ask for the name, address, date of formation, and other information that will allow the Escrow Agent to identify each of the Interested Parties (e.g., tax identification number.) The Escrow Agent may also ask to see other identifying documents (e.g., evidence of formation of corporation, limited liability company, limited partnership, etc., certificate of good standing. Each of the Interested Parties hereby agrees to provide the Escrow Agent, prior to the establishment of the Escrow Account, with the identification information identified above pertaining to it by completing the form attached as Exhibit B and returning it to the Escrow Agent

15. Notices; Wiring Instructions.

(a) Notice Addresses. Any notice permitted or required hereunder shall be in writing, and shall be sent (i) by personal delivery, overnight delivery by a recognized courier or delivery service, or (ii) mailed by registered or certified mail, return receipt requested, postage prepaid, or (iii) by confirmed telecopy accompanied by mailing of the original on the same day by first class mail, postage prepaid, in each case the parties at their address set forth below (or to such other address as any such party may hereafter designate by written notice to the other parties); provided, however, that no notice to the Escrow Agent shall be deemed duly given or made until actually received by the Escrow Agent.

(g) Entire Agreement. This Agreement constitutes the entire understanding and agreement of the parties hereto with respect to the subject matter hereof and supersedes all prior agreements and understandings, written or oral, between the parties hereto with respect to the subject matter hereof.

EXHIBIT E

THE BIDDING PROCEDURES

[See Attached]

EXHIBIT E

THE BIDDING PROCEDURES

Set forth below are the bidding procedures (the "Bidding Procedures") to be employed with respect to the proposed sale (the "Proposed Sale") of certain assets of Qimonda Richmond LLC (the "Debtor"). The Debtor will seek entry of an order from the Bankruptcy Court for the District of Delaware (the "Bankruptcy Court") authorizing and approving the Proposed Sale to the Buyer (defined below) or to another Qualified Bidder (defined below) that is determined to have made the highest, best or otherwise financially superior offer (the "Sale Transaction"). Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to them in the Bidding Procedures Order and the Purchase Agreement (each as defined below, as applicable).

Asset Purchase Agreement

On August 19, 2009, the Debtor entered into an asset purchase agreement (the "Purchase Agreement") with Texas Instruments Incorporated (the "Buyer"). Pursuant to the Purchase Agreement, the Buyer proposes to acquire the Assets (as defined in the Purchase Agreement) free and clear of Encumbrances (as defined in the Purchase Agreement).

Recognizing the Buyer's expenditure of significant time, energy, and resources, the Debtor has agreed to provide certain bidding protections to the Buyer. Specifically, the Debtor has determined that the Purchase Agreement furthers the goals of the Bidding Procedures by setting a floor by which all other Qualified Bids (defined below) must exceed. As a result, in accordance with Section 6.7 of the Purchase Agreement, the Debtor has agreed that if the Buyer is not the Successful Bidder (defined below), the Debtor will, in certain circumstances, reimburse the Buyer for certain of its expenses of up to \$750,000 (the "Expense Reimbursement") and pay to the Buyer a breakup fee equal to Four Million Three Hundred Twelve Thousand Five Hundred Dollars (\$4,312,500) (the "Breakup Fee"). The Buyer will have an opportunity to "credit bid" such Breakup Fee in any subsequent bids it elects to make in the Auction (defined below).

The Buyer is a Qualified Bidder (defined below), and the Purchase Agreement is a Qualified Bid (defined below). The Buyer's offer to purchase the Assets as set forth in the Purchase Agreement may be terminated by the Buyer pursuant to the terms and conditions set forth in Section 8.1 of the Purchase Agreement.

The Bidding Process

On July 21, 2009, the Bankruptcy Court entered an Order Granting Debtors' Motion, Pursuant to Sections 105(a), 105(d) and 363(b) of the Bankruptcy Code, for Entry of an Order Approving Bidding Protection Procedures and Bidding Procedures in Connection with the Sale of Certain Assets of the Debtors (Docket No. 511) (the "Bidding Procedures Order").

Subject to the Bidding Procedures Order, the Debtor and its advisors shall (i) determine whether any bid for the Assets is a Qualified Bid, (ii) coordinate the efforts of Qualified Bidders in conducting their due diligence investigations, (iii) receive offers from Qualified Bidders, and (iv) negotiate in good faith any offers made to purchase the Assets

(collectively, the “Bidding Process”). The Debtor shall consult with certain restricted members of the Official Committee of Unsecured Creditors (the “Committee”) and its professionals and comply with the GECC Consultation Right (as defined below), regarding the Debtor’s determination as to whether bids are Qualified Bids and bidders are Qualified Bidders. Only Qualified Bidders may participate in the Bidding Process and bid at the Auction. Neither the Debtor nor its representatives shall be obligated to furnish information of any kind whatsoever to any person that is not a Qualified Bidder, and the Debtor and its professionals shall use good faith efforts to provide all Qualified Bidders with substantially similar information. The Debtors, after consultation with the Committee’s professionals, shall have the right to adopt such other rules for the Bidding Process (so long as such rules are not materially inconsistent with those set forth herein and in the Purchase Agreement) that promote the goals of the Bidding Process.

Participation Requirements

Any person that wishes to participate in the Bidding Process (a “Potential Bidder”) must become a “Qualified Bidder”. As a prerequisite to becoming a Qualified Bidder (and thus, among other things, prior to being able to conduct due diligence), a Potential Bidder must deliver (unless previously delivered) to the Debtor, on or before September 21, 2009 at 4:00 p.m. (prevailing New York City time) :

- (i) An executed confidentiality agreement in form and substance acceptable to the Debtor; and
- (ii) Sufficient information, as requested by the Debtor, to allow the Debtor to determine that the Potential Bidder has the financial wherewithal and any required authorizations to close the Sale Transaction, including, but not limited to, current audited financial statements (or such other form of financial disclosure and credit-quality support or enhancement acceptable to the Debtor) of the Potential Bidder or of those entities that will guarantee the obligations of the Potential Bidder.

A Qualified Bidder is a Potential Bidder that (a) delivers the documents described in subparagraphs (i) - (ii) above, (b) individually offers, or offers in combination with other bidders (subject to the restrictions contained herein), to purchase all of the Assets (as defined in the Purchase Agreement) and not some subset or portion of the Assets, and (c) that the Debtor determines is reasonably likely (based on financial information submitted by the Potential Bidder, the availability and amount of financing, experience and other considerations deemed relevant by the Debtor) to submit a bona fide offer and to be able to consummate a sale of the Assets if selected as a Successful Bidder.

Notwithstanding anything herein to the contrary, (i) General Electric Capital Corporation (“GECC”) shall be deemed a Qualified Bidder, (ii) if GECC submits all Required Bid Documents in accordance with the terms of the Bid Procedures, such a bid submitted by GECC shall be deemed a Qualified Bid, and (iii) GECC shall have the right to submit a credit bid pursuant to section 363(k) of the Bankruptcy Code for GECC Equipment (as defined in the Bidding Procedures Order).

The Debtor shall consult with the Committee's professionals and restricted members and comply with the GECC Consultation Right in connection with the Debtor's determinations as to whether a Potential Bidder is a Qualified Bidder. No later than seven (7) business days after a Potential Bidder delivers all of the materials required by subparagraphs (i) - (ii) above, the Debtor shall determine, and shall notify the Potential Bidder, if such Potential Bidder is a Qualified Bidder.

Due Diligence

The Debtor may afford any Qualified Bidder the time and opportunity to conduct reasonable due diligence; provided, however, that the Debtor shall not be obligated to furnish any due diligence information after the Bid Deadline (defined below). The Debtor will designate an employee or other representative to coordinate all reasonable requests for additional information and due diligence access from such Qualified Bidders. Neither the Debtor nor any of its respective representatives are obligated to furnish any information to any person other than a Qualified Bidder.

