

# AFTER HOURS

SUMMER

"...experience the tradition of Excellence"

2013

## ROBOTICS CAMP

Brookwood teacher Teresa Friedman, coach of our National Championship competition team, will have you building a working robotic piece of machinery during this summer camp. Mrs. Friedman will assist students as we transition the next generation from hand building to machine building in the manufacturing industry. Camp times and dates are on the next page.

## THEATER PERFORMANCE CAMP

Two theater sessions will be offered this summer. Students will take a familiar children's story and dramatize it for presentation. Students will learn vocal production, characterization, and physicalization skills. Class is limited to the first 30 students to provide more individual attention and to create strong one on one assistance. Camp times and dates are on the next page.

## CPR

Are you equipped with the skills to save a heart attack or choking victim? It is never too late to be prepared. Classes are available every quarter in CPR (certificate issued).
