Northborough Recreation Department Scholarship Information

What is a scholarship?

A scholarship is a reduced rate or fee assistance for the Recreation Department's summer camps (Kid's Discovery and Teen Scene) based on a financial need. Camp fees may be discounted 25% or 50% or 75%. All applicants' personal financial information is kept confidential. Class instructors and program leaders are not informed of participant's scholarship status.

Scholarships are for Northborough residents only. Scholarships are for the 2013 Summer Camps: Kid's Discovery and Teen Scene.

How to apply for reduced fees?

1. Complete the Recreation Department Scholarship Application Form. All forms must be submitted by April 1, 2014.
2. Attach supportive documentation to substantiate annual income. **Staff can not approve scholarship application without proper documentation.**
3. Fax, mail or drop off all information to: Allie Lane
Northborough Recreation Director
63 Main St.
Northborough, Ma 01532
Fx: 508-393-6996
4. Applicants will be notified after the Friends of Northborough Recreation meet to review all applications. All applications go through the Recreation Director, who then informs the "Friends" how many children need assistance. Names are not used in the Friends meetings. Funds will be allocated depending on the amount of funding available from the Friends of Northborough Recreation.
5. Once approved, the reduced program fee must be paid within 3 days of award notice or call in order to participate in any class, activity or program. Classes or programs that are full or cancelled may not be available regardless of scholarship status.

This scholarship application will not hold a reservation. The registration is not completed until camp registration forms have been completed, the scholarship is approved and the balance is paid in full.

Who can receive a scholarship?

Scholarships are available to Town of Northborough residents **ONLY**. Discounts are based on the number of immediate family members in the household and their combined income from all sources.

- Income is calculated on gross income (before deductions from taxes, insurance premiums, union dues, bond, employee's social security taxes and other employee deductions). Income includes net income from self-employment, social security, public assistance, alimony, child support payments, regular contributions from people not living in the same household, monetary compensation for services such as wages, salary, and commission for fees and other cash income.

- The Town of Northborough Recreation Department may consider both the income of the family during the previous calendar year and the family’s current income to determine which is the better indicator or need for a scholarship.

Any further questions can be answered by calling Allie Lane or Michelle Lyseth at 508-393-5034.