Bid Deadline

A Qualified Bidder that desires to make a bid shall deliver written copies of its bid to (i) Qimonda North America Corp., 4721 Emperor Boulevard, Suite 110, Durham, N.C. 27703 (Attn: Miriam Martinez and Scott Ryan); (ii) Advanced Technology Resource Group of CMN Inc. d/b/a Collier International, 601 Union Street, Suite 5300, Seattle, Washington 98101 (Attn: Nick Papa); and (iii) Simpson Thacher & Bartlett LLP, 425 Lexington Avenue, New York, New York 10017 (Attn: Morris J. Massel and D. Rhett Brandon), not later than 4:00 p.m. (prevailing New York City time) on September 21, 2009 (the "Bid Deadline")

Bid Requirements

All initial bids must include the following documents (the "Required Bid Documents"):

- The identity of the bidder and the officer(s) or authorized agent(s) who will appear on behalf of such bidder;
- A purchase price, the value of which is determined by the Debtor (after consultation with the Committee's professionals and restricted members and compliance with the GECC Consultation Right) to be at least equal to or greater than the purchase price in the Purchase Agreement for the applicable Assets bid on plus \$5,500,000 (the "Initial Incremental Bid Amount");
- A letter stating that the bidder's offer is irrevocable until October 31, 2009 (as may be extended by written agreement of the parties) (the "Termination Date"); provided that the Termination Date will be automatically extended to November 30, 2009 if such bidder is the Successful Bidder after the conclusion of the Auction;

- An executed copy of a purchase agreement pursuant to which the Qualified Bidder proposes to acquire the Assets, which purchase agreement shall include the Termination Date; provided that the Termination Date will be automatically extended to November 30, 2009 if such bidder is the Successful Bidder after the conclusion of the Auction;
- A good-faith, cash deposit, which shall be made with the Debtor's escrow agent upon the submission of a Qualified Bid in an amount equal to at least 10% of the purchase price set forth in the applicable purchase agreement for such Qualified Bidder (the "Good Faith Deposit"); provided that for a GECC credit bid pursuant to section 363(k) of the Bankruptcy Code, the Good Faith Deposit shall only be a reduction of GECC's allowed secured claim by an amount equal to 10% of the purchase price set forth in GECC's purchase agreement, which shall be the sole and exclusive remedy in law, equity or otherwise for any and all breaches by GECC of the executed purchase agreement pursuant to which GECC proposes to acquire the applicable Assets in accordance with these Bidding Procedures;
- Written evidence of a commitment for financing or other evidence of the ability to consummate the sale satisfactory to the Debtor, with appropriate contact information for such financing sources, provided that for any bid that is entirely financed as a credit bid pursuant to section 363(k) of the Bankruptcy Code, no such evidence shall be required;
- A redline of bidder's proposed purchase agreement over that of the Purchase Agreement; and
- A redline of bidder's proposed form of sale order over the form of such order attached to the Purchase Agreement.

A bid received from a Qualified Bidder that includes all of the Required Bid Documents and meets all of the above requirements is a "Qualified Bid". Promptly upon receipt of the Required Bid Documents by the Debtor from any Qualified Bidder, the Debtor shall provide a copy of such Required Bid Documents to the Buyer.

The Debtor reserves the right to determine, after consultation with the Committee's professionals and restricted members and compliance with the GECC Consultation Right, the value of any Qualified Bid(s) for the Assets, and which Qualified Bid(s) constitutes the highest, best or otherwise financially superior offer to purchase the Assets. Proposals will be evaluated on numerous grounds; however, proposals that are unconditional and contemplate sales of the Assets that may be consummated on or soon after the Sale Hearing are preferred.

"As Is, Where Is"

The sale of the Assets shall be on an "as is, where is" basis and without representations or warranties of any kind, nature or description by the Debtor, its agents or its estate except to the extent set forth in the Purchase Agreement or the purchase agreement of

another Successful Bidder. By submitting a bid, each Qualified Bidder shall be deemed to acknowledge and represent that it has had an opportunity to conduct any and all due diligence regarding the Assets prior to making its offer, that it has relied solely upon its own independent review, investigation and/or inspection of any documents and/or the Assets in making its bid, and that it did not rely upon any written or oral statements, representations, promises, warranties or guaranties whatsoever, whether express, implied, by operation of law or otherwise, regarding the Assets, or the completeness of any information provided in connection therewith or the Auction, except as expressly stated in the Bidding Procedures Order or these Bidding Procedures or, (i) as to the Buyer, as expressly set forth in the Purchase Agreement and ancillary documents, or (ii) as to another Successful Bidder, as expressly set forth in the applicable purchase agreement and ancillary documents.

Free Of Any And All Encumbrances

Except as otherwise provided in the Purchase Agreement or another Successful Bidder's purchase agreement, all of Debtor's right, title and interest in and to the Assets subject thereto shall be sold free and clear of Encumbrances, with such Encumbrances to attach to the net proceeds of the sale of the Assets with the same validity and priority as such Encumbrances applied against the Assets. Nothing herein shall prevent any party in interest from objecting to the Bankruptcy Court's approval of such purchase agreement.

Auction

If a Qualified Bid other than that submitted by the Buyer has been received by the Debtor, the Debtor shall conduct an auction (the "Auction") with respect to the Assets. The Auction shall commence on September 23, 2009 at 10:00 a.m. (prevailing New York City time). The Debtor shall notify all Qualified Bidders that have submitted Qualified Bids of the time and place of the Auction.

Only a Qualified Bidder that has submitted a Qualified Bid is eligible to participate at the Auction. During the Auction, bidding shall begin initially with the highest Qualified Bid(s) as determined by the Debtor (after consultation with the Committee's professionals and restricted members) and subsequently continue in minimum increments of at least \$1,000,000.

At the conclusion of the Auction, the Debtor (after consultation with the Committee's professionals and restricted members and compliance with the GECC Consultation Right) shall identify the highest, best or otherwise financially superior offer for the Assets (the "Successful Bid(s)"), and the entity submitting such Successful Bid, the "Successful Bidder"), which highest, best or otherwise financially superior offer will provide the greatest amount of net value to the Debtor, and advise the Qualified Bidders of such determination. The Qualified Bidder whose final bid is deemed to be highest and best following the conclusion of the Auction will be the "Successful Bidder", and such bid, the "Successful Bid". Immediately after the announcement of the Successful Bid, the Successful Bidder shall execute and deliver a purchase agreement incorporating the price and terms offered in the Successful Bid (the "Final Sale Agreement"). Upon submission of the Final Sale Agreement by the Successful Bidder, the

Debtor will execute the Final Sale Agreement and shall seek Bankruptcy Court approval of the Final Sale Agreement at a hearing before the Bankruptcy Court.

Acceptance of Qualified Bids

The Debtor shall sell the Assets to the Successful Bidder upon the approval of the Successful Bid by the Bankruptcy Court after a hearing (the "Sale Hearing") and any and all liens on the Assets shall attach to the proceeds of the sale with the same validity and priority as such liens applied against the Assets. The Debtor's presentation of the Successful Bid to the Bankruptcy Court for approval does not constitute the Debtor's acceptance of the bid. The Debtor will be deemed to have accepted a bid only when the bid has been approved by the Bankruptcy Court at the Sale Hearing. All interested parties reserve their right to object to the Debtor's selection of the Successful Bidder.

Sale Hearing

The Sale Hearing shall be conducted by the Bankruptcy Court on September 24, 2009 at 10:30 a.m. (prevailing New York City time). Following the approval of the sale of the Assets to the Successful Bidder at the Sale Hearing, if such Successful Bidder fails to consummate an approved sale within ten (10) business days after entry of an Order approving the Sale, the Debtor shall be authorized (after consultation with the Committee's professionals and compliance with the GECC Consultation Right), but not required, to deem the next highest or otherwise best Qualified Bid, as disclosed at the Sale Hearing, the Successful Bid, and the Debtor (after consultation with the Committee's professionals and compliance with the GECC Consultation Right) shall be authorized, but not required, to consummate the sale with the Qualified Bidder submitting such bid without further order of the Bankruptcy Court.

No Combination Bidding

Qualified Bidders may not form joint ventures or partnerships to submit bids with respect to the Sale Transaction, without the prior written consent of the Debtor. Without limiting the generality of the foregoing, separate bidders on any Sale Transaction may not combine their bids without the prior written approval of the Debtor.

Return of Good Faith Deposit

As noted above, all Qualified Bidders will be required to submit the Good Faith Deposit with the Debtor's escrow agent upon the submission of a Qualified Bid in the amount set forth in (i) the Purchase Agreement with respect to the Buyer and (ii) the applicable purchase agreement with respect to another Qualified Bidder. The Buyer's Deposit (as defined in the Purchase Agreement) shall be held in an interest-bearing account as specified in the Deposit Escrow Agreement (as defined in the Purchase Agreement) and will be returned to Buyer pursuant to the terms and conditions set forth in Section 2.1(b) of the Purchase Agreement. Good Faith Deposits of all other Qualified Bidders shall be held in an interest-bearing account until a proposal is no longer irrevocable as provided herein, at which time they will be returned to the Qualified Bidder (or in the case of a GECC credit bid pursuant to section 363(k) of the Bankruptcy Code, no reduction of GECC's allowed secured claim); provided, however, that if a Successful Bidder fails to consummate an approved sale solely because of a breach or failure to

perform on the part of such Successful Bidder, the Debtor will not have any obligation to return the Good Faith Deposit deposited by such Successful Bidder (or in the case of a GECC credit bid pursuant to section 363(k) of the Bankruptcy Code, GECC's allowed secured claim shall be reduced by an amount equal to 10% of the purchase price set forth in GECC's purchase agreement), and such Good Faith Deposit shall irrevocably become the property of the Debtor.

The Committee and GECC

The Debtor shall provide to the Committee's professionals information, which information may be shared with restricted members of the Committee, regarding the qualification of bidders and such other information related to the sale of the Assets as may be reasonably requested by the Committee. Throughout the process, the Debtor shall consult with the Committee's restricted members and its professionals as provided herein.

The term "GECC Consultation Right" shall mean, if any GECC Equipment is proposed to be sold, that the Debtor (i) shall provide to GECC information regarding the qualification of bidders and such other information related to the sale of the Assets as may be reasonably requested by GECC and (ii) shall consult with GECC throughout the process as provided herein; provided, however, the Debtor shall not be required to consult with GECC if (y) GECC submits a Qualified Bid, or (z) GECC asserts that it has submitted a Qualified Bid, until such time as GECC's assertions are overruled by the Bankruptcy Court.

