

Dear Parents:

Our class is going to do a special writing project. During the weeks of (date), your child will bring home a camera. They have been instructed to take 8 photos of anything they choose (examples: pets, self-portraits, brothers, sisters, grandparents, parents, projects, nature, friends, etc.).

After I have the film developed, students will write individual stories about each photo they took. I feel that the pictures the children take will provide visual prompts and a supportive framework for their writing. After we write and edit our stories, we will combine the stories along with the pictures in booklet form. The books will be sent home at the end of completion.

Thank you in advance for your support and assistance with this writing project. Please assist your child, if needed, in taking photographs.

Sincerely,
