WHILE HER FATHER, Apollo astronaut Eugene Cernan, travels aboard a more sophisticated vehicle, four-year-old Tracey Cernan sticks close to a more conventional mode of ground-bound travel near her Seabrook, Texas, home.

## Apollo 10 Speeds Closer To Moon

SPACE CENTER, Houston (UPI)—Apollo 10 and its three U.S. astronauts, flying an almost flawless course, sped ever closer today toward a perilous Wednesday rendezvous with the moon.

Ground controllers tentatively cancelled a correction of the course set for today and told astronaut Thomas P. Stafford, Eugene Cernan and John W. Young they would loop behind the moon and drop into orbit about 70 miles above the lunar surface—just one mile higher than planned.

The earth was a thin blue and white marble 177,000 miles away when the astronauts, who slept a bit later than planned,

awoke and first contacted ground control.

"It's a magnificent sight," Cernan said.

On a day fitting for exploration—the anniversary of Christopher Columbus' death—also the 1927 trans-Atlantic flight of Charles A. Lindbergh—Apollo 10 was smoothly heading toward its historic rendezvous with the moon.

In the final rehearsal for next July's Apollo 11 mission to make the first manned moon landing, Stafford, Young and Cernan will orbit the moon for 8 1/2 hours and Stafford and Cernan will swoop to within 10 miles of the surface to look for

## Dog Show

Some 450 dogs were being judged today at the Twin Falls Kennel Club's annual dog show at the Twin Falls County Fairgrounds, and the show began at 10 a.m. and continues until 2 p.m.

Trophies will be awarded for best of show, best of breed and best of class.

Bill Hoard, Twin Falls, is the show chairman.

## State Police Help Secure University

By United Press International

Missouri State Police helped secure the Lincoln University campus early today after a fire heavily damaged the Student Union and gunfire blazed out of dormitories.

The 3-year-old Student Union was damaged badly—a bowling alley, bookstore and cafe in the stone and brick structure were gutted—and fires also caused minor damage to two other school buildings, Memorial Hall and the library and storage building near the dorms.

More than 200 white and black students fought early today at Ferris State College in Big Rapids, Mich., and police notes were sent there, State said.

Twelve arrests were made and a number of students injured. Cars were overturned, windows broken and a dormitory damaged, police said, as students threw bottles, fire bombs and rock in the fighting.

At the University of Oregon in Eugene, one of a series of bomb blasts in the city caused damage in the administration office. Authorities said the dynamite bomb apparently was put under the building.

Students at George Washington University in the nation's capital ended a six-day Monday night, but another continued at Northeast Missouri State College in Kirksville. National Guardsmen patrolled streets near the University of California at Berkeley, and police used buses to counter student hit-and-run tactics at Stanford University Monday.

**RUSS LAUNCH SPACECRAFT**

MOSCOW (UPI)—The Soviet Union today launched its unmanned spacecraft into earth orbit and the news agency Tass said all equipment aboard Cosmos 262 was "functioning normally."

## Council Retains Architect For Downtown Project Construction

Twin Falls City Commissioners Monday night approved an \$81,733 contract retaining Jones-Felberg Associates Architects to oversee the design and construction phase of the Downtown Redevelopment Project.

The city's approval followed similar contract approval earlier Monday from the Twin Falls Urban Renewal Agency.

The lump-sum contract is 10.5 per cent of the project cost. The city approval of the architect's firm that earlier had approved the College of Southern Idaho campus was granted on the recommendation of Earl Eaton, chairman of the Downtown Coordinating Committee.

In other action, city commis-

## Public Lands Meet Is Concluded Here

Approximately 125 county officials from thirty-two western states concluded the 29th annual convention of Interstate Association of Public Land Counties Tuesday in Twin Falls with hours to nearby scenic areas.

In final business sessions Monday afternoon, the delegates elected Sam Steele, county commissioner from Maybell, Colo., as president. He succeeds Frank O. Riedler, Big Lost, Utah.

Others elected included C. A. Grant, American Fork, Utah, regional secretary-treasurer; Jim Brockman, Donner County, Idaho, vice president; and J. Fred Schneider, Denver, Colo., counsel.

Morris W. Carlson, Twin Falls, former state association president, was general chairman of the convention. He said Tuesday delegates showed a great deal of enthusiasm during the meeting for the association's program.

Speakers Monday afternoon generally urged counties with a large amount of their geographic area in public lands, to work toward sale of state and federal lands to private ownership where practical.

U. S. Congressman Lawrence J. Burton, R-Utah, a member of the Public Land Law Review Commission, discussed several possibilities under study by his group that may soon be made public to benefit such counties.

## Gov. Urges Jobs For Young

BOISE (UPI)—Gov. Don Samuelson has urged all state departments "heads" to "make every effort to provide jobs for youth this summer."

"Each summer we have thousands of young people seeking work in order to earn money for additional education and to become a part of adult's work force," Samuelson said in a memorandum to all agencies.

"Your support can greatly assist these young men and women in obtaining their goals."

## Envoy's Voice New Hope For Viet Peace

PARIS (UPI)—American and South Vietnamese negotiators displayed hopeful spirits today over signs of apparent progress in the Vietnam talks.

The reason for optimism was Thursday's 18th formal session, and an American spokesman said the Communists "should have come to grips" with the U.S. peace plan by then.

The American plan is the eight-point program presented by President Nixon Wednesday. Eleven days ago the Communists offered their own 10-point program developed by the National Liberation Front (NLF), political arm of the Viet Cong.

"We have a great deal of work ahead of us, obviously," said one Allied diplomat.

One obvious piece of work was the gap between the two sides on the question of troop withdrawals.

The Communist program calls for U.S. withdrawal "without any condition whatsoever" and says the "question of withdrawal of Vietnamese armed forces" in South Vietnam

# CSI Trustees OK Record Budget Of \$2.02 Million

By RUTH MILLER  
Times News Staff Writer

College of Southern Idaho trustees Monday night approved a 1969-70 budget in excess of \$2 million, the first time in the college's four-and-a-half year life that expenditures have reached that mark.

The unanimously approved budget is \$2,023,729, up about \$300,000 over the 1968-69 budget.

The budget is predicated on an enrollment of about 7,200 students in 1969-70, although about 2,000 actually enrolled during that period.

Dr. James L. Taylor, CSI president, said although the 1968-70 budget has risen substantially over the 1968-69 figure, the mill levy should not increase, and may decrease.

According to a new state law, CSI and other local taxing units must certify budgets in dollars rather than mills this year, so the exact mill levy will not be known immediately.

About \$625,000 of the budget will come from local taxing sources—\$215,398 for bonded indebtedness and \$410,000 for maintenance and operation.

The remaining share, about two-thirds, will come from state funds, student tuition and fees,

state and federal vocational education money, the college's share of the county liquor refund and federal assistance.

Dr. Taylor said with the increase in state appropriations for junior colleges we will be able to meet the budget without any increase in the mill levy.

The total levy for 1968-69 was 5.5—5.5 mills for maintenance and operation and 3 mills for bonded indebtedness.

Dr. Taylor said he feels it important to point out to the taxpayers of Twin Falls and Jerome counties that "we have seen a substantial increase— from 2,000 students during 1968-69 to a projected 7,200 by 1969-

70—without any substantial increase in taxes from the district.

Members of the board expressed their appreciation to area legislators for their role in providing more support at the state level for junior colleges.

The two state junior colleges, CSI and North Idaho Junior College at Coeur d'Alene, received an appropriation of \$1.4 million for the next biennium.

This is an increase to the two colleges of \$500,000 over the last biennium. Distribution of the funds is made according to student enrollment. By this formula, CSI should receive about 67 per cent of the \$1.4 million.

## Nixon To Meet Van Thieu

WASHINGTON (UPI)—President Nixon and South Vietnamese President Nguyen Van Thieu will meet on Midway Island for a few hours on June 8 to "discuss together the war in Vietnam and the search for a peaceful solution," it was announced today.

The Pacific meeting, which will be Nixon's second trip abroad and his first meeting with Thieu since taking office, was announced by the White House soon after the South Vietnamese president publicly requested such a conference.

Nixon's eight-point peace proposal, issued last week, created some controversy in Saigon—particularly Nixon's proposal for international supervised special elections presumably with the participation of the Communists in South Vietnam—Thieu's severe opposition to any coalition government.

Thieu made his public request for a meeting with Nixon after conferring with the Secretary of State William P. Rogers.

Before assuming the presidency, Nixon made a tour of South Vietnam, Laos and Saigon. President Lyndon B. Johnson conferred with Thieu several times during the previous administration.

## Camas Lilies

The camas lilies, for which Camas Prairie was named, will bloom in about two weeks. The flowers are expected to be especially showy this year with the extra water.

Camas lilies grow in the swamp areas, and when in full bloom create an illusion of a blue lake. The flowers are most abundant along the Malad River.

All wildflowers in the Camas Prairie area are especially pretty this spring, due to the extra moisture.

## Bids May Be Let In August For CSI Jobs

Bids for the combined library-administration student union building and a co-educational dormitory on the College of Southern Idaho campus should be ready to let before this fall.

Dr. James L. Taylor, CSI president, told the college trustees a meeting Monday night the bid date should be "pretty close to Aug. 15."

College officials and architects are now replanning the library-administration student union building which will combine Office of Education and Housing and Urban Development funds.

Earlier plans called for separate student union and a library-administration building, but because of rising costs, trustees have elected to combine the buildings.

"I think the idea and theme are satisfactory," Dr. Taylor said, but noted some problems have arisen because of the combination of funds.

Dr. Taylor and architect Ed Jones conferred recently in Denver with OE officials to present three plans for the complex. Dr. Taylor said one of the plans was readily accepted.

"The primary concern he said is to identify the square footage for both cooperating agencies."

also to determine the square footage in common areas such as hallways, lounges and rest rooms.

Dr. Taylor also told trustees he is investigating the possibility of obtaining \$250,000 from the Higher Education Facilities Act, to match with the \$250,000 appropriated to the college from the state's permanent building fund.

The \$500,000 would be used to construct an on-campus vocational building.

## Heyerdahl Prepares Boat For Epic Trip

SAFI, Morocco (UPI)—Thor Heyerdahl, the explorer, is preparing today in preparation for his voyage.

"The papyrus is gradually soaking up water as it settles down to its planned level," Heyerdahl said. "We estimated that eventually we will be carrying some 60 tons of water soaked into the reeds, five times the weight of the boat itself."

Saafi fishermen shake their heads in cynicism every time the Ra is mentioned. They and others who consider themselves experts in sea travel believe the unusual vessel will become waterlogged and sink or disintegrate from the salt water before Heyerdahl and his crew of six get far from land.

Heyerdahl, a Norwegian anthropologist, has heard such arguments before. When he prepared to set sail across the Pacific on the balsa raft Kon-Tiki in 1947, critics forecast the flimsy vessel would not make it. It did, and Heyerdahl proved that that yappy ancient man could have migrated from South America to Polynesia.