Bankruptcy Court Oversight

The Bankruptcy Court shall decide any controversy regarding the qualification of bidders and the valuation of bids.

Reservation of Rights

The Debtor reserves the right to (i) determine in its reasonable discretion (after consultation with the Committee's professionals and restricted members and compliance with the GECC Consultation Right) which offer for the Assets is the highest or otherwise best offer and (ii) reject at any time prior to entry of a Bankruptcy Court order approving an offer for the Assets, without liability, any offer that the Debtor in its reasonable discretion (after consultation with the Committee's professionals and restricted members and compliance with the GECC Consultation Right) deems to be (x) inadequate or insufficient, (y) not in conformity with the requirements of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules or procedures set forth therein or herein, or (z) contrary to the best interests of the Debtor and its estate.

The selection of a Successful Bidder shall be within the reasonable business judgment of the Debtor (after consultation with the Committee's professionals and restricted members and compliance with the GECC Consultation Right) and subject to the approval of the Bankruptcy Court, and economic considerations may not be the sole criteria upon which the Debtor may base its decision. In assessing whether a proposal constitutes a higher or otherwise better offer, the Debtor may consider, among other things, the net economic effect upon the Debtor's estate. The presentation of a particular proposal to the Bankruptcy Court for approval does not constitute the Debtor's acceptance of the proposal. The Debtor will be deemed to have accepted a proposal only when the proposal has been approved by the Bankruptcy Court at the

Sale Hearing At or before the Sale Hearing, the Debtor (after consultation with the Committee's professionals and compliance with the GECC Consultation Right) may impose such other terms and conditions on the Qualified Bidders as the Debtor may determine to be in the best interest of the Debtor, its estate, its creditors, and other parties in interest.

THE COURT FINDS AND DETERMINES THAT:²

General Findings and Notice

A. On February 20, 2009 (the “Petition Date”), the Debtor filed its voluntary petition for relief under chapter 11 of title 11, United States Code (the “Bankruptcy Code”), thereby initiating the Bankruptcy Case and creating its bankruptcy estate (the “Estate”).

² Findings of fact shall be construed as conclusions of law and conclusions of law shall be construed as findings of fact when appropriate pursuant to Bankruptcy Rule 7052, as made applicable by Bankruptcy Rule 9014

B. The Debtor is a limited liability company duly organized, and in good standing, under the laws of the State of Delaware.

C. No trustee has been appointed in the Bankruptcy Case, and the Debtor continues to manage the Estate as a debtor-in-possession.

D. As evidenced by the certificate(s) of service previously filed with the Court, and based on the representations of counsel at the Sale Hearing: (i) service of the Motion was proper, adequate and sufficient under the applicable Federal Rules of Bankruptcy Procedure and the Local Rules of this Court, (ii) proper, timely, adequate and sufficient notice of the Motion, the Auction and the Sale Hearing has been provided and a reasonable opportunity to object or be heard with respect to the Motion and the relief requested therein has been afforded by written and publication notice to all interested persons and entities, including: (1) the Office of the United States Trustee; (2) the Purchaser; (3) the official committee of unsecured creditors appointed in the Bankruptcy Case; (4) counsel to the agent for the postpetition lender; (5) all entities known to have asserted any Encumbrances in, upon or against the Assets; (6) all federal, state, and local regulatory or taxing authorities or recording offices which have a reasonably known interest in the relief requested by the Motion or with jurisdiction over the Debtor's business and Assets or any part thereof; (7) other potentially interested purchasers; (8) counsel to Qimonda AG, (9) Qimonda Holding BV; and (10) all parties listed on the Debtors' creditor matrix; (iii) such notice was good, sufficient and appropriate under the particular circumstances, and (iv) no other or further notice of the Motion or the Sale Hearing is required.

E. The Court has jurisdiction over the Motion pursuant to 28 U.S.C. §§ 157 and 1334. This matter is a core proceeding pursuant to 28 U.S.C. § 157(b)(2)(A), (N) and (O). Venue of this case and the Motion in this Court is proper under 28 U.S.C. §§ 1408 and 1409.

Corporate Power, Authority and Ownership of the Assets

F. Subject to entry of this Order, (i) the Debtor has the full authority, ability, standing and right, under the Bankruptcy Code and applicable nonbankruptcy law, to enter into and perform under and consummate the Purchase Agreement, the Related Purchase Agreements and all other documents contemplated thereby, and to sell, assign, transfer, convey and deliver the Assets (after closing the Related Purchase Agreements) to the Purchaser pursuant to the Purchase Agreement and this Order, (ii) the Sale of the Assets by the Debtor pursuant to the Purchase Agreement has been validly and duly authorized by all necessary corporate action of the Debtor, (iii) the purchase of the assets in the Related Purchase Agreements by the Debtor has been validly and duly authorized by all necessary corporate action of the Debtor, (iv) the Debtor has all of the power and authority necessary to consummate the transactions contemplated by the Purchase Agreement and the Related Purchase Agreements, and (v) the Debtor has taken all action necessary to authorize and approve the Purchase Agreement the Related Purchase Agreements and the consummation by the Debtor of the transactions contemplated thereby.

G. The Debtor is the sole and lawful owner of, and holds good and marketable title to, the Assets (other than the Assets to be purchased by the Debtor in the Related Purchase Agreements, which will be acquired by the Debtor at the closing of the Related Purchase Agreements and at which time, the Debtor will be the sole and lawful owner of, and hold good and marketable title to, such Assets). The transfer of the Assets to the Purchaser pursuant to this Sale Order will be a legal, valid, and effective transfer of the Assets, and will vest the Purchaser, to the exclusion of all other parties, with all right, title, and interest of the Debtor in and to the Assets free and clear of all Encumbrances.

The Sale Process

H. As evidenced by the record of the Bankruptcy Case and at the Sale Hearing, and on the papers filed in connection therewith, (i) the Debtor has marketed the Assets and conducted

the sale process in compliance with applicable law and orders of this Court, (ii) the Auction was duly noticed and conducted in a non-collusive, fair and reasonable manner, and (iii) a reasonable opportunity was provided to any interested party to make a higher or better offer for the Assets.

I. The Purchase Agreement resulted from the Debtor's marketing of the Assets, undertaken in full compliance with the Stalking Horse Order and applicable law. The highest and best offer that resulted from these activities was the offer from Purchaser, as embodied in the Purchase Agreement, pursuant to which Purchaser will pay the Debtor the Purchase Price for the Assets, subject to all rights, remedies, obligations and other provisions in the Purchase Agreement, including, without limitation, the Adjustment Mechanism (as defined in the Purchase Agreement).

J. Based on the facts and circumstances of the Debtor, additional marketing activities are unlikely to lead to any higher or better offer and would be costly and burdensome, and result in additional delays and costs. Any benefit to be gained by additional marketing of the Assets is likely to be outweighed by the costs and burdens associated therewith.

The Purchase Agreement

K. Purchaser's offer, as set forth in the Purchase Agreement, provides for the sale and transfer of the Assets to Purchaser. Such offer is the highest and best offer received for the assignment, transfer, conveyance, delivery and Sale of the Assets. Purchaser complied in all respects with the Stalking Horse Order and any other applicable order of this Court in negotiating and entering into the Purchase Agreement and the Sale, and the Purchase Agreement likewise complies with the Stalking Horse Order and any other applicable order of this Court.

L. The Purchase Price to be paid by Purchaser under the Purchase Agreement is fair value, and constitutes reasonably equivalent and reasonable market value and fair consideration for the Assets under the circumstances.

M. Purchaser is a bona fide third party purchaser for value of the Assets and is not an insider (as defined in the Bankruptcy Code) of the Debtor or Qimonda North America Corp. ("QNA" and together with the Debtor, the "Debtors") As set forth in the [TI] Declaration, Purchaser seeks to consummate the purchase of the Assets in good faith and for no improper motive, reason or purpose.

N. The Purchase Agreement was negotiated, proposed and entered into by the parties in good faith, from arm's length bargaining positions, and without collusion. Therefore, Purchaser, as a good faith purchaser, is entitled to the full protections of section 363(m) of the Bankruptcy Code with respect to the Assets and the transactions contemplated by the Purchase Agreement. Neither the Debtor nor Purchaser has engaged in any conduct that would cause or permit the Purchase Agreement or the transfer of the Assets to be void or voidable under section 363(n) of the Bankruptcy Code.

O. The Purchaser would not have entered into the Purchase Agreement and would not consummate the transactions contemplated thereby, thus adversely affecting the Debtor, the Estate, and its creditors and direct and indirect equity holders, if the Sale of the Assets to the Purchaser was not free and clear of all Encumbrances of any kind or nature whatsoever, or if the Purchaser would, or in the future could, be liable for any of such Encumbrances, including, without limitation, the Excluded Liabilities (as defined in the Purchase Agreement).

