Benefitting
Ronald McDonald House
Charities of West GA, Inc.
*A "home away from home" for families of
critically ill or injured children.*

Ronald McDonald House Charities of West Georgia, Inc., located in Columbus, GA, provides temporary lodging to families with seriously ill or injured children who travel to our city for specialized medical care. Providing a warm and supportive alternative to costly hotels or uncomfortable hospital waiting rooms, families can stay close to their hospitalized children. Our House offers them a place to call “home” at little or no cost so families can afford the best care possible for their children.

Our organization relies on the generosity of our community—business leaders, individual donors, a caring staff and host of dedicated volunteers to fulfill our mission.

All of these people are critical to our success, and without them, the charity would fail and families with sick children would endure even more hardship. Donors support our House by donating money, gifts and services, but through us, they are responsible for donating the biggest currency of all to parents of a sick child —

TIME.