## Alies Take Hill After Savage Fight

SAIGON (UPI)—American and South Vietnamese forces today formed up the slopes of Hill 214 under heavy fire from North Vietnamese dug in on the summit and captured the strategic peak on Hill 214.

The battle for the 3,000-foot mountain overlooking A Shau Valley cost the Americans at least 350 casualties, most of them wounded. A combat officer said it was the toughest fight since World War II.

The final assault by 1,800 allied troops, including a battered battalion of the 101st Airborne Division, was launched at 10 a.m. today, the 10th day of the battle. It was the 12th time the paratroopers charged up the slopes to try to dislodge the North Vietnamese troops from their fortified bunkers.

U.S. fighter planes, helicopter gunships and artillery pounded the North Vietnamese positions during the final charge. UPI correspondent David L. Smith reported from the battlefield.

## Cold Weather Slows Threat From River

HAILEY — Flood threat in the Hailey area has again been deterred by cooler weather.

Woodrow Watts, deputy watermaster, said the reading at the Halley measuring station was 3.01 Tuesday morning, down four inches from Monday.

It was 30 degrees here at 8 a.m. Tuesday with frost on alfalfa fields, but no frost damage was reported to crops. Intermittent rain and snow and hail fell Monday night in the area.

The river rose three inches Monday because of rain in the Clearing and Kootenai basins Sunday, but the water had lowered Tuesday because of the colder temperatures.

## Filer Boy, 4, Satisfactory After Mishap

A 4-year-old Filer boy was taken to St. Luke's Hospital Tuesday, Monday on Highway 30.

Kelly Westendorf was a passenger in a 1969 Ford driven by his sister, Julia Westendorf, 17, also Filer. The boy was first taken to Magic Valley Memorial Hospital and was transferred Monday evening to Boise. He received head injuries in the accident.

Officers said Miss Westendorf, traveling west on Highway 30 four miles west of Twin Falls, failed to obey a flagman at a construction site.

A belly-dump truck, driven by Richard W. Mittelstead, 76, Pocatello, backed into the passenger side of the Ford where the child was sitting.

Officers said the accident happened where state crews are repaving Highway 30.

A flagman was posted at the site, telling all drivers to stop, but officers said Miss Westendorf failed to do so, and a metal projection on the rear of the truck struck the car.

Nelmer Miss Westendorf, the driver of the truck was injured. Young Westendorf was taken to the hospital by Magic Valley Ambulance Service.

## Rupert Bus Routes Back To Normal

RUPERT — Mindoka county bus drivers completed their routes on schedule Tuesday. The calm followed a busy morning Monday when it was discovered about half of the buses were temporarily put out of commission by vandals, causing some students to be as much as an hour late for school.

Supt. Candace Meyer said vandals had crossed wired buses, thrown away keys and removed gas caps. Drivers were forced to double up on their routes to get the students to school.

Mindoka county sheriff's officers are investigating the incident but no suspects have been arrested, Supt. Meyer said he believes it was "kids on a prank."

## Minor Fire Hits

### Downtown Fence

A trash fire spread out of control Monday afternoon in downtown Twin Falls burning a wooden fence, Twin Falls firemen said. Damage was reported minor.

The fire, at 4:27 p.m., was between Dutch's Furnishings and Appliances Inc., 251 Main Ave. W. and a corner vacant lot. One truck answered the call and had put the fire out within three minutes. Firemen said there was no damage, except to the fence, owned by Mrs. Florence Toffentle.

## Weather Synopsis

An upper air disturbance now centered over the Oregon-Idaho border is moving eastward slower than was anticipated. As a consequence, showers and thundershowers can be expected today and this evening. Wednesday in Idaho, a few showers may still persist today over the Magic, Southwest Idaho and Malheur valleys. Clearing will begin by evening as far east as Magic Valley, and clearing should begin during the night in the Eastern Idaho valleys.

Cooler air, which spilled into Eastern Oregon and Western Idaho yesterday, will spread on toward Idaho today and tonight. Highs today will be from the lower 60s to the mid-70s across this region. Tonight will be quite cool with lows in the mid-30s to the lower 40s. Scattered light frost is possible tonight in the Malheur, Southwest Idaho, and Magic Valleys. Fruit growers should be prepared to protect crops if necessary.

Wednesday a night will be warmer in Magic Valley, and the Eastern Idaho valleys can expect frost or light freezes Wednesday night.

Winds will tend to increase to around 20 miles an hour at times today in all areas, and stronger gusts are likely near the scattered thundershowers in Idaho valleys.

## Minnesota Man Found Dead At Buhl

Buhl — The body of a Minnesota man found Monday morning in his hotel room has been shipped to Minnesota for funeral services.

Buhl Police Chief Dick Frazier said the body of Elmer E. Frabin, 57, St. Cloud, Minn., was found about 8:30 a.m. Monday in his room at the Buhl Hotel. When Mr. Frabin did not appear at his usual hour, the hotel desk clerk notified officers who entered the room and found the body.

County Coroner Clyde Edwards said Mr. Frabin died of natural causes and no autopsy was set.

The dead man was last heard about 3 a.m. Monday. Chief Frasier said Frabin was standing in the Buhl area on a fishing outing.

The body has been sent by the Alexander Brothers to be taken home to Marshall, Minn., for services and burial.

## Pay Increases

BOISE (UPI) — The State Board of Education Monday handed out pay raises to the heads of the state institutions of higher education totaling some \$8,000 a year.

The raises were not expected to be quite so high. Dr. Ernest Hartung, president of the University of Idaho in Moscow, will be earning \$29,500 a year instead of \$27,500. Gov. Don Samuelson earns \$17,500.

Dr. William E. Davis of Idaho State University was raised from \$26,000 to \$28,000 while Dr. John Barnes, president of Boise State College, will go from \$25,500 to \$26,500.

Other raises included by the board of education at its quarterly meeting include Dr. Gerald O. Dugger, president of Lewis-Clark Normal School, \$17,500 from \$16,500 and Winston G. Taylor, superintendent of the State Youth Training Center at St. Anthony from \$14,800 to \$15,500.

Ed W. Reay, superintendent of the School for the Deaf and Blind at Gooding, will go from \$14,800 to \$15,500.

## Takes Wealthy Man To Live In Alaska

Hamburger selling for \$1.20 a cent in Seattle is 51 cents in Bethel. Ice cream there at 94 cents is \$2.04 here. Bethel carrots are double and Bethel eggs more than double and Bethel carrots nearly triple.

The result of the food cost comparison is simple and blunt: Bethel is a lot richer than Seattle for \$17.54 would cost \$32.31 in this part of Alaska. The local cost of living, in other words, is 84 per cent higher.

Stunned as these figures are, they come as no surprise to the numbers consumers of Bethel. Many people here have migrated up from what they call the "lower 48" and have made their own cost comparisons.

"The Richard Schneider family moved to live in Anner Arbor, Mich. The husband is the area director for state welfare, and the wife is a professional dietitian, and the four children are all of college age.

"When we first came up here," says Schneider, "we thought we'd do pretty well. After all, I'd be making \$13,000 and my wife another \$8,000. Bethel in Michigan a \$20,000 income seemed like a tidy sum.

"Here in Bethel, however, it's not much at all. We found our first real work in the grocery store. Since coming we haven't saved a penny. As a matter of fact, we have difficulties even balancing our check-book."

Continued From Page One shall be resolved by the Vietnamese parties among themselves.

Nixon plan calls for "all non-South Vietnamese" forces to begin withdrawal "as soon as agreement can be reached." American Secretary of State William P. Rogers said at a news conference in Saigon today that withdrawal of outside forces "could begin in which the U.S. is ready to play its part."

He said withdrawals would be conditioned by progress in the Paris military negotiations and the situation in Vietnam and the ability of South Vietnamese troops.

## Unpatriotic

PHILADELPHIA (UPI) — Historic Betsy Ross House had one visitor over the weekend who didn't go home out of patriotism.

When Director William Kinsley opened the national shrine on Monday he found \$1.78 in souvenir receipts had been stolen from a cabinet. The amount of the loot matched the year in which the Declaration of Independence was signed at Independence Hall, several blocks away.

Police theorized a "visitor" or "hid in the building and committed the burglary after the shrine closed.

## Nixon Plans Vacation In California

SAN CLEMENTE, Calif. (UPI) — President Nixon will spend his first extended vacation since taking office in his favorite White House here, a spacious Spanish-style dwelling overlooking the Pacific.

Nixon said in Washington, D.C., Monday that he and his family would vacation at the home in August.

The President and his wife stayed at the house during a visit to Southern California in March. They liked it so much that they agreed to purchase about five acres of the 20-acre estate, including the 10-room home, a two-bedroom guest house and tennis court.

He was graduated from Wendell High School in 1963.

### Mother's Wish Brings Burial Deep In Ocean

**WASHINGTON (UPI)** — A mother's wish to be buried near her son was realized Saturday when the body of Mrs. Alexander Hillon was lowered from a Navy ship into the Philippine Sea—the exact spot where her son died in a plane crash nearly 25 years ago.

The Navy said it was the first time an Army nurse inducted that she was buried in the 325 miles north of the son, Navy M. G. Alexander.

His death in a Navy patrol plane was the salvage diver halted Saturday at 15 degrees, 6 minutes longitude, 139 minutes east, a solemn ceremony out Mrs. Hillon.

### 8th Graders Will Receive Diplomas

**BUHL**—Thirteen eighth grade students of the Immaculate Conception School will receive diplomas Wednesday morning. Mass will begin at 1:30 a.m. and lector for the eucharistic celebration will be Kenneth Wasiko. Guitar accompaniment will be furnished by Sister M. Patricia Watson, RSM, Connie Crawford, Sharon Tappin, Michael Harnar, Constance Wetstein and Melinda Erkins.

During mass the eighth grade students will lead the congregation in singing.

Diplomas will be awarded by Rev. Thomas A. Heran.

After mass, the students will be served dinner by the seventh graders and later a social hour will be held in the multiple service room of the school.

Members of the graduating class are James Caphey, Connie Crawford, Robert Christopher, Melinda Erkins, Jerry Fischer, Michael Harnar, John Koles, Darrell Schmidt, Richard Scott, Sharon Tappin, Teresa Ann Wagner, Kenneth Rescoe and Constance Wetzelin.

**ROBERT C. KING**, mascot of the Twin Falls High School, has been elected body president of the school. He is the son of Mr. and Mrs. Robert C. King, vice president, secretary, treasurer, and son, assistant. He is assisted by son, Teresa I. King, mascot.

**USE A FLAGPOLE** when there's no tree limb handy. That is what 12-year-old Miles Miller and 13-year-old Lonnie Tamme, both Twin Falls, discovered as they used the flagpole at the Twin Falls School District Administration Building to launch themselves far out above the Main Avenue sidewalk. The youths stood on the high fence on one side of the approximately 80-foot-high flagpole, and swung out Tarzan-like some 30 feet on the other side of the pole. Perhaps it's a sign that summer fun is about to eclipse the school-year regimen. The blurring of the image of the boy on the rope indicates the speed with which he is swinging.