P. Sound business reasons exist for the Sale of the Assets pursuant to the Purchase Agreement. Entry into the Purchase Agreement and consummation of the transactions contemplated thereby constitute the exercise by the Debtor of sound business judgment and such acts are in the best interests of the Debtor, the Estate, its creditors and direct and indirect equity holders, and all parties-in-interest. The Court finds that the Debtor has articulated reasonable and compelling circumstances and good and sufficient business reasons justifying the Sale of the

Assets pursuant to the Purchase Agreement in accordance with sections 105 and 363 of the Bankruptcy Code. Such business reasons include, but are not limited to, the fact that: (i) there is substantial risk of deterioration of the value of the Assets if the transactions contemplated in the Purchase Agreement and the Related Purchase Agreements are not consummated quickly; (ii) the Sale of the Assets pursuant to the Purchase Agreement will reduce or minimize continuing, significant costs and expenses being incurred by the Debtor by having to, among other things, maintain, insure and provide security for the Assets; (iii) the Purchase Agreement constitutes the highest and best offer for the Assets; and (iv) the consummation of the Purchase Agreement will present the best opportunity to realize the value of the Assets and avoid decline and devaluation of the Assets. In addition, the Sale of the Assets pursuant to the Purchase Agreement and the purchase of the assets pursuant to the Related Purchase Agreements will (i) enable the Debtor to take advantage of a favorable offer in a market that may decline; (ii) prevent the continuing accrual of postpetition costs and expenses and obligations on account of the Assets; (iii) prevent the possible accrual of interest (including potentially default interest) to secured creditors; and (iv) enable the Debtor to sell the Assets for fair market value.

Q. The value of the Assets is maximized by (i) a Sale in one lot, as opposed to piecemeal sales, and (ii) the purchase of the assets by the Debtor in the Related Purchase Agreements.

R. The consideration provided by the Purchaser for the Assets is the highest and otherwise best offer received by the Debtor and is fair and reasonable. A sale of the Assets other than one free and clear of Encumbrances would impact materially and adversely on the Estate, and would yield substantially less value for the Estate, with less certainty than provided by the Sale of the Assets to the Purchaser. Consequently, a sale of the Assets other than one free and clear of Encumbrances would be of substantially less benefit to the Estate. In reaching this

determination, the Court has taken into account both the consideration to be realized directly by the Debtor and the indirect benefits of such sale. Therefore, the Sale of the Assets contemplated by the Purchase Agreement is in the best interests of the Debtor, the Estate, its creditors and direct and indirect equity holders, and all parties-in-interest.

S. Time is of the essence to closing the Sale and the Purchase Agreement contains strict time deadlines for the consummation of the transaction contemplated therein.

Sale of the Assets Free and Clear of Encumbrances

I. The Debtor may sell the Assets free and clear of all Encumbrances of any kind or nature whatsoever because, in each case, one or more of the standards set forth in section 363(f)(1)-(5) of the Bankruptcy Code has been satisfied. Those holders of Encumbrances who did not object, or who withdrew their objections, to the Sale or to the Motion, are deemed to have consented to the relief granted herein pursuant to section 363(f)(2) of the Bankruptcy Code.

U. All other holders of Encumbrances fall within one or more of the other subsections of section 363(f) of the Bankruptcy Code and are adequately protected by having their Encumbrances, if any, attach to the cash proceeds of the Sale of the Assets ultimately attributable to the property against or in which they assert such Encumbrance with the same order, priority, validity, force, and effect which they now have against the Assets, subject to any claims and defenses the Debtor or its Estate may possess with respect thereto.

V. Approval of the Purchase Agreement and the Related Purchase Agreements and consummation of the Sale of the Assets in the Purchase Agreement and the purchase of assets in the Related Asset Agreements at this time are in the best interests of the Debtor, the Estate, its creditors and direct and indirect equity holders, and all parties-in-interest.

W. Purchaser is not and will not become obligated to pay any fee or commission or like payment to any broker, finder or financial advisor as a result of the consummation of the

transaction contemplated by the Purchase Agreement based upon any arrangement made by or on behalf of the Seller, provided that nothing herein shall relieve the Seller of its obligations to make payments, pursuant to applicable orders of this Court, to professionals retained in these cases.

NOW, THEREFORE, AFTER DUE DELIBERATION, THE COURT ORDERS, ADJUDGES, AND DECREES THAT

General Provisions and Authority

1. The Motion is granted in all respects. All responses or objections to the Motion or reservations of rights to the relief requested therein that have not been withdrawn, waived or settled are overruled on the merits and denied in their entirety.

2. The Purchase Agreement and all of the transactions contemplated thereby are approved and shall be binding on the Debtor, the Estate and all creditors, direct and indirect equity holders and parties in interest in the Bankruptcy Case.

3. Pursuant to section 363(b) of the Bankruptcy Code, the Debtor is authorized to enter into, perform under, comply with, implement and to take all other action as is necessary to consummate the terms of the Purchase Agreement and the Related Purchase Agreements including, but not limited to, executing and delivering all additional agreements, instruments, and documents required under the Purchase Agreement and the Related Purchase Agreements and such other agreements that are necessary or appropriate to consummate the transactions contemplated by the Purchase Agreement or the Related Purchase Agreements, all without the need for further motion or Court order.

4. Except as expressly permitted or otherwise specifically provided for in the Purchase Agreement, pursuant to sections 105(a) and 363(f) of the Bankruptcy Code, upon Closing, good and marketable title in and to the Assets shall be transferred to the Purchaser free

and clear of all Encumbrances of any kind or nature whatsoever, including, but not limited to, (i) those that purport to give to any party a right or option to effect any forfeiture, modification, right of first refusal, or termination of the Debtor's or the Purchaser's interest in the Assets, or any similar rights, (ii) those relating to taxes arising under or out of, in connection with, or in any way relating to ownership or operation of the Assets prior to the Closing, and (iii) (a) all mortgages, deeds of trust, security interests, conditional sale or other title retention agreements, pledges, liens, judgments, demands, encumbrances, rights of first refusal, or charges of any kind or nature, if any, including, but not limited to, any restriction on the use, voting, transfer, receipt of income, or other exercise of any attributes of ownership, (b) all debts arising in any way in connection with any agreements, acts, or failures to act, of the Debtor or any of the Debtor's predecessors or affiliates, and (c) claims (as defined in the Bankruptcy Code), obligations, liabilities, demands, guaranties, options, rights, contractual or other commitments, restrictions, interests, and matters of any kind and nature, whether known or unknown, contingent or otherwise, whether arising prior to or subsequent to the Petition Date, including, without limitation, any product liability, guarantee, assurance, or warranty (whether expressed or implied) or that arise out by operation of law, and whether imposed by agreement, understanding, law, equity or otherwise, including but not limited to all claims arising under doctrines of successor liability, with all such Encumbrances of any kind or nature whatsoever to attach to the net proceeds of the Sale of the Assets with the same order, priority, validity, force, and effect which they now have against the Assets, subject to any claims and defenses the Debtor or its Estate may possess with respect thereto.

5. The transfer of the Assets to the Purchaser pursuant to the Purchase Agreement constitutes a legal, valid, and effective transfer of the Assets, shall vest the Purchaser with the Debtor's right, title, and interest in and to the Assets as the sole and exclusive owner thereof free

and clear of all Encumbrances of any kind or nature whatsoever, and shall vest the Purchaser with good and marketable title in and to the Assets.

6. The consideration provided by the Purchaser for the Assets under the Purchase Agreement shall be deemed to constitute reasonably equivalent and reasonable market value and fair consideration for the Assets under the Bankruptcy Code and shall not be subject to challenge under any applicable nonbankruptcy law.

7. Each and every federal, state, and local governmental agency, department or authority is directed to accept, file and record any and all documents and instruments necessary and appropriate to consummate the transactions contemplated by the Purchase Agreement.

Good Faith Protections

8. The transactions contemplated by the Purchase Agreement are undertaken by the Purchaser in good faith, as that term is used in section 363(m) of the Bankruptcy Code, and accordingly, the reversal or modification on appeal of the authorization provided herein to consummate the Sale of the Assets pursuant to the Purchase Agreement shall not affect the validity of the Sale of the Assets to the Purchaser, unless such consummation is stayed pending appeal. The Purchaser is a good faith purchaser of the Assets, and is entitled to all of the protections afforded by section 363(m) of the Bankruptcy Code.

9. The consideration provided by the Purchaser for the Assets under the Purchase Agreement is the product of non-collusive, arm's length negotiations, and is fair and reasonable and may not be avoided under the provisions of section 363(n) of the Bankruptcy Code.

Sale of the Assets Free and Clear of Encumbrances

10. Those parties asserting Encumbrances against, in or to the Assets who did not respond or object to the Sale of the Assets, or who have withdrawn their responses or objections, are deemed to have consented to the Purchase Agreement and the transactions contemplated

thereby and authorized herein pursuant to section 363(f)(2) of the Bankruptcy Code. Those parties asserting Encumbrances against, in or to the Assets who did respond or object and have not withdrawn such responses or objections fall within one or more of the other subsections of section 363(f) of the Bankruptcy Code.

11. Any holder or potential holder of an Encumbrance against, in or to the Assets is provided adequate protection, within the meaning of section 363(e) of the Bankruptcy Code, by the terms of this Order, including, but not limited to, the provisions herein that provide for Encumbrances, if any, to attach to the proceeds of the Assets ultimately attributable to the property against or in which they assert such Encumbrances.

