

WIND POWER – SMALL SCALE & BUILDING INTEGRATED

One-day conference and exhibition
Thursday 28 April 2005, BRE, Watford

bre

SMALL-SCALE WIND INSTALLATIONS

The UK's renewable energy target for 2010 will mostly be met through large scale renewable energy projects. However, small scale installations will also have an important role to play. Renewable energy is an indispensable factor in developing sustainable communities and small-scale production is an effective way for a community to produce its own electricity.

Over the last few years we have seen many developments in the technology of small-scale wind turbines and the number in use has risen dramatically as they have become more efficient and cost effective. Building-integrated wind systems are also being researched and show great potential for sustainable developments with prototypes currently being developed. Sustainable community projects could soon have feasible options to generate their electricity through small-scale or building integrated wind.

This event will be hosted by BRE in Garston in partnership with the British Wind Energy Association (BWEA). This one-day conference/seminar will allow the wide range of companies working in small-scale wind/building integrated wind to come together at the event, whose audience is mainly aimed at building design professionals. However, it is also open to anyone who would like to know more about small-scale wind power.

Speakers from BWEA, DTI, BRE, the OU, and others will give presentations on a range of issues including the following:

- Market Overview
- Case study Presentations
- Grid Connection Issues
- DTI plans
- Planning Issues

Delegates will gain knowledge of what technologies are available, and how they can be incorporated into building developments. The cost of attending as a delegate will be £115 (including VAT), or £95 for BWEA members, and lunch will be provided for all delegates. The conference will be from 10am until 4.30pm.

The exhibiting cost for a 3m x 2m internal space will be £440 (including VAT), or FREE if you also exhibit at resource05 – our low carbon technology showcase being held 13th to 15th September 2005. For details of how to take advantage of this offer, please telephone 01923664800 for more information and resource05 exhibition costs. Details of this event can be found on the resource05 website <http://www.resource05.com/news.html>

If you are interested in sponsoring the conference and exhibition, please telephone 01923 664892.

REGISTRATION

Please complete and return this form to BRE Events, Bucknalls Lane, Garston, Watford, WD25 9XX or photocopy and fax to 01923 664790, or register online at www.bre.co.uk/events

- I wish to exhibit at the Small Scale /Building Integrated Wind conference and exhibition at a cost of **£440** (inc VAT) to include 3m x 2m exhibition space and one complimentary pass to the conference
- I wish to attend the conference and exhibition as a delegate at a cost of **£115** (inc VAT)
- I wish to attend the conference and exhibition as a BWEA member at the reduced cost of **£95** (inc VAT).
My BWEA membership number is _____

PERSONAL DETAILS

Title (eg Mr/Mrs/Ms) _____

First name _____

Surname _____

Job title/Position _____

Organisation _____

Address _____

Postcode _____

Phone _____

Fax _____

E-mail _____

Please note here if you have any special dietary or access requirements

PAYMENT DETAILS

I wish to pay by the following method

Credit card:

Visa/ Delta, MasterCard Eurocard only

□□□□□□□□□□□□□□□□

Expiry date □□□□

Cheque:

Made payable to BRE

(Cheques must be in UK pounds (£) drawn on a UK bank)

BACS:

Bank details are as follows

Bank name: Barclays Bank plc, 50 Pall Mall, PO Box 15162,
London SW1A 1QB

Account: Building Research Establishment Ltd

Account No: 00606758 Sort Code: 20-65-63

Please quote Senders Ref ED0495

Please note payment in advance only by credit card, cheque or BACS. If you would like a VAT receipt please tick (our VAT number is GB 689 9499 27)

Any queries? Tel 01923 664800 or email events@bre.co.uk

- If you are unable to attend the conference then there is no refund. If you wish to transfer your place to a colleague then please notify BRE by email to events@bre.co.uk or by fax to 01923 664790
- Confirmation of this order will be sent by email, please ensure your address is correct.
- We hold your details in accordance with the Data Protection Act. Occasionally we will send you information on related events, publications and services from BRE and BWEA. If you do not wish to receive this information, please tick this box