### Baccalaureate Held Sunday At Shoshone

**SHOSHONE** — Speaker for the high school baccalaureate service Sunday evening was Rev. Hardy Thompson, Methodist minister.

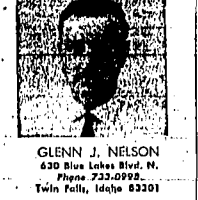

Mrs. Doris Savaria played the professional and recessional and Bishop D. H. Hansen, LDS Church, gave the prayers. Rev. Wesley Johnson, Assembly of God Minister, gave the scripture.

Jeanne Larsen played a piano solo, Kathy Trenkle sang the Lord's Prayer and Chris Carlson played a piano solo.

Corsages for the graduates were provided by Bergha Futeral Chapel.

High school graduation will be held at 8 p.m. Wednesday at the high school gymnasium.

Those Credit Cards

Fraudulent use of credit cards is costing American firms and their legitimate customers at least \$20 million a year.

Service stations, department stores, hotels and restaurants are the chief targets of bogus credit card holders, says Pinkerton's, Inc.

There is no mystery about the phenomenon. There are 400 million of the little plastic oblongs now in circulation in the country and some \$5 billion in charged purchases are made with them each year.

A stolen, found or otherwise acquired card in the wrong hands — or in the hands of a thief ring to which a card is fenced — is better than a blank check.

The potential purchasing range, both economic and geographical, of a single credit card will vastly increase in the future.

interchangeable by next summer, reports the USA Standards Institute. These firms are the major issuers of credit cards.

This will add even greater reason for card holders to take a few sensible precautions to protect themselves.

Don't carry more cards with you than you need or can use, especially on business trips or vacations out of the area in which you reside.

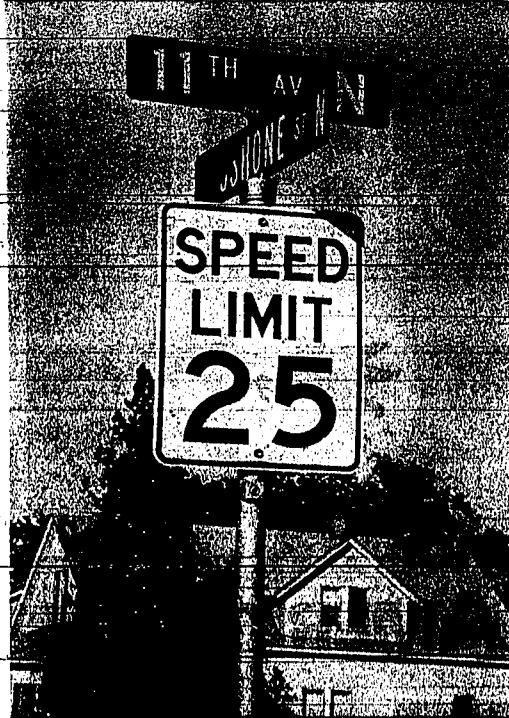

Keep not-in-use cards in a safe place and retain a list of the cards and numbers registered to you.

Carry credit cards in a separate holder, not in your wallet. Driver's licenses and other identifying papers most people carry in their wallets or billfolds make stolen credit cards even more valuable to the crooks.

Report a lost card immediately. As printed on the reverse of most credit cards, the holder is responsible for all merchandise and services obtained by any person "whether or not authorized by the holder."

Most Ignored Sign

No doubt about it, this is the most ignored sign in the City of Twin Falls.

As you can see it sits at the corner of Eleventh Avenue North and Shoshone Streets North.

People coming towards the downtown section from Addison Avenue East and Blue Lanes North all pass by it as they crowd onto Shoshone Street North.

The sign says the speed limit is 25 miles an hour. That, apparently, is the truth but no driver pays any attention to it.

At practically any hour of the day — or night — you can clock people on Shoshone Street going well over the posted sign, as shown here.

those who, according to law, are too young to possess cigarettes do not have them then just take a gander at the students coming out of the local high school or, for instance, the O'Leary Junior High.

Kind of silly having laws which are not enforced — or which really cannot be enforced — right?

Southern Youths Migrate To The North

RALEIGH, N.C. (NEA) — In a few weeks, at high school graduating time, it will happen again as it has often before: Graduating young Negro boys will flock to bus and train stations to head north from North Carolina's tobacco lands and other rural sectors.

But the outflow goes on. North Carolina Negroes once made the inner cores of Washington, Baltimore and Philadelphia their great migration targets. Today, the migrants' impact is spread more widely to include lesser cities in the seaboard region.

And that portends another minor revolution which, in perhaps the next six to eight years, will see some 150,000 farm jobs held mostly by Negroes. That total is the potential migration pool in the time just ahead.

Only three U. S. counties have a farm population of more than 40 per cent. In North Carolina's tobacco belt, in this belt and in some Piedmont counties, the acreage is in real business.

Experimental efforts, but commercial production is yet to come. The big farm equipment makers are not interested at this point. They need not only a vastly bigger domestic market than North Carolina and other producers of fine-cured tobacco can provide, but a large foreign outlet as well.

Police: Reliable Bulwark

WASHINGTON (NEA) — A close friend, vice president of one of the nation's great universities, recently visited here. He was in despair. He saw no way out of the problems of his school and other schools with which he was familiar.

Such deficient men must be eliminated from the force. Such corrupt departments — and their chiefclerks — must go. It is necessary that we get hard and idly, for one of the most effective tools of a totalitarian society is the informer.

Brookings Institution (for scholarly research) and Johns Hopkins School of Advanced International Studies.

But there seems to be a growing danger among us to want to throw out the baby with the bath water. For most police are honest, the vast majority, since family men, even as you and I, it is in the interests of us all to back the police as an institution.

The aging widow of a nationally famous artist tells me she has just bought a revolver and taken training in its use. She keeps the weapon by her bed at night because she fears for her life. She is afraid to sleep in her house alone without it.

In a totalitarian society, police are the final arbiter of tyranny and repression. In a free society, "police" are the target because they are something which they are not.

PAUL HARVEY

Man Rapes His Own Habitat

Now we must learn to manage our resources or our children's children will lack the essentials of survival.

Resources management, therefore, is worthy of our best men; it demands the application of our highest skills.

With an infrared scanner aboard an airplane (reflecting heat) fires can be detected day or night. One airplane can scan 8,000 square miles in four hours.

For example, "protection" of our forests is not enough. In our balance of nature, lightning fire has helped to preserve variety in plant life.

It is important that we know more about this relationship, so our Forest Service is experimenting with "prescribed burning."

Vegetation is inventoried in prescribed areas of the Flathead Forest, then burned under a variety of weather conditions.

Afterward, watershed management experts study runoff potential, wildlife habitat people study what wildlife returns and in what sequence, timber specialists study regeneration of the forest.

From these and other considerations, we are learning which fires are beneficial, and which are destructive.

I have been immensely impressed with the conscientious dedication of federal and state forest and wildlife people who live "outdoors" where the malignant destruction of our life-support resources is most conspicuous.

Meanwhile, mobilizing science against the increasing menace

of the man-made 80 per cent of our forest fires, we are now able to employ electronic surveillance.

With one hand they try to fight off, to hold back, the pollution and destruction which are your mortal enemies; with the other they beckon to you for help.

ART BUCHWALD

Round In Circles

WASHINGTON — You can talk about the antiballistic missile system from now until doomsday (I'm sorry I had to use that word), but you still go around in circles.

One of the strongest proponents of the ABM system is a friend of mine who has been assigned by the Pentagon to convince skeptics like myself that we really need an ABM system. Since they have no funds yet, I bought him a drink.

"I don't think I could make a stronger argument for the ABM," he said, "than the fact that Secretary Laird has revealed the Soviets will have a first-strike nuclear capability by 1975."

"That's pretty strong," I admitted. "But how come Secretary Laird found out about this first-strike Soviet capability and Secretaries McNamara and Clifford knew nothing about it?"

"Laird reads more."

"Look, a few months ago you told me that the reason we needed an ABM system was to protect our cities from Soviet missiles. Then you said it was to protect our cities from Red Chinese missiles. After that, you said we really need to protect the cities so we had to protect our missile launching sites. Now you say we need it because the Soviets are building new first-strike missiles with which you make up your mind?"

"Actually, it's a little of this and a little of that," he said, "my friend. We're in a quandary about the system, but we're still not quite sure what we need it for. It has many uses."

"Because Secretary Laird says so." "What about the cost?" "That's all anyone ever thinks about when you mention the ABM in this country — money."

"I know there are many scientists and Nobel Prize winners who are attacking the system, but what they don't realize is that if they say the system won't work the Soviets will be encouraged to go ahead with their offensive missiles, and the more missiles they stockpile the more they'll be encouraged to try a first strike."

"But why?" "Because Secretary Laird says so."

"That's all anyone ever thinks about when you mention the ABM in this country — money," my friend said in disgust. "Instead of worrying about what it's going to cost, you should get down on your knees and say 'Thank God I can live in a country that can afford an antiballistic missile system.'"

"Sometimes," I said, "I said, 'Americans don't know how lucky they really are.'"

Dear Dr. Thosteson: Much has been said about methods of increasing breast size. Is it true that you can be done by injections? Is it safe? What would the later consequences be? Mrs. L.V.W.

have to be solved, years after such injections have been made, is an interesting and important question. In the present, all I can say, and repeat, is that such injections have not proved their usefulness yet.

I wouldn't bother this subject for fear you and your readers continue to believe me. There has, indeed, been a lot of talk about increasing breast size by injections, the words having been much accompanied by mistaken ideas.

Physicians can be controlled. I know how to live with this serious long distance, write to Dr. Thosteson in care of this newspaper, requesting a copy of the booklet, "How to Control Emphysema," enclosing a long self-addressed, stamped envelope and 30 cents in coin to cover cost of printing and handling.

At the present moment, the United States government no longer finances the use of all-glass lenses for lenses, even under experimental conditions, which was the most I ever did. If any such treatments are now being given, they are being bought by license.

Dr. Thosteson welcomes all reader mail, but requests that letters to the tremendous volume received daily, be in unable to answer individual letters. Readers who are incorporated in his column whenever possible.

Efforts are still being made to find some satisfactory method, but none has been devised. A physician who keeps track of his patients has to insure that the no-go girls, whose attempts with this method seem to have implied much of the talk about "outdoors" where the malignant destruction of our life-support resources is most conspicuous.

The problem is that no other way has been found to insure that the all-glass will stay in position, without sagging or changing shape.

This in itself would seem to be a good way to want to (and with this method of present) what further problems may

### Twin Falls Legal Secretary Gets National Qualification

Sheila McKinley, secretary for the law firm of May, May and Bennett, has become the first secretary from Idaho to participate in and pass the examination for Professional Legal Secretary rating.