12. Except as expressly permitted or otherwise specifically provided by the Purchase Agreement or this Sale Order, all persons and entities, including, but not limited to, all debt holders, equity security holders, governmental, tax, and regulatory authorities, lenders, employees, trade, and other creditors, including, but not limited to Qimonda AG and Qimonda Holding BV that may hold an Encumbrance of any kind or nature whatsoever against, in or to the Assets (whether legal or equitable, secured or unsecured, matured or unmatured, contingent or non-contingent, senior or subordinated), arising under or out of, in connection with, or in any way relating to, the Debtor, the Assets, the operation of the Assets prior to the Closing, or the transfer of the Assets to the Purchaser under the terms of the Purchase Agreement, are forever barred, estopped, and permanently enjoined from asserting any Encumbrance against the Purchaser, its successors and assigns, its property, or the Assets.

13. If any person or entity that has filed financing statements, mortgages, mechanic's liens, lis pendens, or other documents or agreements evidencing an Encumbrance in the Assets shall not have delivered to the Debtor prior to the Closing, in proper form for filing and executed by the appropriate parties, termination statements, instruments of satisfaction, or other releases of

all Encumbrances which the person or entity has with respect to the Assets, then (i) the Debtor is authorized to execute at Closing, and within two (2) business days thereafter, file such statements, instruments, releases, and other documents on behalf of the person or entity with respect to the Assets, and (ii) the Purchaser is authorized to file, register, or otherwise record a certified copy of this Order, which, once filed, registered, or otherwise recorded, shall constitute conclusive evidence of the release of all Encumbrances in the Assets of any kind or nature whatsoever.

14. On the Closing of the Sale of the Assets pursuant to the Purchase Agreement, all parties are authorized to execute such documents and take all actions as may be necessary to release their Encumbrances in the Assets, if any, as such Encumbrances may have been recorded or may otherwise exist. All persons and entities that are in possession of any of the Sale Assets are directed to surrender possession of such Assets to Purchaser at the Closing.

15. This Order (i) shall be effective as a determination that, as of the Closing, all Encumbrances of any kind or nature whatsoever existing as to the Assets prior to the Closing have been unconditionally released, discharged and terminated, and that the conveyances described herein have been effected, and (ii) shall be binding upon and shall govern the acts of all entities including without limitation, all filing agents, filing officers, title agents, title companies, recorders of mortgages, recorders of deeds, registrars of deeds, administrative agencies, governmental departments, secretaries of state, federal, state, and local officials, and all other persons and entities who may be required by operation of law, the duties of their office, or contract, to accept, file, register, or otherwise record or release any documents or instruments, or who may be required to report or insure any title or state of title in or to any of the Assets.

No Successor Liability

16. Consummation of the Purchase Agreement and the transactions contemplated thereby and therein do not effect a de facto merger or consolidation of the Debtor with Purchaser. Purchaser is not the alter ego of, a successor-in-interest to, or a continuation of the Debtor. Without limiting the generality of the foregoing, and except as otherwise specifically provided herein and in the Purchase Agreement, to the extent allowed by law, the Purchaser shall not be liable for any claims against the Debtor or any of its predecessors or affiliates, and the Purchaser shall have no successor or vicarious liabilities of any kind or character including, but not limited to, any such liability that may be imposed by statute (e.g., under so-called "bulk-sale" laws) or any theory of antitrust, environmental, products liability, successor or transferee liability, labor law, de facto merger, or substantial continuity, whether known or unknown as of the Closing, now existing or hereafter arising, whether fixed or contingent, with respect to the Debtor or any obligations of the Debtor arising prior to the Closing, including, but not limited to, liabilities on account of any taxes arising, accruing, or payable under, out of, in connection with, or in any way relating to the ownership or operation of the Assets prior to the Closing.

17. Except to the extent Purchaser otherwise specifically agreed in the Purchase Agreement or this Order, Purchaser shall have no liability, responsibility or obligation for any claims, liabilities or other obligations of the Debtor or its Estate, including without limitation, any claims, liabilities or other obligations related to the Assets prior to Closing. Under no circumstances shall the Purchaser be deemed a successor of or to the Debtor for any Encumbrance against, in or to the Debtor or the Assets.

18. The Sale of the Assets shall not be subject to any Encumbrances, and Encumbrances of any kind or nature whatsoever shall remain with, and continue to be obligations of, the Debtor. All persons holding Encumbrances against the Assets of any kind or

nature whatsoever (including but not limited to, the Debtor and/or its respective successors, including any trustee, creditors, employees, unions, former employees and shareholders, administrative agencies, governmental units, secretaries of state, federal, state and local officials, maintaining any authority relating to any environmental, health and safety laws, and their respective successors or assigns) shall be, and are, forever barred, estopped, and permanently enjoined from asserting, prosecuting, or otherwise pursuing such Encumbrances of any kind or nature whatsoever against the Purchaser, its property, its successors and assigns, or the Assets, as an alleged successor or otherwise, with respect to any Encumbrance of any kind or nature whatsoever such person or entity had, has, or may have against or in the Debtor, the Estate, officers, directors, shareholders, or the Assets. Following the Closing, no holder of an Encumbrance in the Debtor shall interfere with the Purchaser's title to or use and enjoyment of the Assets based on or related to such Encumbrance, or any actions that the Debtor may take in the Bankruptcy Case.

Binding Nature of the Order

19. This Order and the Purchase Agreement shall be binding in all respects upon all creditors (whether known or unknown) of the Debtor, all parties-in-interest in the Estate and the Bankruptcy Case, all successors and assigns of the Purchaser, the Debtor and their affiliates, subsidiaries and parents, the Assets, and any trustee appointed or elected in the Bankruptcy Case or upon a conversion to chapter 7 of the Bankruptcy Code and shall not be subject to rejection pursuant to section 365 of the Bankruptcy Code. Nothing contained in any chapter 11 plan confirmed in the Bankruptcy Case or the order confirming any such chapter 11 plan shall conflict with, impair, negate or be contrary to inconsistent with the provisions of the Purchase Agreement or this Order. To the extent of any such inconsistency, the terms of the Purchase Agreement and this Order shall govern.

20. This Court retains jurisdiction to enforce and implement the terms and provisions of the Purchase Agreement, the Related Purchase Agreements, all amendments thereto, any waivers and consents thereunder, and of each of the agreements executed in connection therewith in all respects, including, but not limited to, retaining jurisdiction to (i) resolve any disputes arising under or related to the Purchase Agreement, except as otherwise provided therein, (ii) interpret, implement, and enforce the provisions of this Order, (iii) protect the Purchaser against (a) any of the Debtor's liabilities including specifically the Excluded Liabilities or (b) any Encumbrances against, in or to the Assets, of any kind or nature whatsoever, which attach to the proceeds of the Sale of the Assets; *provided, however*, that in the event the Court abstains from exercising or declines to exercise such jurisdiction or is without jurisdiction with respect to the Purchase Agreement or this Order, such abstention, refusal to exercise, or lack of jurisdiction shall have no effect upon, and shall not control, prohibit, or limit the exercise of jurisdiction of any other court having competent jurisdiction with respect to any such matter.

21. TOOL REMOVAL AND MAINTENANCE PROCEDURES

EXHIBIT G

TOOL REMOVAL AND MAINTENANCE PROCEDURES

(a) Coordinators. Each of Seller and Buyer shall designate and authorize a representative (the "Seller Removal Coordinator" and "Buyer Removal Coordinator", respectively; and jointly, the "Coordinators") to act as a central point of coordination regarding activities at the Premises during the Removal Period. Per Buyer's request, the Coordinators shall confer and meet to share a report on progress toward completion of the Disassembly and Removal efforts. For clarification, Buyer is responsible for decontamination of the Assets only, and is not responsible for decontamination of the Premises (including, without limitation, any pipes, ducts or other infrastructure not being acquired by Buyer).

(b) Removal by Other Persons; Co-Located Assets. The Coordinators will ensure that Buyer's removal activities will be aligned with any other activity within the Premises to avoid delays to Buyer's Disassembly and Removal. Seller Removal Coordinator will provide two (2) business days notice to the Buyer Removal Coordinator if another party requires access to the Premises in order to remove any tools or other assets that are not included in the Assets. The Coordinators will ensure that such removal activities by other parties will minimally impact Buyer's Disassembly and Removal efforts. Upon thirty (30) business days written notice by Buyer Removal Coordinator, Seller shall provide support cooperation to remove or secure the removal or relocation of any co-located equipment or similar items (i.e., items that are not part of the Assets) which may impede Buyer's removal of the Assets. If Seller has not complied within twenty (20) business days following the written notice, Buyer Removal Coordinator shall provide a second written notice to the Seller Removal Coordinator. If Seller fails to remove/relocate such equipment within ten (10) business days following the second notice, Buyer may relocate such equipment, at Seller's expense.

