  - C. If self-employed:

- D. List containing serial numbers and denominations of bonds and name of record owner(s).

### III. Sponsor and Alien Liability.

Effective October 1, 1980, amendments to section 1614(f) of the Social Security Act and Part A of Title XVI of the Social Security Act establish certain requirements for determining the eligibility of aliens who apply for the first time for Supplemental Security Income (SSI) benefits. Effective October 1, 1981, amendments to section 415 of the Social Security Act establish similar requirements for determining the eligibility of aliens who apply for the first time for Aid to Families with Dependent Children (AFDC) benefits. Effective December 22, 1981, amendments to the Food Stamp Act of 1977 affect the eligibility of alien participation in the Food Stamp Program. These amendments require that the income and resources of any person, who as the sponsor of an alien's entry into the United States, executes an affidavit of support or similar agreement on behalf of the alien, and the income and resources of the sponsor's spouse (if living with the sponsor) shall be deemed to be the income and resources of the alien under formulas for determining eligibility for SSI, AFDC and Food Stamp benefits during the three years following the alien's entry into the United States.

An alien applying for SSI must make available to the Social Security Administration documentation concerning his or her income and resources and those of the sponsor, including information that was provided in support of the application for an immigrant visa or adjustment of status. An alien applying for AFDC or Food Stamps must make similar information available to the State public assistance agency. The Secretary of Health and Human Services and the Secretary of Agriculture are authorized to obtain copies of any such documentation submitted to INS or the Department of State and to release such documentation to a State public assistance agency.

Sections 1621(e) and 415(d) of the Social Security Act and subsection 5(i) of the Food Stamp Act also provide that an alien and his or her sponsor shall be jointly and severably liable to repay any SSI, AFDC or Food Stamp benefits that are incorrectly paid because of misinformation provided by a sponsor or because of a sponsor's failure to provide information. Incorrect payments that are not repaid will be withheld from any subsequent payments for which the alien or sponsor are otherwise eligible under the Social Security Act or Food Stamp Act, except that the sponsor was without fault or where good cause existed.

These provisions do not apply to the SSI, AFDC or Food Stamp eligibility of aliens admitted as refugees, granted political asylum by the Attorney General, or Cuban/ Haitian entrants as defined in section 501(e) of P.L. 96-422 and of dependent children of the sponsor or sponsor's spouse. The provisions also do not apply to the SSI or Food Stamp eligibility of an alien who becomes blind or disabled after admission to the United States for permanent residency.

## IV. Authority/ Use/ Penalties.

Submission of the information is voluntary. It may also, as a matter of routine use, be disclosed to other federal, state, local and foreign law enforcement and regulatory agencies, including the Department of Health and Human Services, Department of Agriculture, Department of State, Department of Defense and any component thereof (if the deponent has served or is serving in the armed forces of the United States), Central Intelligence Agency, and individuals and organizations during the course of any investigation to elicit further information required to carry out Service functions. Failure to provide the information may result in the denial of the alien's application for a visa or his or her removal from the United States.