Miss McKinley was informed last week that she had passed the examination. Miss Clara Leung, Fort Worth, Tex., PLS chairman, PLS Certification Board, said she was the first from Idaho and there are only 142 Professional Legal Secretaries in the United States.

The exam requires two days, or about 16 hours. It consists of six parts, including written communication skill and knowledge; human relations; secretarial procedures and office management; secretarial accounting; legal terminology, techniques and procedures; and legal secretarial skills.

To be eligible for the examination, legal secretaries must have five years experience as a law firm secretary and must maintain a good reputation.

Tests are sponsored by the National Association of Legal Secretaries and are given at accredited colleges and universities. There are currently chapters of the organization in Boise, Idaho Falls, and Lewiston-Clarkston, with a national membership of more than 14,000.

Miss McKinley says she is hopeful other Idaho legal secretaries will qualify for and take the exam.

**WASHINGTON (UPI)**—President Nixon's consumer affairs adviser, Mrs. Virginia H. Knauer, called today for strong legislation to protect a borrower's credit status from possible unfair and damaging reporting by credit information bureaus.

Mrs. Knauer told a senate subcommittee considering legislation introduced by its chairman, Sen. William Proxmire, D-Wis., that the Proxmire bill should be made even stronger "where a person's reputation can be ruined or his character permanently maligned."

The Proxmire measure would insure confidentiality of credit information, give an individual the right to correct his file, require that a person be notified of an adverse report, and permit reporting only of information needed for the purposes sought.

# Senator Confers On Mine

WASHINGTON (UPI)—Sen. Frank Church, D-Idaho, said Monday he plans to meet with high officials of the U.S. Forest Service this week to determine what administrative action is available to deal with the issue of open pit mining in the White Cloud Peaks area in central Idaho.

The American Smelting and Refining Co. currently plans to develop a molybdenum mine near Castle Peak in the White Clouds. The proposed mine would reportedly result in devastation of 3,000 acres of Idaho's finest primitive area.

Church said Monday he has asked the director of the Forest Service, Edward P. Cliff to confer with him in Washington on the issue.

The Idaho Senator said his personal position is "in complete sympathy with those who want the White Clouds preserved against the onslaught of such damaging mining operations as those contemplated by American Smelting and Refining Co."

some ways a pub is more conducive to communication than a one-way "conversation" from a church pulpit. "There is a lot of phoniness on the pub scene," Lind admits; "but there are also a lot of people searching for themselves." (UPI telephoto)

# Eugene Police Seek Motive For Series Of Dynamite Blasts Throughout City

EUGENE, Ore. (UPI)—A series of dynamite blasts damaged at least five structures late Monday and early Tuesday in this western Oregon community, none of the University of Oregon and second largest city in the state.

No injuries were reported. Police said the explosions damaged a state highway maintenance station, a bank, Eugene Register-Guard newspaper, a church and the Admissions Office at the university.

"We believe it was dynamite," said Sgt. Robin Hunter, laboratory technician with the Eugene Police Department. "About a half dozen sticks or more were used at each

explosion site." Eugene, a city of 51,000 people, is located in logging country where dynamite is used extensively and is readily accessible.

Police called out all available officers to patrol the city, and began stopping motorists to check their activities during the early morning hours.

Eugene police believed the dynamite was thrown from a car as the vehicle traveled in a east-to-west direction through the city.

The first blast just before 11 p.m. occurred at the state highway shops a few hundred feet from the state police office.

There was a fire at the shops but it was quickly extinguished. The next blast occurred about 15 minutes later at the First National Bank of Oregon branch a block from the University of Oregon campus.

The explosion blew out the windows of offices along the side of the bank and pieces of a wooden fence along the building 20 feet away.

# 'Reckless' Credit Reports Deemed Hazard To Nation

WASHINGTON (UPI)—Paul Rank-Dixon, chairman of the Federal Trade Commission, said Monday an ongoing report from a private, unregulated credit bureau can ban a person from the nation's buy-

now-pay-later economy. Rank-Dixon told senators few people understand the operation of the credit reporting system, even though it can hold the power of economic life or death over them.

Dixon and Mrs. Virginia H. Knauer, President Nixon's special assistant for consumer affairs, endorsed legislation intended to regulate credit bureaus and to give the public a chance to correct the bureaus' reports when they are inaccurate.

# Tribunal Allows Probation For 3 Years Without Trial

WASHINGTON (UPI)—The Supreme Court today said a man can be placed on three years' probation for contempt without a jury trial.

The 5-3 decision came in the case of Ben J. Frank, convicted of criminal contempt in a U.S. District Court in Oklahoma City for violating an order barring his use of interstate facilities in the sale of oil interests not registered with the Securities and Exchange Commission.

Justice Thurgood Marshall noted it has long been the rule that contempt of court charges may be tried without a jury.

In ordinary prosecutions, the severity of the penalty authorized does not control the trial imposed, is the yardstick. But judges have unlimited discretion where criminal contempt is concerned.

For contempt, the court has already held in earlier cases that sentences up to six months may be imposed without a jury trial.

Marshall agreed with the Justice Department that the three years' probation placed Frank in the "penalty" category. Warren, in an unusually caustic dissent, said the court is permitting "an alarming expansion of the nonjury contempt power."

He said the decision "stands as an open suggestion to the courts to utilize oppressive practices for avoiding unjustified times such as these, issues that must be squarely faced, and for denying our minorities the full rights under this 1st amendment."

Sen. William Proxmire, D-Wis., said credit bureau files are often incomplete and misleading, even if the information they contain is technically factual.

Mrs. Knauer said the regulatory bill "would be consistent with the policy of the Nixon administration."

She said it should be made even tougher in cases "where a person's reputation can be ruined and his character permanently marred."

CIVILIANS SENTENCED—ATHENS (UPI)—Nine civilians were sentenced to jail terms ranging from two to 20 years on subversion charges Monday. Four of these sentenced were convicted for offering shelter to fugitives sought as suspected Communists.

## Magic Valley Obituaries

### Mrs. Hewitt

GOODING - Graveside services for Mrs. Mary Matilda Hewitt, 54, who died last week in a Veterans hospital, were held Tuesday afternoon at Elmwood Cemetery by Bishop Bobby Rogers.

She was born Jan. 31, 1915, at Vernal, Utah, and attended school there. She was married to Lester Hewitt and worked as a nurses aide at Holy Cross Hospital and County Hospital, both in Salt Lake City. She attended the LDS Church in Ogden.

### Funeral Services

Orval E. Fillmore, 10:30 a.m. Wednesday, Reynolds Funeral Chapel.

### Dennis Gergen

HAZELTON - Funeral services for Dennis Michael Gergen, 16, who died Sunday as the result of a tubing accident in the canal near Hazelton, will be conducted at 2 p.m. Wednesday at the Hazelton LDS Church.

He was born Jan. 1, 1953, at Twin Falls and had lived all his life in the Hazelton area. He attended the Hazelton Elementary School and Valley High School.

### Mrs. Baumann

Mrs. Juanita (Nita) Annette Baumann, 44, former Twin Falls and Pocatello resident, died Sunday night in the Concord Hospital, Pleasant Hills, Calif., after a short illness.

Born Aug. 10, 1924, in Castleford, she attended school in Twin Falls and was married to Gerald Baumann May 21, 1948, in Twin Falls. In 1958, she moved to Pocatello and last year to California. She was a member of the St. Edward's Catholic Church and St. Joseph's Catholic Church, Pocatello.

### North Dakota Suspect Is Found Here

A man wanted in North Dakota for obtaining money under false pretenses was apprehended near Twin Falls at 4:40 a.m. Tuesday.

Vorly Andrew Tuttle, who has been in the Twin Falls area since a short time, was apprehended in a routine check by Twin Falls County Deputy Ron Garey. The officer stopped to check a parked car along Told Line Road. A check on the occupant, Mr. Tuttle, found he was wanted in North Dakota.

Sheriff Paul Corder received confirmation from Valley City, N.D. Tuesday and the officers there said they would send warrants and extradite.

The original warrant against Mr. Tuttle was issued May 27, 1968.

He is being held in Twin Falls County jail.

### Nixon Aides Warn Surtax Is Essential

WASHINGTON (UPI) - President Nixon's top economic advisers told Congress today that if it refuses to keep the income tax surcharge in effect, chances of increased inflation will be significantly boosted.

Treasury Secretary David M. Kennedy, Budget Director Robert P. Mayo and Chairman Paul W. McCracken of the Council of Economic Advisors appeared before the House Ways and Means Committee.

They appealed with renewed urgency for Nixon's request to extend the income tax surcharge for a year beyond its June 30 expiration and to eliminate a major tax benefit for business.

Kennedy stressed that the income tax surcharge, which Nixon proposes to run a full 10 percent for all this calendar year and cut to 8 percent in 1970, could not be reduced without eliminating the 7 percent investment tax credit next year.

### Richfield Holds Baccalaureate

RICHFIELD - Richfield high school baccalaureate sermon Sunday afternoon was given by Rev. John D. Riley, Twin Falls Episcopalian minister.

His topic was, "Who Are You?" He told the 21 seniors and their families, "I wish the silence of the World, and not sit back."

Bishop Vern Nelson, Richfield LDS Church, pronounced the invocation and benediction.

The high school girls chorus sang, "He," and "Hills of Ivy."

Haves played the processional and recessional.

### Film Slated

RICHFIELD - A film on narcotics and dangers of drugs will be shown at the Richfield high school auditorium at 8 p.m. Thursday by Paul Victor, Twin Falls.

All high school students and their parents and other interested adults are invited to attend. There is no charge.

### Meet Slated

SHOSHONE - North Side Communities, Inc., will meet at 7:30 p.m. Thursday at the Manhattan cafe for the regular monthly meeting.

### Toys Stolen

LONDON (UPI) - A masked gang armed with shotguns stole \$24,000 worth of toys and games from a factory Monday hauling the loot away in a truck.

### Negro Rightist Leader Joins Mexican Dispute On Grapes

EL CENTRO, Calif. (UPI) - The Rev. Ralph D. Abernathy, urging Negroes to unite behind the California table grape boycott, marched 10 miles in the scorching Imperial Valley heat Saturday with Mexican-American farmworkers.

"We are going to back it to the United States with black and brown and yellow power," Abernathy told a Brawley, Calif., rally of marchers, who are seeking to unify Mexican "commuter" farmworkers behind the demands of the United Farm Workers Organizing Committee (UFWOC).

Wearing a "Viva la Huelga" (Long Live the Strike) button on his business suit, Abernathy, the head of the Southern Christian Leadership Conference and the Poor People's Campaign, told the marchers:

"I am a Mexican-American too. I grew up on a farm only we did not pick grapes. We picked cotton. We made cotton king."

"My father and mother were not adequately paid for their labor but I'll be dogged if we're not going to see you're adequately paid for your labor."

### U of I Student Wins History ROTC Award

UNIVERSITY OF IDAHO - Michael A. Smith, Gooding, is one of 35 members of the University of Idaho Army ROTC who have been presented awards and decorations.