(c) Access to Premises Equipment and Systems. Seller Removal Coordinator will cooperate to ensure that where Buyer's removal activity requires access to or the support of any Premises utilities or infrastructure (e.g., power, water, exhaust, vacuum, drain lines or waste treat/pre-treat, etc.) such access and support will be provided at no additional cost. Such cooperation shall include coordination to facilitate the short-term storage and/or treatment and disposal of hazardous wastes or materials generated in connection with Buyer's on-site decontamination and equipment removal activity. Subject to full compliance with applicable Law and Permit requirements, such cooperation shall also include access to and the use of the existing Permits, treatment equipment and permitted discharge points at the Premises. Seller Removal Coordinator will verify that the proper and safe capping, tie-off or other disconnection is made between the Assets and the Premises infrastructure and utilities. Seller will maintain, provide and allow Buyer the full use of any and all existing rigging tools, including forklifts, pallet jacks and other such equipment (to the extent, if any, such tools are not part of the Assets), to facilitate Buyer's removal of the Assets and Seller will provide Buyer and Buyer's Representatives with full access to and the use of all existing docks (for the purpose of staging, prepping, packing and crating the Assets prior to removal) and a portion of the surrounding areas, to the extent it is not maintained as a separate secure area for those assets to be retained by Seller that may be easily moved or transported to such separate secure area. Should Seller Removal Coordinator need to allocate the use of Premises areas among multiple parties, Seller

Removal Coordinator shall fairly allocate such access and areas in rough proportion to the quantity and value of assets purchased by each party, the time periods given for such removal and the number of employees, consultants and other representatives at the Premises assisting in such removal and recognizing the mutual commitment of Buyer and Seller to Buyer's prompt completion of Disassembly and Removal. Where Buyer's removal activity requires the removal of any walls or other structures, the enlargement of any openings, or other such impacts to the Premises, Buyer Removal Coordinator will provide advance notice of such activity and Buyer will ensure that any impacts or changes to the Premises are repaired and restored, unless otherwise mutually agreed. Buyer will ensure that any holes, depressions or other such potentially unsafe flooring areas are filled or covered following removal of any Assets (Buyer shall not be required to resurface or otherwise fully restore or replace such flooring or connection points).

(d) Service and Maintenance. At all times during the Removal Period, Seller shall provide the following services:

(i) provide HVAC service such that the indoor temperature and humidity are at levels which will allow the Assets to be operated and/or maintained without damage or degradation; The factory should remain within the following parameters.

(iii) such that the Assets can be maintained in the same manner as they were being maintained immediately prior to the date hereof and such that the Assets can be operated and/or maintained without material damage or degradation;

(iv) continue to maintain the books, records, logs, warranties and any other records or documents relating to the purchase, use, maintenance, operation, replacement or repair of the Assets in the ordinary course of business and consistent with Seller's past practice and in a manner to ensure that at the end of the Removal Period, such documents are up-to-date;

(v) otherwise keep and maintain the inside and outside of the Premises in a clean and neat condition and promptly make any necessary repairs and/or replacements to the roof, structure and the mechanical, electrical and plumbing systems serving the Assets, all such that the Premises is suitable for the maintenance and operation of the Assets and such that no damage or degradation shall occur with respect to the Assets;

(vi) comply with all applicable Laws and all reasonable recommendations of any fire and liability insurance rating organization now or hereafter in effect.

(i) From the Closing Date the date that is six months after the Closing Date, Seller shall be responsible for facility maintenance costs of the Premises (the "Seller Maintenance Period").

(ii) From the date immediately following the end of the Seller Maintenance Period, to the date that is nine months after the Closing Date, Buyer and Seller shall jointly share the facility maintenance costs of the Premises, with such costs allocated between the Buyer and Seller according to the original acquisition cost of the Assets remaining on the Premises compared to other assets on the Premises (calculated using the actual cost of such Assets) (the "Pro Rata Maintenance Period").

(iii) From the date that is nine months after the Closing Date, until the end of the Removal Period, Buyer shall be responsible for facility maintenance costs of the Premises (the "Buyer Maintenance Period"). During the Buyer Maintenance Period, Buyer shall pay Seller a rental fee for access to and use of the Premises calculated at a per month cost of \$50.00 per square foot based upon the square footage occupied by the Assets still located at the Premises; provided that the rental fee shall be prorated and automatically waived on a day-by-day basis for each day that the Buyer's removal activities are prevented or materially limited by

reason of Seller's failure to perform its obligations hereunder or as a result of acts of God, floods, fires, storms, earthquakes, major accidents, riots, demonstrations, acts of terrorism, sabotage, decrees of an extraordinary nature, inability to obtain or unavoidable delay in obtaining necessary power to the Premises. If Buyer's removal activities are prevented or materially limited as provided above, Buyer shall use all commercially reasonable efforts to remedy the cause of such prevention or material limitation.

Notwithstanding the foregoing, during all periods where Seller is responsible for all or a portion of the facility maintenance costs, Buyer shall cooperate to the extent commercially reasonable with the Seller to mitigate any such costs. Other than the cost sharing models described in subsection (e) (facility maintenance costs) and subsection (f) (security), Seller shall comply with the terms of this Exhibit G at no additional cost to Buyer. As used herein, "facility maintenance costs" shall include the cost and expense of providing utility services to the Premises, including, without limitation, HVAC service and electrical service, including back-up power, potable water, sanitary water, and natural gas, fully functional Industrial Waste Treatment plant, the availability of Ultra Pure Water / Deionized Water, Nitrogen (N₂), Compressed Dry Air (CDA), and the central vacuum system.

(f) Security.

(i) Seller will (A) maintain the current security practices and procedures in place at the Premises in the ordinary course of business and consistent with its past practices and (B) continue to manage the day to day operation of the security guard staff.

(ii) Buyer will maintain a security presence on the Premises for the duration of the Removal Period. These resources will be employed by Buyer and will work in conjunction with Seller's security team to ensure that all Assets are protected according to Buyer's standards and guidelines.

(iii) Seller will continue to furnish contract security officers to the Premises and agrees to increase the staff up to twenty (20) officers as needed at the sole discretion and expense of Buyer.

(iv) Buyer will have limited remote access to specified video cameras. Buyer will have the right to expand the CCTV and the access control system at its cost to better enhance the viewing capabilities and the access control for the security of the Assets.

(v) Seller agrees that Buyer will have the ability to move the Assets to an area or areas designated to be a safe zones. These safe zones will have limited access from outside parties allowing Buyer to maintain a secure and controlled environment. Buyer will maintain, control and determine the access list of all parties allowed into the safe zones.

(g) Obligations of Buyer Parties During Disassembly and Removal. The Buyer Parties shall:

(i) utilize industry-standard safety protocols at all times (including, but not limited to, lockout/tagout, rigging, training and personal protective equipment);

(ii) notify Seller of and reasonably coordinate with Seller to properly respond to any environmental, safety or industrial hygiene-related incident resulting from their extraction efforts (including, but not limited to, near miss incidents, injuries, property damage or chemical/water release);

(iv) disconnect and cap all piping, gas lines, etc. at or below floor level (or at or above 7 feet for lines coming from the ceiling) using industry-standard termination methods;

(v) provide for the transportation and disposal at the Premises of any hazardous waste materials contained within the Assets; provided, however, that (A) Seller will allow Buyer to purge any contaminated line through its existing operational pre-treat system which is connected to a currently permitted industrial wastewater disposal system or through its currently permitted air emissions point, as applicable, and (B) Seller will maintain responsibility for removal of solid waste materials;

(vi) verify that all services or utilities (including gas lines, electrical cabling and chemical supplies) are safe with respect to potential energy released prior to removal;

(vii) terminate and secure electrical supply wiring at the tool load point with appropriate lockout/tagout at the main panel;

(viii) provide at its sole expense, dumpsters for trash for Buyer's use and Buyer will dispose of trash resulting from the Disassembly and Removal; and

(h) Termination of Removal Period. Buyer Removal Coordinator shall provide Seller Removal Coordinator with written notice of completion of Disassembly and Removal and any repair, restoration, making safe or tying/off and capping of infrastructure connections points at the Premises. Within five (5) business days of receipt of such notice, Seller Removal Coordinator shall inspect the Premises and either (a) provide written acknowledgment of the satisfactory Disassembly and Removal, or (b) identify any remaining actions reasonably believed to be necessary to complete the Disassembly and Removal. Failure to identify any remaining actions or otherwise acknowledge such notice shall be deemed to constitute acceptance. Such acceptance or other written mutual agreement that removal has been successfully completed will terminate the Removal Period.

(i) Seller's Failure to Comply. If Seller fails to comply with its obligations under this Exhibit G, Buyer may give Seller written notice of such failure. If Seller does not perform such actions after receiving such notice, Buyer may perform such actions at Seller's expense.

Dated: _____, 2009
Wilmington, Delaware

THE HONORABLE MARY F WALRATH
UNITED STATES BANKRUPTCY JUDGE

Exhibit A

THE BIDDING PROCEDURES

Set forth below are the bidding procedures (the "Bidding Procedures") to be employed with respect to the proposed sale (the "Proposed Sale") of certain assets of Qimonda Richmond LLC (the "Debtor"). The Debtor will seek entry of an order from the Bankruptcy Court for the District of Delaware (the "Bankruptcy Court") authorizing and approving the Proposed Sale to the Buyer (defined below) or to another Qualified Bidder (defined below) that is determined to have made the highest, best or otherwise financially superior offer (the "Sale Transaction"). Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to them in the Bidding Procedures Order and the Purchase Agreement (each as defined below, as applicable).

