## Handsome Devil BBQ Sauces

### Million Dollar Smile:

A totally sweet and tangy taste with a smoky smooth finish. One the whole family can enjoy. All around use BBQ sauce

### The Devil's **SIN**sation:

A tangy, spicier version of our Million Dollar Smile sauce. This is one of our competition blends and leaves just enough heat making it irresistible. Great on Ribs and Wings. Want to spark a fire, let us know we can dial up more heat if you like to live on the wild side.

### The Outlaw:

The sauce that started it all at Handsome Devil. The recipe for this Piedmont Red sauce comes from the mountains of North Carolina. An absolute for Pulled Pork and anything else it comes into contact with on your plate.

### The Bee's Knees:

Tough to find any other word then 'YUMMY' to describe the balance of Honey, Dijon mustard, molasses and spices in this BBQ sauce. Initially started out as a glaze for our lamb chops but has also been used on chicken wings, thighs, salmon etc..