He received the U.S. Army Military History Award.

Several coeds from Magic Valley also were honored for their participation as ROTC Sponsors. They are Jackie Bodenhofer, Gooding; Diane Kloepfer, Burley; Patricia Newell, Twin Falls; Nancy Hollifield, Hansen, and Carol Gibson, Rupert.

### Recruiter Sets T. F. Sessions

S. Sgt. William Brasher, Brasher, Marine recruiter from the Boise office, will be in Twin Falls Wednesday and Thursday.

He will be available at the Rogerson Hotel for all potential enlistees.

Under the 120-day delay program, he said, it is possible to enlist in the Marine Corps now and go to recruit training with the all-Idaho platoon, leaving Boise Aug. 10.

He also will be available to explain officer programs to high school seniors who will be enrolling in college this fall.

BLAIBERG IMPROVES - CAPE TOWN, South Africa (UPI) - Philip Blaiberg, the world's longest surviving heart transplant patient, is much better, Groote Schuur hospital said Tuesday.

Blaiberg, 59, received a new heart 16 months ago but had suffered breathing difficulties last Friday.

### Tutors Take Militant Stand In Boise Fuss

BOISE (UPI) - The Boise Education Association has decided to take a more militant stand in continuing its struggle with trustees of the Boise Independent School District.

BEA representatives have held meetings with members of the school board in an attempt to gain professional negotiations.

Members of the BEA claim the board has shut them out with excuses that former BEA president Jack White calls "Utterly fantastically and totally false."

Polis taken Monday at various Boise schools showed the majority of teachers at one junior high school willing to stage one-day, three-day or indefinite walkouts to gain professional negotiations.

But another school voted unanimously not to press for further action and a third split 10-10 on pursuing any course of action.

Marcile Tracy, Edwards Reveal Wedding Date

ALMO — The engagement of Marcile Tracy to Gordon O. Edwards, son of Mr. and Mrs. Otho Edwards, Malta, is announced by her parents, Mr. and Mrs. Bert F. Tracy, Almo.

The wedding is set for May 29 at the Almo LDS Church. There will be a reception and dance at 8 p.m. at the LDS Cultural Hall.

Miss Tracy is a graduate of Raft River High School. Mr. Edwards is a 1966 graduate of Raft River High School and is employed at the John A. Pierce ranch in Malta.

Members voted to cancel the regular Wednesday meeting. A breakfast will be served at 10 a.m. June 4 at the Idaho Power Park with Mrs. Morris Littner and Mrs. Hubert Syverson as hostesses.

Mrs. Wallace Riggs and Mrs. O. W. Daniels received birthday anniversary gifts from their secret sisters and Mrs. Veeta White received the special same gift.

Guests were Mrs. Gerlie Clark, Baxter Springs, Kan.; Mrs. Ida Walters, Nyssa, Ore.; Mrs. Zack Alexander, Rupert, and Mrs. Ross, Twin Falls.

MR. AND MRS. CHARLES ANDERSON STANDLEY (Shlg-Morita photo)

Julie Glenn, Standley Wed In Local Catholic Ceremony

Mr. and Mrs. Gene Glenn and Julie Glenn, became the bride of Charles Anderson Standley, son of Mr. and Mrs. Charles T. Standley, all Twin Falls, in an evening ceremony April 12 at St. Edward's Catholic Church. Father Gould performed the double ring ceremony before an altar flanked by baskets of blue chrysanthemums and white gladioli.

Given-in-marriage-by-her father, the bride wore a floor-length, empire-styled gown made of white peau de soie accented with pearl trim around the waistline. The gown, made by Mrs. Janis Alsworth, was completed by a full-length train trailing from the shoulders and a cascading bouquet of white roses with a removable center which she placed on a side altar dedicated to the Virgin Mary.

She wore a gold watch, a gift from the bridegroom. Jeannine Glenn, sister of the bride, acted as maid of honor. Bridesmaids were Murray Clements, Twin Falls; Gay Fahny, Anchorage, Alaska, and Mrs. Steven Standley, Twin Falls. Their dresses were designed by Mrs. Gene Glenn and Mrs. Jess Bidgeman.

Carla Glenn, sister of the bride and Ellen Neville, cousin of the bride, were flower girls. Ringbearers were Shane Standley, nephew of the bridegroom, and Louie Garinga, cousin of the bride. The rings were carried on white-satin pillows accented with streamers.

Mike Standley, Moscow, brother of the bridegroom, served as best man, with Steven Standley, brother of the bridegroom, Mike Mendola, cousin of the bride, and John Peterson, all Twin Falls, serving as ushers.

Mrs. Mary Walker was soloist, accompanied by Mrs. Joan Cull.

A reception was held for 250 guests after the ceremony. The bride's table was covered with lace over white and centered with a four-tiered cake made by Mrs. Uba Allen. The cake was topped with a miniature set of wedding bells.

War Mothers Convention Set June 16, 17, 18

Announcement of the state convention June 16, 17 and 18 in Soda Springs was made when members of the American War Mothers met recently in the American Legion Hall Auxiliary Room.

Plans were completed for the annual Mother's Day carnation sale and a rummage sale was planned for July 11 and 12.

Notes of thanks were read from Mrs. Rose Sinclair and Mrs. Vane-Larson. Reports were made of the Mother's Day gift table at the Boise Veterans Hospital and Veterans Home. Plans were completed for the part-American War Mothers will have in the Patriotic Tea set for June 14 at the Vex Hall. Mrs. William Arrigo will serve as president. Mrs. Nancy Pulsipher was elected sergeant-at-arms to be installed for the 1970 meeting. Mrs. Lee Doss will provide the lace cloth and silver service and Mrs. B. F. Vico will arrange the floral centerpiece for the event.

Mrs. Emma Stone will place the wreath at the cemetery for the Memorial Day services. A gift will be provided (the slate-ways-and-means-chairman, Mrs. Eunice Willie Malta) to help raise funds for the state convention and make the gift table ways-and-means-chairman, Mrs. Eunice Willie Malta, to help raise funds for the state convention and make the gift table ways-and-means-chairman, Mrs. Eunice Willie Malta.

"Happy Wedding Bells" was sung for Mrs. Myron Barron, chapter president, and "Happy Birthday" was sung for Mrs. Frank Horeis. A special gift was presented to Mrs. Clara Shultz, a Gold and Silver-Tea was held honoring mothers-who-lose their sons in action and those who serve in the Armed Forces. Seated at the Gold Star table were Mrs. Sinclair, Mrs. Shultz and Mrs. Martina Romann and the Silver-Tea table were Mrs. Pulsipher, Mrs. Doss, Mrs. Ellen Hampton, Mrs. Horeis, Mrs. Stone and Mrs. Pearl Rithoun. Mrs. Bartlett was general chairman.

Traveling to Boise May 5 and 6 for the gift table project were Mrs. Doss, Mrs. Myron Barron, Vice Mrs. Pulsipher and Mr. and Mrs. Arma.

DEAR ABBY: I've been happily married for 6 years and you may not think this is much of a problem, but here goes: When Clyde and I were first married, he asked me to iron his undershorts. He says his mother always did.

Well, at first I didn't mind because we had no children, but now we have two, and I could save a lot of time by just tossing them in the dryer and folding them, but I tried that once and I never heard the end of it. Clyde said he could "feel" the difference.

Abby, I love my husband, but don't you think I'd like a little more consideration for me? He wouldn't ask me to iron his underwear?

I bought the material myself and paid a yard for it. I bought plenty of material so she wouldn't have to shop. I also told her I am a size 12.

DEAR ABBY: I work with a girl I'll call "Paula" who sews beautifully. I agreed to pay her \$4-1 she'd make me an Easter outfit.

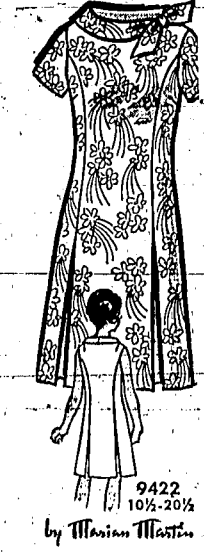

DEAR CHEATED: No. And if I were you, I'd tell her why. I plan to give a party for my father's 80th birthday. My problem is this: I'm going to invite a lot of his friends and relatives, and I don't want them to spend a lot of money on expensive presents. Dad is not a wealthy man. He lives very simply, and doesn't need a thing.

DEAR DAUGHTER: Most people instinctively know better than to "spend a lot of money on expensive presents" for an 80-year-old man. Think so, move on.

DEAR ABBY: The letter you received from "NOT DEAD YET" — BUT "LIVING" was the most important and timely letter you have ever published. At least insofar as the American divorce rate is concerned. My SURGICAL GUT ALL YOUR WOMEN readers take another look at the last paragraph. I quote: "I assure you that there isn't a normal man living who doesn't want a warm, responsive, uninhibited wife."

Everybody has a problem. What's yours? For a personal reply write to Abby, Box 519, Los Angeles, Cal. 90005, and enclose a stamped, self-addressed envelope.

## Van Breda Kolff Leaves Dissension-Torn Lakers To Coach Detroit Squad

LOS ANGELES (UPI) — Bill Van Breda Kolff, whose Los Angeles Lakers battled to the playoffs of the National Basketball Association only to lose to the Boston Celtics, resigned as coach Monday in the best interests of all concerned.

### Lakers Eye King As Candidate

INGLEWOOD, Calif. (UPI) — Purdue's George King and Western Kentucky's Johnny Oldman are considered leading candidates to succeed resigned Bill Van Breda Kolff as coach of the Los Angeles Lakers, it was learned today.

Fred Schaus, the Lakers' general manager, said Monday after Van Breda Kolff's resignation was disclosed that it was important that a new coach be hired before the team's rookie camp opens June 14.

A source close to the team said that there was a possibility that Schaus might return to coaching. He was the Lakers' coach for seven years before becoming general manager after the 1966-67 season.

Other candidates, the source said, are former Laker Frank Selvy, now coach at Furman, and Elgin Baylor, the Lakers' 11-year National Basketball Association veteran who will be 35 in September.

Schaus, who came to the Lakers in 1960 with Jerry West from West Virginia, will head the search for a new coach.

"I have someone in mind but I will not name names," Schaus said.

The Detroit Pistons said that Van Breda Kolff would be offered a contract as head coach of the Detroit team "in the next day or two."

The 46-year-old coach throughout the season had a difficult time with giant center Walt Chamberlain whose addition to the team along with stars Elgin Baylor and Jerry West was hailed as assuring the Lakers—the national champion in 1969.

Instead, the super team bowed to the "ancient" Celtics in the playoffs. The Celtics won the seven game playoff saw Chamberlain sitting on the bench in the last minutes and Van Breda Kolff ignoring his pleas to put him back in the lineup.

A brief statement issued by the Lakers' front office said: "The Los Angeles Lakers have accepted Bill Van Breda Kolff's resignation as coach. There was one year remaining on his contract."

