**2014-2015 Federal Verification Worksheet
Carthage College**

Your Free Application for Federal Student Aid (FAFSA) was selected for review in a process called “verification.” In this process Carthage College will be comparing information from your FAFSA with a copy of your IRS Income Tax Return Transcript. The law says we have the right to ask for this information before awarding Federal Financial Aid. If there are any differences between your FAFSA and your financial documentation Carthage College may need to make corrections electronically or by using your Student Aid Report.

Complete this verification worksheet and order a copy of your 2013 IRS Income Tax Return Transcript (if you did not complete the IRS Data Retrieval process) by visiting www.irs.gov or by calling the IRS directly at 1-800-908-9946. Please return this information to the Carthage College Office of Student Financial Planning as soon as possible so that your financial aid will not be delayed. If you need assistance please contact us at (262) 551-6001 or by email at Finaid@carthage.edu.