Asset Purchase Agreement

On August 19, 2009, the Debtor entered into an asset purchase agreement (the "Purchase Agreement") with Texas Instruments Incorporated (the "Buyer"). Pursuant to the Purchase Agreement, the Buyer proposes to acquire the Assets (as defined in the Purchase Agreement) free and clear of Encumbrances (as defined in the Purchase Agreement).

Recognizing the Buyer's expenditure of significant time, energy, and resources, the Debtor has agreed to provide certain bidding protections to the Buyer. Specifically, the Debtor has determined that the Purchase Agreement furthers the goals of the Bidding Procedures by setting a floor by which all other Qualified Bids (defined below) must exceed. As a result, in accordance with Section 6.7 of the Purchase Agreement, the Debtor has agreed that if the Buyer is not the Successful Bidder (defined below), the Debtor will, in certain circumstances, reimburse the Buyer for certain of its expenses of up to \$750,000 (the "Expense Reimbursement") and pay to the Buyer a breakup fee equal to Four Million Three Hundred Twelve Thousand Five Hundred Dollars (\$4,312,500) (the "Breakup Fee"). The Buyer will have an opportunity to "credit bid" such Breakup Fee in any subsequent bids it elects to make in the Auction (defined below).

The Buyer is a Qualified Bidder (defined below), and the Purchase Agreement is a Qualified Bid (defined below). The Buyer's offer to purchase the Assets as set forth in the Purchase Agreement may be terminated by the Buyer pursuant to the terms and conditions set forth in Section 8.1 of the Purchase Agreement.

The Bidding Process

On July 21, 2009, the Bankruptcy Court entered an Order Granting Debtors' Motion, Pursuant to Sections 105(a), 105(d) and 363(b) of the Bankruptcy Code, for Entry of an Order Approving Bidding Protection Procedures and Bidding Procedures in Connection with the Sale of Certain Assets of the Debtors (Docket No. 511) (the "Bidding Procedures Order").

Subject to the Bidding Procedures Order, the Debtor and its advisors shall (i) determine whether any bid for the Assets is a Qualified Bid, (ii) coordinate the efforts of Qualified Bidders in conducting their due diligence investigations, (iii) receive offers from Qualified Bidders, and (iv) negotiate in good faith any offers made to purchase the Assets (collectively, the “Bidding Process”). The Debtor shall consult with certain restricted members of the Official Committee of Unsecured Creditors (the “Committee”) and its professionals and comply with the GECC Consultation Right (as defined below), regarding the Debtor’s determination as to whether bids are Qualified Bids and bidders are Qualified Bidders. Only Qualified Bidders may participate in the Bidding Process and bid at the Auction. Neither the Debtor nor its representatives shall be obligated to furnish information of any kind whatsoever to any person that is not a Qualified Bidder, and the Debtor and its professionals shall use good faith efforts to provide all Qualified Bidders with substantially similar information. The Debtors, after consultation with the Committee’s professionals, shall have the right to adopt such other rules for the Bidding Process (so long as such rules are not materially inconsistent with those set forth herein and in the Purchase Agreement) that promote the goals of the Bidding Process.

Participation Requirements

Any person that wishes to participate in the Bidding Process (a “Potential Bidder”) must become a “Qualified Bidder”. As a prerequisite to becoming a Qualified Bidder (and thus, among other things, prior to being able to conduct due diligence), a Potential Bidder must deliver (unless previously delivered) to the Debtor, on or before September 21, 2009 at 4:00 p.m. (prevailing New York City time) :

- (i) An executed confidentiality agreement in form and substance acceptable to the Debtor; and
- (ii) Sufficient information, as requested by the Debtor, to allow the Debtor to determine that the Potential Bidder has the financial wherewithal and any required authorizations to close the Sale Transaction, including, but not limited to, current audited financial statements (or such other form of financial disclosure and credit-quality support or enhancement acceptable to the Debtor) of the Potential Bidder or of those entities that will guarantee the obligations of the Potential Bidder.

A Qualified Bidder is a Potential Bidder that (a) delivers the documents described in subparagraphs (i) - (ii) above, (b) individually offers, or offers in combination with other bidders (subject to the restrictions contained herein), to purchase all of the Assets (as defined in the Purchase Agreement) and not some subset or portion of the Assets, and (c) that the Debtor determines is reasonably likely (based on financial information submitted by the Potential Bidder, the availability and amount of financing,

experience and other considerations deemed relevant by the Debtor) to submit a bona fide offer and to be able to consummate a sale of the Assets if selected as a Successful Bidder.

Notwithstanding anything herein to the contrary, (i) General Electric Capital Corporation (“GECC”) shall be deemed a Qualified Bidder, (ii) if GECC submits all Required Bid Documents in accordance with the terms of the Bid Procedures, such a bid submitted by GECC shall be deemed a Qualified Bid, and (iii) GECC shall have the right to submit a credit bid pursuant to section 363(k) of the Bankruptcy Code for GECC Equipment (as defined in the Bidding Procedures Order).

The Debtor shall consult with the Committee’s professionals and restricted members and comply with the GECC Consultation Right in connection with the Debtor’s determinations as to whether a Potential Bidder is a Qualified Bidder. No later than seven (7) business days after a Potential Bidder delivers all of the materials required by subparagraphs (i) - (ii) above, the Debtor shall determine, and shall notify the Potential Bidder, if such Potential Bidder is a Qualified Bidder.

Due Diligence

The Debtor may afford any Potential Bidder or Qualified Bidder the time and opportunity to conduct reasonable due diligence; provided, however, that the Debtor shall not be obligated to furnish any due diligence information after the Bid Deadline (defined below). The Debtor will designate an employee or other representative to coordinate all reasonable requests for additional information and due diligence access from such Potential Bidders or Qualified Bidders. Neither the Debtor nor any of its respective representatives are obligated to furnish any information to any person other than a Potential Bidder or Qualified Bidder.

Bid Deadline

A Qualified Bidder that desires to make a bid shall deliver written copies of its bid to (i) Qimonda North America Corp., 4721 Emperor Boulevard, Suite 110, Durham, N.C. 27703 (Attn: Miriam Martinez and Scott Ryan); (ii) Advanced Technology Resource Group of CMN Inc. d/b/a Collier International, 601 Union Street, Suite 5300, Seattle, Washington 98101 (Attn: Nick Papa); and (iii) Simpson Thacher & Bartlett LLP, 425 Lexington Avenue, New York, New York 10017 (Attn: Morris J. Massel and D. Rhett Brandon), not later than 4:00 p.m. (prevailing New York City time) on September 21, 2009 (the “Bid Deadline”).

Bid Requirements

All initial bids must include the following documents (the “Required Bid Documents”):

- The identity of the bidder and the officer(s) or authorized agent(s) who will appear on behalf of such bidder;
- A purchase price, the value of which is determined by the Debtor (after consultation with the Committee’s professionals and restricted

members and compliance with the GECC Consultation Right) to be at least equal to or greater than the purchase price in the Purchase Agreement for the applicable Assets bid on plus \$5,500,000 (the "Initial Incremental Bid Amount");

- A letter stating that the bidder's offer is irrevocable until October 31, 2009 (as may be extended by written agreement of the parties) (the "Termination Date"); provided that the Termination Date will be automatically extended to November 30, 2009 if such bidder is the Successful Bidder after the conclusion of the Auction;
- An executed copy of a purchase agreement pursuant to which the Qualified Bidder proposes to acquire the Assets, which purchase agreement shall include the Termination Date; provided that the Termination Date will be automatically extended to November 30, 2009 if such bidder is the Successful Bidder after the conclusion of the Auction;
- A good-faith, cash deposit, which shall be made with the Debtor's escrow agent upon the submission of a Qualified Bid in an amount equal to at least 10% of the purchase price set forth in the applicable purchase agreement for such Qualified Bidder (the "Good Faith Deposit"); provided that for a GECC credit bid pursuant to section 363(k) of the Bankruptcy Code, the Good Faith Deposit shall only be a reduction of GECC's allowed secured claim by an amount equal to 10% of the purchase price set forth in GECC's purchase agreement, which shall be the sole and exclusive remedy in law, equity or otherwise for any and all breaches by GECC of the executed purchase agreement pursuant to which GECC proposes to acquire the applicable Assets in accordance with these Bidding Procedures;
- Written evidence of a commitment for financing or other evidence of the ability to consummate the sale satisfactory to the Debtor, with appropriate contact information for such financing sources, provided that for any bid that is entirely financed as a credit bid pursuant to section 363(k) of the Bankruptcy Code, no such evidence shall be required;
- A redline of bidder's proposed purchase agreement over that of the Purchase Agreement; and
- A redline of bidder's proposed form of sale order over the form of such order attached to the Purchase Agreement.

A bid received from a Qualified Bidder that includes all of the Required Bid Documents and meets all of the above requirements is a "Qualified Bid". Promptly upon receipt of the Required Bid Documents by the Debtor from any Qualified Bidder, the Debtor shall provide a copy of such Required Bid Documents to the Buyer.

