Adopted: September 28, 2006**

**WHEREAS**, the Board of Trustees is vested with the fiduciary responsibility for the proper administration, operation, and management of the Retirement System, and

**WHEREAS**, the Board notes that Section 12c (4) of Michigan Public Act 314, as amended, MCL §38.1132c (4), provides that “[a]n investment fiduciary may use a portion of the income of the system to defray the costs of investing, managing, and protecting the assets of the system; may retain investment and all other services necessary for the conduct of the affairs of the system; and may pay reasonable compensation for those services.”, and

**WHEREAS**, the Board has applied for and obtained a credit card for the purpose of administering, operating, and managing the business of the Retirement System, such credit card having a credit limit of \$10,000.00, with no annual fee, and

**WHEREAS**, the Board anticipates that at times the credit card statement will issue and the payment due date thereon will be established as a date which is following the date of a regular meeting of the Board such that the statement will not be paid until after the payment due date indicated on the statement, thus potentially causing interest and/or late charges to accrue on the unpaid balance, and

**WHEREAS**, the Board has concluded that such a situation would not be in the best interests of the Retirement System, its members, beneficiaries, and retirees, and

**WHEREAS**, the Board is of the opinion that it is prudent to provide the Retirement System third party disbursement agent, Comerica Bank, with standing authority to pay the credit card statement when it comes due, and to present the statement to the Board at its next regularly scheduled meeting at which time the Board may examine the statement, may verify that the statement is correct, and in the event that it is not correct, the Board may then act to correct the statement, therefore it is

Chairperson Shotwell directed Pension Coordinator to draft a letter to the Board of Commissioners asking them to revisit Bylaw Section 26 to either reaffirm or change the interest rate.

**MOTION:** Moved by Elwell, supported by Wandell to ask the Board of Commissioners to review Section 26 of the Jackson County Retirement Bylaws, regarding the interest rate of 5.25% that is used in the crediting and charging of interest.

Legal Counsel Jack Timmony discussed the Reciprocal Retirement Act which was enacted to provide for the preservation and continuity of retirement system service credit for public employees who transfer their employment between units of government. This will be discussed with the Policy Committee.

Attorney Timmony reported that on the Robbins Gellers Settlement Report, dated 1/31/2014 is showing the Lehman Brothers case settled for \$99 million dollars, gross class recovery. Jackson County will be participating because we held the securities that were relative to this case in the window period. Comerica bank routinely files for proof of claim, we will receive a pro rata share of that sometime during this calendar year.

Timmony went on to report that on the Robbins Gellers Monitor Report, dated 1/31/2014, *Electronic Arts, Incorporated* reported a loss of \$15,413 during the window period. He stated we will not participate as the lead plaintiff or named plaintiff in this case, nonetheless, we are eligible to participate in the class because we own the security.

Attorney Jack Timmony discussed that Participant, Rock Soles and Alternative Payee, Camille Soles entered an EDRO dated 10/24/2006, assigning a portion of retirement benefits to Camille Soles. An amended EDRO, dated 1/31/2014 provides that Alternate Payee no longer is entitled to receive any portion of the participant's retirement. It has been determined that the court order is consistent with the provisions of the Retirement System and applicable law including Public Act 46 of 1991 (MCLA 38.1701) as amended.