"In a joint statement today, Laker General Manager Fred Schaus said 'Bill Van Breda Kolff has expressed his desire to move from the Lakers. This organization will not stand in his way. We wish him good fortune.'"

"Van Breda Kolff said 'It is with regret that I leave the Lakers but I believe my resignation is in the best interest of all concerned.'"

"Schaus expects to announce the appointment of a new Laker coach in the near future."

The Detroit Free Press said that Van Breda Kolff had decided to resign because of his "feeling he would be unable to come to a meeting of minds" with Chamberlain.

Van Breda Kolff also was reportedly burned up at the gloomy reaction to the Lakers' 4-11 playoff loss to the Celtics in a series that went the full seven games, feeling his team had done quite a job.

Some of the Lakers' players complained that the team had few set plays, depending on just getting the ball to Chamberlain, West, or Baylor and letting them shoot.

PHILADELPHIA (UPI) — The Philadelphia Eagles agreed Monday to honor the 15-year contract of fired general manager-coach Joe Kuharich by paying him \$49,000 a year for doing nothing.

"All he has to do is sit around and collect his checks," said Eagles' general manager Pete Getzloff after a two-hour meeting with Kuharich and owner Leonard Tose.

Tose bought the Eagles for \$2 million April 31 from financially pressed Jerry Wolman and his first act was to fire the unpopular coach, then sign a former Philadelphia Eagle to the "New Orleans Saints" but signed to a 15-year contract five years ago.

## Thomsen Qualifies

BOISE — Clyde Thomsen, pro at Twin Falls Municipal Golf Course, shot a 76-77 for a 38-hole total of 153 at Hillcrest Country Club here Monday to place second and capture the second of two sectional qualifying spots for the National Open Golf Tournament.

The first spot was won by John Kinsey, Hillcrest assistant pro, with a 70-78-149. Mountain Home's Lenny Simon was third with a 70-78-154, one stroke behind Thomsen. Tim at 155, one stroke back in fourth place, were Ken Sparks of Nampa's Broadmore Country Club and Carl Hoos, Hillcrest assistant.

Thomsen will try for a spot in the National Open in the regional qualifying round at San Francisco on June 2. Kinsey will shoot his 38-hole regional qualifying round on the same date at Seattle.

## Flyers Tab Vic Stasiuk As New Coach

PHILADELPHIA (UPI) — The Philadelphia Flyers of the National Hockey League put coach Keith Allen into the front office Monday, and named minor league coach Vic Stasiuk to replace him.

Allen took over as vice president and assistant to general manager Bud Poile after two years as coach of the expansion club.

Stasiuk, who played 12 years in the NHL with Detroit, Boston and Chicago, moved up after coaching the Flyers' Quebec Aces farm team in the American Hockey League.

Allen's change in status had not been expected until next year. He had said he wanted to leave coaching, and the Flyers were looking forward to an organization change to strengthen their front office.

Allen had another year remaining on his four-year contract, but the Flyers decided to make the change immediately.

Allen, 45, became a scout for the Flyers in 1966 after 10 years of coaching in the Western League. He then took over as coach and led the Flyers to a first-place Western Division finish in 1967-68 and a third-place finish last season.

## NEL Vikings Sign Brian Dowling

MINNEAPOLIS — ST. PAUL (UPI) — The Minnesota Vikings, last year's National Football League central division champs, signed the league passing wizard Brian Dowling of Yale Monday.

Dowling, a 6-foot-2-inch, 195-pounder who has only one game at quarterback in this high school and college football career, was the Vikings' 11th draft choice this year.

Terms of the contract were not disclosed.

"He's a fine passer, strong runner and he should make a fine addition into our team," Vikings' General Manager Jim Finks said of the 21-year-old Dowling, who broke nine Yale career passing marks.

The Vikings also signed free agents Ed Duren, a 6-foot-3-inch, 250-pound University of Minnesota tackle, and University of Kansas guard George Harvey, 6-4, 255.

Duren, 29, sat out last season. Harvey, also 29, was drafted by the New Orleans Saints but failed to make last year's squad.

## Fired Umpires Termed As Prey To 'Character Assassination'

WASHINGTON (UPI) — Two members of Congress said Monday two fired umpires were victims of "character assassination" in an incident involving Paul A. Porter of Washington, counsel to baseball commissioner Bowie Kuhn.

Sen. Charles E. Goodell and Rep. Alexander Pirnie, both R-N.Y., demanded to know why Porter showed sportswriters a confidential report by Al Salerno.

Bill Valentine and Salerno, former American League umpires, were fired last September for incompetence, a few days after trying to form a union. The congressmen demanded their reinstatement and threatened review of baseball's antitrust protection.

Goodell and Pirnie said that on April 8 sportswriters and commentators from Washington were guests at the Burning Tree Country Club in a dining room sponsored by James H. Lemon, former owner of the Washington Senators.

They said Porter "invited the journalists to view a document containing obscenities that would pass few censors. The document was signed by

umpire Salerno. "Those with whom we conferred indicated this document appeared to be a letter from Salerno to American League president Joseph P. C. P. The alleged impression created led some of those who inspected the alleged letter to believe that it was written by umpire Salerno during a temper rage following his unjust dismissal," they said.

Goodell and Pirnie said the report was actually a verbatim, confidential report from Salerno of a "heated exchange" last summer between the umpire and several members of the Boston Red Sox regarding his decision on a play at third base.

Salerno ejected the Boston team's manager and at least one player and coach and filed a report on the incident. He acknowledged that "in response to the obscenities directed at him, he had a few choice words of his own." Pirnie and Goodell said.

They said Salerno heard nothing more about the report until he learned it was being "widely circulated."

"We are greatly disturbed by

this conduct," said the congressmen. "The question arises: was the counsel for the Commissioner's office attempting to dissuade sportswriters and commentators from taking an interest in the Salerno-Valentine case?"

They asked for an explanation of why the report was circulated and concluded, "the motive seems clear." They said their information indicates

there appears to be a determined attempt to discredit Salerno and Valentine, not as umpires, but as individuals. In our book, such a move falls under the heading of character assassination."

# With Derby Champ Going Home, Arts And Letters Looms As Belmont Choice

BALTIMORE (UPI) — Majestic Prince, winner of the Kentucky Derby and Preakness, returns to California Wednesday, skipping the Belmont Stakes and a shot at the elusive Triple Crown because he needs rest and additional training.

The undefeated red speedster, who has carried nine straight races, had been slated to leave Baltimore on a commercial freight airplane early Tuesday, but was "bumped" by a cargo of "high priority" military goods bound for overseas.

Trainer Johnny Longden, who left for California Monday, booked Majestic Prince on a later flight.

Longden plans to quarter Majestic Prince at his River side, Calif., ranch for the next six weeks. After a long rest period, "We're going to put him back into heavy training," Longden said.

"We'll go back to Arlington Park this summer, probably for the American Derby and As the American Derby," Longden said. "Then we're going to campaign in the East, and run in the Washington, D.C. International at Laurel."

"I think Majestic Prince also will be an outstanding grass horse," he said.

Longden made the surprising announcement Sunday that Majestic Prince would bypass the June 7 Belmont Stakes. He indicated he considered the 1 1/2-mile race too gruelling for the horse.

"I checked back and I found that horses that run in the Belmont haven't been worth a damn after that I mean as race horses," he said.

Monday, Longden said the difference between the Belmont and the Washington International, which also is over 1 1/2 miles, is the time between races.

"The difference is that the International is four months after the Preakness and not three weeks," he said.

Majestic Prince's withdrawal from the Belmont ends his chance of becoming the first Triple Crown winner since 1919.

## ISU Awards Fete To Feature NFL's Lionel Aldridge

POCATELLO (UPI) — Green Bay Packer defensive end Lionel Aldridge will be the featured speaker this Thursday at the 17th annual Idaho State University all-awards athletic banquet.

Aldridge is starting his seventh season with the Packers. He attended Utah State University and was captain of that team in 1962. He has been a starting regular with the Green Bay Packers since joining the club in 1964 and was selected as all-pro defensive end by Sporting News.

Idaho Falls businessman Sam Bennion is hosting the event for the 17th year in a row.

A special clinic for coaches and parents interested in the knothole program is on tap for Thursday at 5 p.m.

## Player Heads British Open Entrants

ST. ANDREWS, Scotland (UPI) — Defending champion Gary Player is among 24 recent entrants for the British Open July 9-12, officials of the Royal Lytham and St. Anne's Golf Club announced Monday.

The latest entries enlarged the field to 42 players, including 40 exempt from qualifying. Deadline for entries is June 9.

Jack Nicklaus, who won the British Open in 1966, and Walter Hagen, who won the Colonial-Invitation last weekend, also are among the entries.

Arnold Palmer, Gay Brewer, Bob Charles, Bruce Devlin, U.S. Amateur king Bruce Fleisher, Ray Floyd, Dave Marr, Ken Nagle, Peter Thomson and Guy Watson are other non-British players among the latest to indicate they will play.

Earlier, U.S. Open champ Lee Trevino and Billy Casper had told British Open officials they would play.

# Liston Batters 'Scrap Iron' In Comeback Effort

LAS VEGAS, Nev. (UPI) — Landed most of the punches. It was Johnson's first loss since dropping a 10-round decision to Joe Frazier in 1967. Liston made his first start in his adopted home town since he successfully defended his title by stopping Floyd Patterson in the first round in 1963. The win gave him a 48-3 record in a 16-year pro career.

In a scheduled 10-round semi-windup, Eddie Jones, 17, Los Angeles, scored a technical knockout over Roger Rouse, 171, Anaconda, Mont. Rouse was unable to answer the bell for the ninth round.

In the fast-paced battle between two former No. 1 contenders for the light heavyweight championship, Jones had Rouse down for a count of nine in the sixth round.

## First Indy Mishap Occurs During '500' Qualifying

INDIANAPOLIS, Ind. (UPI) — Sessions suffered a cut on his left knee and was admitted to Methodist Hospital here for a breakdown of the night.

Practice at the Indianapolis Motor Speedway.

Rookie driver Roger West, 17, was injured during the action most of the day.

Sessions, 33, who as a rookie last year finished ninth, became the first driver to be injured during practice for this year's 500-mile auto race on Memorial Day.

His car, a turbocharged Offenhauser owned by Taxi, New York City, hit the inside wall on the back stretch. The machine slid and spun twice before rolling into the infield grass.

West's racer, owned by Safety Car Corp., Westfield, Ind., was damaged extensively when the rookie lost control in the No. 1 turn on the third lap of his 150 miles per hour drivers test.

The machine skidded 520 feet and spun around, then bumped the outside retaining wall and slid 60 feet along it. West drove midget racers last year finishing 11th in the point standings.

## Nearly 3,000 Golfers Try For U.S. Open Positions

By United Press International and it helped him qualify with 76-73-149.

The "name" pros at Dallas came through with only Dudley Wysong failing to make the cut at 181, with 150 needed to stay alive. Billy Maxwell, tour veteran, withdrew.

