DIVERSITY MATTERS

CPR's Commitment on Diversity

At our company, we recognize that our greatest successes come when we value and draw upon the knowledge, experience and talents of all people by being both diverse and inclusive. To achieve those successes, our company seeks diversity not only in its work force but also in its providers of goods and services.

In the legal function, our commitment to diversity and inclusion is implemented in part by working to ensure that diverse attorneys are assigned to our matters.

Just as we see great value in diversity and inclusion among those who represent our company, we see equal value in diversity and inclusion among those who mediate and arbitrate our matters. Therefore, we actively support the inclusion of diverse mediators and arbitrators in matters to which our company is a party.

To implement our commitment to diversity and inclusion in the selection of neutrals, we ask that our outside law firms and counterparties include qualified diverse neutrals among any list of mediators or arbitrators they propose to us. Our company will do the same in lists it provides.
