Parent Support Group (6—8 p.m.)	5/26
ESOL 8th grade trip to High Point HS	5/27
Memorial Day	5/31

Principal's Message

Dear Students, Parents,
Guardians, and Community
Members,

As we move into the last month of the school year, it is important for students to finish the school year in a positive way. Having good grades during the last quarter helps students to be confident as they move to the next grade level and begin new classes in August. Our staff continues to work hard so that students continue to learn and gain further preparation for the next grade level. If students need additional help with mathematics or reading, after school tutoring is available Tuesday thru Thursday. In addition parents, we offer English classes for adults and students. If you

want more information about the classes, please visit Buck Lodge on Monday, Tuesday, or Thursday from 6 – 8.

Parents of 8th grade students! It is extremely important that the appropriate proof of residency documents are brought into school prior to the end of the year. Students will not be registered for high school without the documents.

As we approach the end of this school year, we wish our eighth grade students well. Our eighth graders have bright futures ahead of them, and we appreciate the two years that they have been at Buck Lodge Middle School. We look forward to the 2010-11 school year with our incoming sixth graders and our upcoming seventh and eighth

graders. I also thank our outstanding staff. Their great work for our students is valued and appreciated. Also, the help and support that we have from our parents and community members is so important and valued. Thank you for being a part of the Buck Lodge Middle School Family as together we work towards academic excellence.

James Richardson

Principal

Counselor's Corner

8th grade parents,
All updated proof of residency papers need to be turned in by Tuesday, June 1st, 2010. Please bring in

all documents to Buck Lodge Guidance Office between the hours of 8am -3:00pm. If documents are not up to date, your child will not be registered for high

school. If you have any questions, call Ms. Harrell, Ms. Korsan, or Ms. Dorn at 301-431-6290.

Congratulations 7th graders! 3rd Quarter Honor Roll

Physical Education Department Students of the Month

BLMS Physical Education Department congratulates the following students for their selection as "Physical Education Department Students of the Month". Each student received a Sports ball and a Certificate of Excellence.

Feb 2010

Melissa Martinez (8th Grade)

Briyan Gonzales (8th Grade)

Cinthia Ramirez (7th Grade)

Taliek Washington (7th Grade)

March 2010

Keith Jackson (8th Grade)

Melisa Pena (8th Grade)

Tyjana Green (7th Grade)

Orlando Sanchez (7th Grade)

Buck Lodge Physical Education Department

Technology Tips

1. Using technology is easier than you think!

Don't reinvent the wheel. Apply programs to your lessons and activities rather than rewriting your lessons to fit the programs

2. Collaborate with other teachers.

Many teachers around you have used a variety of technology in the classroom. Ask around and find out what works and where the problems may arise.

3. Test drive it first.

Just like you wouldn't buy a car without test driving it first, don't use the technology without giving it a test run so that you can trouble shoot. You don't want any surprises in the middle of a lesson.

Useful Technology Review

Have you ever bookmarked a website only to forget which computer you saved the site on? This is especially frustrating, especially if you need the link for work. Going back and forth between computers can mean losing track of where you save which information. But there is a way for you to keep track of your favorite links, regardless of which computer you are on.

Welcome to delicious.com. It is a great and free site where you can keep track of all of your favorite links. You can create labels for them so you can quickly search for your favorite website on root words or look for that great discovery education video on cell division.

Yearbooks are going fast...

Only a few yearbooks are left and they will go VERY quickly once they arrive. If you do not want to miss out, buy your yearbook soon. Cost \$25.

We're on the Web!