Amateur Bill Stewart of Prairie Village, Kan. His 67 was the best of the day there and only round under par in his section.

At Burtonsville, Md., Deane Beman of Bethesda skinned through with 75-80-155. Beman admitted afterwards he couldn't recall the last time he shot an 80.

Ron Bakich of Ligonier, Pa., shared low honors with Roland Stafford of Verona, Pa. Stafford had 67-76-143. Bakich 72-71-143. Bakich is associate pro at Laurel Valley CC, where Arnold Palmer is the touring pro. Arnie will join Bakich in the regional qualifying June 3 at McKeesport, Pa., the site first hole-in-one of his career. Bakich played Monday.

## YOUNG TEAM WINS VANDERBILT CUP

If you are a California reader you probably have heard of the team of Dick Walsh, John Swanson, Paul Soloway and Jerry Hallie. At 35, Dick is the oldest man of the team; the rest are under 30. Everyone except Paul has a full-time job away from the bridge table.

They have done extremely well in California competition. In 1968 and they have just won the Vanderbilt Cup. It is the first national title for any of them, but it won't be the only one. It was also a very popular victory. They're four very nice young men and a credit to bridge.

have discouraged a young team. When Walsh and Swanson held the North-South cards they stopped quite properly at four spades. Six made but the slam contract was a mighty poor one. Against Soloway and Hallie, at the other table the bidding was shown in the box. Soloway's five-spade call was a slight overbid and South might well have stopped there but anyway, they did get to six.

Jerry Hallie opened the ace of diamonds and shifted to the dummy for some time and finally, South gazed unhappily at a dummy decided to play the hand as simply as possible. He led a spade to the king, finished against East's queen and drew the last trump. Then he ended his king of clubs, led the queen of hearts and played low from dummy when West played low. North's queen held and the other three losing hearts went on the king-queen of diamonds and queen of clubs.

# Pope's Visit To Uganda Will Revive Memories Of Violence

By JOHN PLATTER

KAMPALA, Uganda (UPI)—Wider Pope Paul VI flies here in July to honor 22 Catholic martyrs the visit will revive memories of a terrible chapter in African history—the reign of King Mwanga of Buganda.

Mwanga was only 20 when he began to order wholesale slaughter and torture in 1885. Within two years he had executed hundreds—many of them Christians cremated on great public pyres for their beliefs.

Added to a native drug and unpredictable under his influence, Mwanga once had a page boy beheaded because he was tardy. This was in its way a merciful death. Most others who incurred his displeasure died slowly and horribly.

Among them was Charles Lwanga, burned first so some could watch his own torture. Mathias Mulumba's hands and feet were chopped off and then white he was still alive, some of his flesh was cut away and cooked before his eyes.

The Vatican took nearly 80 years to decide that Lwanga and Mulumba and 20 of the other victims were saints. They were canonized by Pope Paul in 1964.

King Mwanga was not particularly anti-Christian in the religious sense. He resented its moral effect on his page

boys and the other young men of his court from whom he expected much more than the customary services.

The most notorious of the public cremations took place on St. Stephen's Day. Returning from an unsuccessful hippo hunt on Lake Victoria, Mwanga fell into a blind rage when he discovered some of his pages were away at catechism lessons.

Some of the other victims of that bloody day were spared, led to trees while still alive and ravaged by wild dogs.

A few bones from Saints Lwanga and Mulumba are in urns at the private chapel of the Ugandan bishop, Emmanuel Nsubuga.

A shrine to the martyrs is now being constructed under the archbishop's personal supervision. At the site of Lwanga's death, a small village named Namugongo about eight miles from here.

The shrine, designed by Swiss architect Jean D'Almeida, will not be completed when the Pope arrives July 31 to consecrate the altar. But it is hoped that the steel framework of the structure, designed to seat 2,000 with 3,000 others standing, will at least be up.

The church has 25-300 members. Just a mile down the road the Protestants have their church—Mwanga killed Catholics and

Protestants alike—on the site of the big cathedral on Stephen's Day. The Catholics probably would have preferred to have their shrine at this place but the Protestants owned the land.

In this green and hilly banana country there were, until recently, a few who still remembered the pyres of 1885. One ancient even attended the canonization ceremonies in Rome.

The tales and the testimony which the Vatican finally accepted as the evidence of martyrdom said all 22 went to their deaths calmly and restating their faith. Some were said to have refused a reprieve if it meant rejecting Christianity.

One story was that the chief executioner, Makajungu, discovered his own son was among the victims. He tried to persuade him to recant but he clubbed his son to death before throwing his body on the pyre to save him from a more painful end.

King Mwanga's actions had the reverse effect of making Christianity even more secure in Uganda. His subjects were deeply impressed that their fellow tribesmen could die so willingly. Today, more than 3 million Christians in that population are practicing Christians. Three million of them are Catholics.

The man who will meet Pope Paul on his visit is a traditionalist Obote, is the man who ended the kingdom of Buganda. In May 1962 he sent troops to topple the semi-autonomous kingdom but had always considered an anachronism within the larger Republic of Uganda.

Mwanga's grandson, the former King, is still in exile. Sir Edward Mutesa is in exile.

After the Pope's visit the reign of King Mwanga will recede into history again. It is an episode that Ugandans prefer to forget.

# Union Says U.S. Mediators Show Air West Bias

CHICAGO—Charges that the government has played "footloose" with Air West management during lengthy negotiations with the Air Line Pilots Assn., which ended Friday, were leveled by the union. The National Employment Board, headed by Victor J. Horbert, president of the union.

"We have had a new record in negotiations delay," Horbert said. "Following our certification last July to represent the pilots, the union has had reservation agents, communications specialists, and general office personnel, who held a four-day strike and then, on October 17, went into mediation."

Since then, he said, no less than four different mediators have been assigned to the case. Although normally only two or three unsuccessful attempts are needed before the Board releases its jurisdiction.

"The case has been open for 11 months and 25 major issues are still undecided and if our members weren't so determined to make Air West a success they would have left the job long ago," Horbert said.

ONLY A FEW DAYS LEFT! \$1.00 NO RISK OFFER—SPECIAL ENROLLMENT EXPIRES MIDNIGHT, MAY 25, 1969

# How to leave the hospital with extra cash in your pocket!

Now... a remarkable plan pays extra cash directly to you—even for life—in addition to any other insurance—even Medicare—tax-free extra cash to use as you wish!

Regardless of your age, occupation or size of your family, you get your first month for only \$1.00!

During this Special Enrollment Period, you can enroll yourself and all eligible members of your family simply by mailing the Enrollment Form below with \$1. There's nothing else to do—but you must mail your Enrollment no later than Midnight, May 25, 1969!

Think of it. Now, with a stroke of your pen, you can have tax-free, expense-free extra cash paid direct to you—not to the doctor or hospital—when a sudden accident or unexpected illness hospitalizes you or a covered member of your family. And you may enroll during this Special Enrollment Period without having to see a company representative and without any red tape whatsoever.

How you can get extra cash in addition to ordinary health insurance. All you need do is mail the Enrollment Form below together with just \$1 before the expiration date. It's that easy!

Anyone who has been in the hospital recently knows ordinary hospital insurance—even Medicare—simply will not cover everything. You have to pay many "extras" out of your own pocket—and it can add up to hundreds of dollars in a frighteningly short time.

But even if your ordinary hospital insurance covers most of your medical bills, what about the bills that keep piling up at home? If you, as husband, father and breadwinner are suddenly hospitalized, your income stops, your expenses go up. Even if you have some kind of "health insurance," it probably won't come close to replacing your full-time pay.

If your wife is suddenly hospitalized, who will look after the family, do the laundry, the marketing, the cleaning? You may have to take care of from your job—or hire full-time domestic help.

If one of your children is suddenly hospitalized, you will certainly spare no expense. You wouldn't even want to think about the cost.

If you're over 65 and are suddenly hospitalized, Medicare won't pay all your hospital expenses or any household expenses.

Without "extra cash" protection, a hospital emergency may leave you with savings gone, debts you can't pay, peace of mind shattered—even your recovery can be seriously delayed for money worries!

How the plan pays off for you. But now, with Direct Extra Cash, you can help avoid these worries—because you can count on extra cash for every day, every week, every week even for life—when you or any covered family member goes to the hospital. No matter how large your family, no matter what your age or occupation, you can choose whichever of the four low-cost plans shown right suits you best.

You may actually come out "Money Ahead!" Because the Direct Extra Cash Plan pays you in addition to any other company's health insurance—individual, group or even Medicare—and because all your extra cash benefits are tax-free, you may actually leave the hospital many dollars ahead... money you don't have to account for to anyone—extra cash in addition to anything and everything!

Extra cash benefits at surprisingly low cost—Your first month for only \$1. You get all of these extra benefits at a cost even less than you would expect. See the actual low rates in the panel at right. And, regardless of the plan you choose, your occupation, your age or size of your family, you get your entire first month for only \$1.00!

How can we offer so much for so little? The answer is simple. We have lower sales costs. The Direct Extra Cash Plan is a mass enrollment plan. All business is conducted directly with you by mail. No salesmen or investigators are used. It all adds up to maximum protection at minimum cost for you.

Backed by Executive Fund—licensed in your state—rated "A Plus (Excellent)". In addition to the wide range of benefits, the extra cash values are surprisingly low cost, your policy is backed by a legal reserve company—a company talked about today as "the breakthrough company" because it has pioneered—safely and soundly—several of the most important insurance developments in years.

For example, this company—Executive Fund Life Insurance Company—achieved the first major life breakthrough in years in the field of life insurance. We introduced our own insurance department—reportedly in the *Congressional Record*, and Executive Fund was described as "providing everything the consumer wants and needs." Because it is perhaps the only company in the U.S. that sells all its policies without salesmen, Executive Fund can offer you exactly the same kinds of insurance you can buy from anyone else—but at a lower price!

Executive Fund—licensed in your state and regulated by your state's own insurance department—is the National Service Center in Omaha, Nebraska, the very center of the U.S. its multi-million dollar facilities and expert personnel provide swift and efficient service to families all over America. The company is managed by a group of highly respected, responsible insurance executives—men dedicated to giving you the best insurance, the finest service, the lowest rates.

It's no wonder that *Dunn's Insurance Reports*, one of the nation's leading authorities on insurance companies, has awarded Executive Fund its highest policyholders' rating—"A Plus (Excellent)".

Easy to enroll! No salesmen will call! Take a moment right now to fill out your Enrollment Form and mail it with only \$1.00 for your first month. We will issue your Direct Extra Cash Policy (Form F308 Series) immediately—the same day you receive your form. This automatically puts your policy in force. Along with your policy you will receive a simple, easy-to-use Claim Form that makes it possible for you to pay extra cash direct to you, the fastest, easiest way.

21. When does my policy go into force? It becomes effective the very same day we receive your Enrollment Form. New sicknesses and injuries are covered on that date. Under the ALL-FAMILY PLAN, childbirth, pregnancy and any consequences thereof are covered after your policy is in force for 10 months.

