

Attacks by Size of Targeted Organization

Source: Symantec

Organizations with 2,501+ employees were the most targeted with 50 percent of targeted attacks destined for this size of organization, almost exactly the same percentage as in 2011.

Targeted attacks destined for Small Business (1 to 250 employees) accounted for 31 percent of all attacks, compared with 18 percent in 2011, an increase of 13 percent.
