

Drug Metabolism and Disposition Manuscript Handling Fee Payment Form

The manuscript handling fee is waived for ASPET members! If any author of this paper is an ASPET member in good standing, please identify the author where indicated below and return this form. Otherwise, to pay the \$75.00 manuscript handling fee, email or fax this form to pstoute@aspnet.org or 301-634-7158 right away. Processing of your manuscript will begin upon receipt.

This fill-in PDF form can be completed on your computer screen. Move among fields using TAB or by placing your cursor in the appropriate field.

Manuscript number: _____
Article Title: _____

Authors: _____

Corresponding Author: _____
Institution: _____
Department: _____
Address: _____
City/State/Postal Code: _____ Country: _____
Email: _____
ASPET MEMBER(S): _____

The \$75.00 fee may be paid by check, money order, Visa, MasterCard, American Express or Discover. Checks must be in U.S. dollars drawn on a U.S. bank, MICR encoded at the bottom of the check, and payable to ASPET. **Purchase orders are not accepted as a payment option for the submission fee.**

The corresponding author is responsible for payment of all publication charges associated with the manuscript unless ASPET is otherwise notified. Fees may be paid by others, for example, other authors, but the corresponding author must ensure that the publication charges are remitted.

DMD page charges are waived for each editorial board member for one article during each three-year term on the board. If any author of this paper is currently on the *DMD* editorial board, please provide that person's name here:

Please select one of the following payment options for the \$75.00 manuscript handling fee:

Credit Card: Check one credit card type below. **NOTE: The extended credit card number is required.**

Visa MasterCard American Express Discover

For Visa, MasterCard, or Discover, please include the last 3 digits located on the back of the card in the signature box (the extended credit card number). For American Express, please include the 4-digit extended credit card number printed on the front of the card above the full credit card number.

Credit Card Number: _____
Extended Credit Card Number: _____