22. What if someone in my family has had a health problem that may recur again?

\$100 every week for you (See all plans below)  
\$75 every week for your wife (See All-Family and Husband-Wife plans below)  
\$50 every week for each eligible child (See All-Family and One-Parent Family plans below)  
\$350 every week for you and your wife are both injured (See All-Family and Husband-Wife plans below)

PLUS Double cash benefits for cancer and heart attack  
Extra-cash extended in event of death  
ALL PAID AS LONG AS YOU OR ANY COVERED FAMILY MEMBER IS HOSPITALIZED—EVEN FOR LIFE!

## CHOOSE THE PLAN THAT SUITS YOU BEST

**ALL-FAMILY PLAN**  
PAYS YOU: \$100 weekly extra cash when you are hospitalized. \$75 weekly when your wife is hospitalized. \$50 weekly for each eligible child hospitalized.  
If you're a young, growing family, we recommend the All-Family Plan. You and your wife are covered, and all your children (including future additions) between 3 months of age and under 23 are included at no extra cost as long as they are unmarried and live at home.  
You pay only \$7.95 a month and you get your first month for only \$1.00!

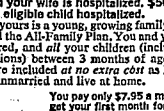

**ONE-PARENT FAMILY PLAN**  
PAYS YOU: \$100 weekly extra cash when you are hospitalized. \$50 weekly for each eligible child hospitalized.  
If you are the only parent living with your children, we suggest the One-Parent Family Plan. It covers you and all unmarried children living at home between 3 months of age and under 23. Under this plan, of course, future additions are not included since no maternity benefit is provided in the One-Parent Family Plan.  
You pay only \$5.95 a month and you get your first month for only \$1.00!

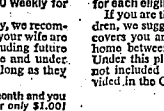

**INDIVIDUAL PLAN**  
PAYS YOU: \$100 weekly extra cash when you are hospitalized.  
If you are living by yourself, or if you wish to cover only yourself or one family member, choose the Individual Plan.  
You pay only \$3.50 monthly and you get your first month for only \$1.00!

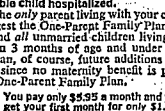

**SPECIAL EXTRA BENEFITS!**  
Whichever plan you choose, you get:  
100% Increase in your cash benefits... If you or any covered family member is hospitalized by causes (including Leukemia and Hodgkin's Disease) or heart attack (acute myocardial infarction, coronary thrombosis or coronary occlusion).  
100% Increase in your cash benefits... If both you and your wife are injured and hospitalized at the same time. You get twice the regular combined benefit—\$350 a week!

**HUSBAND-WIFE PLAN**  
PAYS YOU: \$100 weekly extra cash when you are hospitalized. \$75 weekly when your wife is hospitalized.  
If you have no children, or if your children are grown and no longer dependent on you, you will want the Husband-Wife Plan.  
You pay only \$5.95 a month and you get your first month for only \$1.00!

**INDIVIDUAL PLAN**  
PAYS YOU: \$100 weekly extra cash when you are hospitalized.  
If you are living by yourself, or if you wish to cover only yourself or one family member, choose the Individual Plan.  
You pay only \$3.50 monthly and you get your first month for only \$1.00!

**INDIVIDUAL PLAN**  
PAYS YOU: \$100 weekly extra cash when you are hospitalized.  
If you are living by yourself, or if you wish to cover only yourself or one family member, choose the Individual Plan.  
You pay only \$3.50 monthly and you get your first month for only \$1.00!

**For the first time—Extended extra cash in event of death!**  
In addition to all the regular and double cash benefits, here is a real plus: in case of death in the hospital from any condition covered by your policy—accident, sickness, even natural causes—special extended extra cash benefits provide an extra two weeks of benefits for each covered family member on all plans: \$200 for you, \$150 for your wife, \$100 for each child—all in addition to all other benefits.

## ALL ACCIDENTS AND NEW SICKNESSES COVERED IMMEDIATELY—EVEN PRE-EXISTING CONDITIONS COVERED AFTER ONE YEAR

Important: No matter which plan you choose, extra cash is paid directly to you—even for one day—for as long and for as many times as you or any covered family member is hospitalized—even for life!  
The Direct Extra Cash Plan covers you immediately for any new accident or sickness—major or minor.  
You're covered for any accident on or off the job—any time, 24 hours a day, 365 days a year, anywhere in the world.  
You're even covered for pre-existing conditions (old conditions that come back again and again or are likely to recur) after your policy has been in force for just 12 months. And, if you select change for all persons of the same classification after your policy has been in force for 10 months.

Only a few minimum exceptions. There are only these few minimum exceptions: war, military service, mental disorder, alcoholism, drug addiction or attempted suicide. You may go to any hospital of your choice—even government hospitals—but not nursing homes, convalescent or rest homes or self-care units.  
For as long as you live and pay your premiums, we will never refuse to renew your policy for health reasons—in fact, we guarantee that we will never cancel or terminate your policy unless we decline renewal on all policies of this type in your entire state. Moreover, no change can ever be made in your rate unless we make a general change for all persons of the same classification in your entire state.

For the first time—Extended extra cash in event of death! In addition to all the regular and double cash benefits, here is a real plus: in case of death in the hospital from any condition covered by your policy—accident, sickness, even natural causes—special extended extra cash benefits provide an extra two weeks of benefits for each covered family member on all plans: \$200 for you, \$150 for your wife, \$100 for each child—all in addition to all other benefits.

Even though Medicare will pay most of your hospital expenses, it will not cover all of your needs. During this special enrollment period, you can get the extra cash protection you need during the first 90 days of your hospital stay. It's a fact that people over 65 go to hospitals more often and have larger hospital bills. That's exactly why they need extra cash protection! And that's why some hospital plans won't accept them or charge rates beyond their means. But the Direct Extra Cash Plan not only accepts you regardless of age, it gives you extra-cash protection that is within your means. If you are over 65 now, or when you become 65, the following modest monthly increase applies:  
Female on All-Family or Husband-Wife Plan ..... \$2.25  
Female on One-Parent Family or Individual Plan ..... 3.00  
Male on any Plan ..... 3.00

IMPORTANT: We can only accept your enrollment if it is postmarked on or before the date shown below. But please don't wait until the last moment. The sooner we receive your form, the sooner the Direct Extra Cash Plan will cover you. You risk nothing by acting promptly. You may actually risk losing hundreds of dollars in "extra cash" benefits if you delay. Mail your enrollment form today.

ment Form and mail it with only \$1.00 for your first month. We will issue your Direct Extra Cash Policy (Form F308 Series) immediately—the same day you receive your form. This automatically puts your policy in force. Along with your policy you will receive a simple, easy-to-use Claim Form that makes it possible for you to pay extra cash direct to you, the fastest, easiest way.

23. How much do I pay? ALL-FAMILY PLAN—\$100.00 a week extra cash in addition to your ordinary health insurance. \$75.00 weekly for each of your eligible children. ONE-PARENT FAMILY PLAN—\$100.00 weekly for you; \$50.00 weekly for each of your eligible children. HUSBAND-WIFE PLAN—\$100.00 weekly for you; \$75.00 weekly for your wife. INDIVIDUAL PLAN—\$100.00 a week for you.

24. What conditions are covered? Only those that are necessary for a normal pregnancy or any consequence thereof (unless you have the ALL-FAMILY PLAN), war, military service, mental disorder, alcoholism, drug addiction, or attempted suicide. 25. Can I stop out any time? Can you drop out? We will never refuse to renew your policy for health reasons—for as long as you live and continue to pay your premiums. In fact, we guarantee that we will never cancel or terminate your policy unless we decline renewal on all policies of this type in your entire state. You, of course, can drop out any time after your renewal date. 26. Will I get full personal service? Will I receive any money promptly? Yes. Thanks to the multi-million dollar facilities and trained personnel of Executive Fund's National Service Center, you get swift, expert service. Your claims are handled promptly and your extra cash sent directly to you. 27. Why are the premiums so low? With the Direct Extra Cash Plan, you actually get all these benefits—at such a low cost—because this is a mass enrollment plan—and no salesmen are used. Our volume is higher and our sales costs are lower. 28. How much does my first month cost? Only \$1.00 regardless of your age, the size of your family or the plan you select. After the first month, if you are under 65, you pay only these low monthly rates: only \$7.95 a month for the ALL-FAMILY PLAN; only \$5.95 a month for the ONE-PARENT FAMILY PLAN; only \$5.95 a month for the HUSBAND-WIFE PLAN; only \$3.50 a month for the INDIVIDUAL PLAN. (When you are over 65, premiums are adjusted. See modest increases in rate shown.) No other change can ever be made in your rate, unless we make a general change for all persons of the same classification in your entire state.

29. Why should I enroll right now? Because an unexpected sickness or injury could strike without warning—and you will not be covered until your policy is in force. Remember, if for any reason you change your mind, you may return your policy within 10 days and your \$1.00 will be refunded immediately.

20. How long does my policy last? It lasts for as long as you live and pay your premiums. We will never refuse to renew your policy for health reasons—in fact, we guarantee that we will never cancel or terminate your policy unless we decline renewal on all policies of this type in your entire state. Moreover, no change can ever be made in your rate unless we make a general change for all persons of the same classification in your entire state.

## 19 Important Questions Answered

ABOUT THE NEW DIRECT EXTRA CASH PLAN

1. What is the Direct Extra Cash Plan? THE DIRECT EXTRA CASH PLAN is an entirely new, low-cost plan that pays extra cash direct to you when accident or unexpected illness hospitalizes you or any covered member of your family.

2. Why should I have the Direct Extra Cash Plan in addition to my regular insurance? Because your present insurance probably won't cover all your hospital expenses. You may have to pay many "extras" out of your own pocket—and it can add up to hundreds of dollars in a frighteningly short time.

3. Can I collect even if I carry other health insurance? Yes. The Direct Extra Cash Plan pays you in addition to any insurance you carry, individual, group or even Medicare—and even in addition to Workmen's Compensation and auto insurance. And, all your benefits are tax-free!

4. Is there a lot of red tape to qualify? None at all. During this special enrollment period, there are no qualifications. Simply complete and mail your Enrollment Form by the deadline date shown.

5. Which plan should I choose? You may choose any of four low-cost plans you can actually select the exact plan that suits you best!

If you're a young, growing family, we recommend the ALL-FAMILY PLAN. You and your wife are covered at once for any accident or illness, and for maternity benefits after 10 months. All your children (and future additions) between 3 months and under 23 are included at no extra cost, as long as they are unmarried and live at home.

If you are the only parent living with your children, we suggest the ONE-PARENT PLAN. This covers you and all unmarried children living at home between 3 months of age and under 23. Under this plan, of course, future additions are not included since no maternity benefit is provided in the One-Parent Family Plan.

If you have no children, or if your children are grown and no longer dependent on you, you will want the HUSBAND-WIFE PLAN. If you are living by yourself, choose the INDIVIDUAL PLAN.
