Authorization for Integrative Medical Treatment

I authorize the practitioners at Whole Child Wellness to administer such medical and health care services, treatments and procedures for myself, or my child, as they deem appropriate and necessary.

I understand that my practitioner will prescribe an integrative treatment program for me, or my child, which may include conventional pediatric care, nutritional therapies, acupuncture, homeopathy, herbal medicine, traditional Chinese medicine, functional medicine, biomedical approaches to autism, mind/body medicine and other aspects of integrative medical treatment. As a patient or parent seeking integrative medical treatment, I understand that I must decide, in conjunction with my, or my child's, practitioner, what course of treatment will best benefit me, or my child. I understand that any or all of the above referenced treatment modalities may be considered unproven or experimental by third party payers and therefore may not be reimbursable.

I understand that the benefits and/or risks and dangers of any treatment program prescribed by my practitioner will be explained to me to my full satisfaction. I understand that if any explanations as to the benefits and/or the risks and dangers of any of the prescribed treatment programs are unclear, it is my responsibility to ask for clarification before giving my consent to treatment. While I understand that there have been no warranties or assurances of successful outcome for myself, or my child, I nevertheless desire to pursue integrative medical treatment for myself, or my child, after having considered all factors, including the information contained herein.

I understand that it is my responsibility to contact Whole Child Wellness to report any issues that I, or my child, is having with the treatment program, and to schedule consult time to make program adjustments and to conduct appropriate testing. I am responsible for seeking professional medical attention from my practitioner at Whole Child Wellness or another facility if I, or my child, experience any unanticipated or unpleasant effects associated with treatment or a worsening my, or my child's, condition. If an emergency medical condition arises, I will seek treatment for myself, or my child, immediately from the nearest emergency department or by calling 9-1-1.
