**YMCA CAMP CAMPBELL OUTDOOR SCIENCE SCHOOL  
NOTICE TO PARENTS**

Dear Parent,

This year our school will be participating in the **YMCA Camp Campbell Outdoor Science School** program beginning \_\_\_\_\_ and ending \_\_\_\_\_.

This 4-day/3-night program at the YMCA Camp Campbell facility in Boulder Creek takes place in the unique beauty of the Redwood Forest, which provides a natural "laboratory" for intensive instruction in the areas of resource conservation, ecology, and environmental education. Children are accommodated in heated, winterized housing, and family-style meals are served three times daily, along with one snack each day. We serve a vegetarian option at every meal, and can accommodate students who have dietary restrictions such as (gluten free and lactose intolerant). Supervision is provided 24 hours a day by Science School Staff, visiting Classroom Teachers, and trained Volunteer Cabin Leaders.

The total cost of the program is \_\_\_\_\_. This fee covers your child's room and board, and program of instruction and transportation. In order to facilitate adequate preparation and give proper attention to specific needs, the following are enclosed:

• **LIABILITY WAIVER, HEALTH HISTORY & CONSENT FORM, & BEHAVIOR AGREEMENT FORM**

**These forms are required!** Parents are asked to complete forms carefully and return it to school by the following date:

- **RESTRICTED DIETARY FORM** (This should be returned for students who have food allergies and restrictions beyond being a vegetarian).
- **MEDICATION INTAKE FORM** (This form must be included with any medications sent to camp).

Any medications your child may be bringing to camp will be administered by the Camp Health Supervisor. All medications must be in their original containers, properly labeled, and given directly to the classroom teacher before boarding the bus (including prescribed medications, vitamins, aspirin, Tylenol, etc.) Unused medications will be returned via classroom teachers. Do not send medication in student's luggage. Please send all medications that your child is currently taking at home and at school - this will help ensure a smooth transition to our school. If a child is required to keep medications on their person for emergency reasons (i.e. diabetes, asthma, bee sting allergies, etc.) please let the student keep them and notify the Classroom teacher must notify the Health Supervisor upon arrival. Parents please send an additional emergency inhaler and give this to the classroom teacher to ensure that an inhaler will always be on hand in the health cottage in case the student loses or misplaces the one they are carrying. All program staff are trained to help maintain established health and safety standards. For example, all staff are first aid and CPR certified, and carry first aid equipment at all times. In addition our field teaching staff (field teachers and naturalists) carry epi-pens with them during all field experiences and are trained regarding the administration of epi-pens.

Parents and students are welcome to visit YMCA Camp Campbell prior to your school's scheduled attendance and may make arrangements to do so in advance by contacting camp to schedule a tour. In order to allow your child an opportunity to develop independence and to help reduce homesickness, parents should not visit while your child is attending camp.

## **Behavior Agreement Contract**

### **Behavior at the Outdoor Science School**

Our staff will make every attempt to provide positive, realistic expectations and guidelines for every student. All students and parents must agree to the rules and expectations listed below. This is a good opportunity for you and your child to discuss the positive nature of good behavior not only at outdoor science school, but also in other aspects of his or her life. In addition, participating in the outdoor science school implies consent for YMCA staff to search student's belongings when there is reasonable suspicion that a student has possession of illegal, not permitted items (such as candy, cell phones, or video games) dangerous, or stolen items.

Students who cannot follow the Camp Campbell Rules or are adversely affecting the safety and or experience of other students may be dismissed. If a student is dismissed for disciplinary reasons, no refund will be granted. In these instances it is the responsibility of the parent or guardian to pick up their child immediately from camp. The camp directors reserve the right to determine what constitutes a violation of these rules and will enforce them as necessary.

### **Camp Campbell Rules**

2. Be caring: do not hurt other people or yourself.
3. Take responsibility for yourself and your actions.

# Driving Directions to YMCA Camp Campbell

16275 Highway 9, Boulder Creek, CA 95006

If you decide to use an internet site for directions, please be advised that most mapping requests for Camp Campbell will show a route that uses Bear Creek Road. While this route is the fastest by a few minutes, the road has a lot of curves and is narrow.

**We recommend the Highway 17 route for school buses and individuals who may experience car sickness. Route 9 from Saratoga is appropriate for automobiles.**