The Debtor reserves the right to determine, after consultation with the Committee's professionals and restricted members and compliance with the GECC Consultation Right, the value of any Qualified Bid(s) for the Assets, and which Qualified Bid(s) constitutes the highest, best or otherwise financially superior offer to purchase the Assets. Proposals will be evaluated on numerous grounds; however, proposals that are unconditional and contemplate sales of the Assets that may be consummated on or soon after the Sale Hearing are preferred.

"As Is, Where Is"

The sale of the Assets shall be on an "as is, where is" basis and without representations or warranties of any kind, nature or description by the Debtor, its agents or its estate except to the extent set forth in the Purchase Agreement or the purchase agreement of another Successful Bidder. By submitting a bid, each Qualified Bidder shall be deemed to acknowledge and represent that it has had an opportunity to conduct any and all due diligence regarding the Assets prior to making its offer, that it has relied solely upon its own independent review, investigation and/or inspection of any documents and/or the Assets in making its bid, and that it did not rely upon any written or oral statements, representations, promises, warranties or guaranties whatsoever, whether express, implied, by operation of law or otherwise, regarding the Assets, or the completeness of any information provided in connection therewith or the Auction, except as expressly stated in the Bidding Procedures Order or these Bidding Procedures or, (i) as to the Buyer, as expressly set forth in the Purchase Agreement and ancillary documents, or (ii) as to another Successful Bidder, as expressly set forth in the applicable purchase agreement and ancillary documents.

Free Of Any And All Encumbrances

Except as otherwise provided in the Purchase Agreement or another Successful Bidder's purchase agreement, all of Debtor's right, title and interest in and to the Assets subject thereto shall be sold free and clear of Encumbrances, with such Encumbrances to attach to the net proceeds of the sale of the Assets with the same validity and priority as such Encumbrances applied against the Assets. Nothing herein shall prevent any party in interest from objecting to the Bankruptcy Court's approval of such purchase agreement.

Auction

If a Qualified Bid other than that submitted by the Buyer has been received by the Debtor, the Debtor shall conduct an auction (the "Auction") with respect to the Assets. The Auction shall commence on September 23, 2009 at 10:00 a.m. (prevailing New York City time). The Debtor shall notify all Qualified Bidders that have submitted Qualified Bids of the time and place of the Auction.

Only a Qualified Bidder that has submitted a Qualified Bid is eligible to participate at the Auction. During the Auction, bidding shall begin initially with the highest Qualified Bid(s) as determined by the Debtor (after consultation with the Committee's professionals and restricted members) and subsequently continue in minimum increments of at least \$1,000,000.

At the conclusion of the Auction, the Debtor (after consultation with the Committee's professionals and restricted members and compliance with the GECC Consultation Right) shall identify the highest, best or otherwise financially superior offer for the Assets (the "Successful Bid(s)", and the entity submitting such Successful Bid, the "Successful Bidder"), which highest, best or otherwise financially superior offer will provide the greatest amount of net value to the Debtor, and advise the Qualified Bidders of such determination. The Qualified Bidder whose final bid is deemed to be highest and best following the conclusion of the Auction will be the "Successful Bidder", and such bid, the "Successful Bid". Immediately after the announcement of the Successful Bid, the Successful Bidder shall execute and deliver a purchase agreement incorporating the price and terms offered in the Successful Bid (the "Final Sale Agreement"). Upon submission of the Final Sale Agreement by the Successful Bidder, the Debtor will execute the Final Sale Agreement and shall seek Bankruptcy Court approval of the Final Sale Agreement at a hearing before the Bankruptcy Court.

Acceptance of Qualified Bids

The Debtor shall sell the Assets to the Successful Bidder upon the approval of the Successful Bid by the Bankruptcy Court after a hearing (the "Sale Hearing") and any and all liens on the Assets shall attach to the proceeds of the sale with the same validity and priority as such liens applied against the Assets. The Debtor's presentation of the Successful Bid to the Bankruptcy Court for approval does not constitute the Debtor's acceptance of the bid. The Debtor will be deemed to have accepted a bid only when the bid has been approved by the Bankruptcy Court at the Sale Hearing. All interested parties reserve their right to object to the Debtor's selection of the Successful Bidder.

Sale Hearing

The Sale Hearing shall be conducted by the Bankruptcy Court on September 24, 2009 at 10:30 a.m. (prevailing New York City time). Following the approval of the sale of the Assets to the Successful Bidder at the Sale Hearing, if such Successful Bidder fails to consummate an approved sale within ten (10) business days after entry of an Order approving the Sale, the Debtor shall be authorized (after consultation with the Committee's professionals and compliance with the GECC Consultation Right), but not required, to deem the next highest or otherwise best Qualified Bid, as disclosed at the Sale Hearing, the Successful Bid, and the Debtor (after consultation with the Committee's professionals and compliance with the GECC Consultation Right) shall be authorized, but not required, to consummate the sale with the Qualified Bidder submitting such bid without further order of the Bankruptcy Court.

No Combination Bidding

Qualified Bidders may not form joint ventures or partnerships to submit bids with respect to the Sale Transaction, without the prior written consent of the Debtor. Without limiting the generality of the foregoing, separate bidders on any Sale Transaction may not combine their bids without the prior written approval of the Debtor.

Return of Good Faith Deposit

As noted above, all Qualified Bidders will be required to submit the Good Faith Deposit with the Debtor's escrow agent upon the submission of a Qualified Bid in the amount set forth in (i) the Purchase Agreement with respect to the Buyer and (ii) the applicable purchase agreement with respect to another Qualified Bidder. The Buyer's Deposit (as defined in the Purchase Agreement) shall be held in an interest-bearing account as specified in the Deposit Escrow Agreement (as defined in the Purchase Agreement) and will be returned to Buyer pursuant to the terms and conditions set forth in Section 2.1(b) of the Purchase Agreement. Good Faith Deposits of all other Qualified Bidders shall be held in an interest-bearing account until a proposal is no longer irrevocable as provided herein, at which time they will be returned to the Qualified Bidder (or in the case of a GECC credit bid pursuant to section 363(k) of the Bankruptcy Code, no reduction of GECC's allowed secured claim); provided, however, that if a Successful Bidder fails to consummate an approved sale solely because of a breach or failure to perform on the part of such Successful Bidder, the Debtor will not have any obligation to return the Good Faith Deposit deposited by such Successful Bidder (or in the case of a GECC credit bid pursuant to section 363(k) of the Bankruptcy Code, GECC's allowed secured claim shall be reduced by an amount equal to 10% of the purchase price set forth in GECC's purchase agreement), and such Good Faith Deposit shall irrevocably become the property of the Debtor.

The Committee and GECC

The Debtor shall provide to the Committee's professionals information, which information may be shared with restricted members of the Committee, regarding the qualification of bidders and such other information related to the sale of the Assets as may be reasonably requested by the Committee. Throughout the process, the Debtor shall consult with the Committee's restricted members and its professionals as provided herein.

The term "GECC Consultation Right" shall mean, if any GECC Equipment is proposed to be sold, that the Debtor (i) shall provide to GECC information regarding the qualification of bidders and such other information related to the sale of the Assets as may be reasonably requested by GECC and (ii) shall consult with GECC throughout the process as provided herein; provided, however, the Debtor shall not be required to consult with GECC if (y) GECC submits a Qualified Bid, or (z) GECC asserts that it has submitted a Qualified Bid, until such time as GECC's assertions are overruled by the Bankruptcy Court.

Bankruptcy Court Oversight

The Bankruptcy Court shall decide any controversy regarding the qualification of bidders and the valuation of bids.

Reservation of Rights

The Debtor reserves the right to (i) determine in its reasonable discretion (after consultation with the Committee's professionals and restricted members and compliance with the GECC Consultation Right) which offer for the Assets is the highest or otherwise best offer and (ii) reject at any time prior to entry of a Bankruptcy Court

order approving an offer for the Assets, without liability, any offer that the Debtor in its reasonable discretion (after consultation with the Committee's professionals and restricted members and compliance with the GECC Consultation Right) deems to be (x) inadequate or insufficient, (y) not in conformity with the requirements of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules or procedures set forth therein or herein, or (z) contrary to the best interests of the Debtor and its estate.

The selection of a Successful Bidder shall be within the reasonable business judgment of the Debtor (after consultation with the Committee's professionals and restricted members and compliance with the GECC Consultation Right) and subject to the approval of the Bankruptcy Court, and economic considerations may not be the sole criteria upon which the Debtor may base its decision. In assessing whether a proposal constitutes a higher or otherwise better offer, the Debtor may consider, among other things, the net economic effect upon the Debtor's estate. The presentation of a particular proposal to the Bankruptcy Court for approval does not constitute the Debtor's acceptance of the proposal. The Debtor will be deemed to have accepted a proposal only when the proposal has been approved by the Bankruptcy Court at the Sale Hearing. At or before the Sale Hearing, the Debtor (after consultation with the Committee's professionals and compliance with the GECC Consultation Right) may impose such other terms and conditions on the Qualified Bidders as the Debtor may determine to be in the best interest of the Debtor, its estate, its creditors, and other parties in interest.
