PRELIMINARY CHANGE OF OWNERSHIP REPORT

To be completed by the transferee (buyer) prior to a transfer of subject property, in accordance with section 480.3 of the Revenue and Taxation Code. A *Preliminary Change of Ownership Report* must be filed with each conveyance in the County Recorder's office for the county where the property is located. Please answer all questions in each section, and sign and complete the certification before filing. This form may be used in all 58 California counties. If a document evidencing a change in ownership is presented to the Recorder for recordation without the concurrent filing of a *Preliminary Change of Ownership Report*, the Recorder may charge an additional recording fee of twenty dollars (\$20).

NOTICE: The property which you acquired may be subject to a supplemental assessment in an amount to be determined by the County Assessor. Supplemental assessments are not paid by the title or escrow company at close of escrow, and are not included in lender impound accounts. **You may be responsible for the current or upcoming property taxes even if you do not receive the tax bill.**

INSTRUCTIONS FOR COMPLETION

PRELIMINARY CHANGE OF OWNERSHIP REPORT

The filing of a Preliminary Change of Ownership Report is required pursuant to California Revenue. Accurately completing this report may result in lower property taxes in certain cases. The Office of the Assessor will also consider any "creative financing" that you use in the purchase of your property that may result in a lower assessment and lower property taxes. A recording fee surcharge of \$20.00 will be required if this report is not filed at the time a conveyance is submitted for recording.

This report is required for all deeds, including quitclaim deeds, excluding the following: easements, trustees' deeds upon sale or foreclosure instruments, deeds of trust and reconveyance documents, sheriff's marshal's/constable's, tax collector's and treasurer's deeds. Additionally, this report is required for agreements of sale and/or contracts of sale, all affidavits of death (except for death of beneficiary under a deed of trust), all leases, and memoranda of leases and assignments of leases (excluding oil and gas leases). Note: This form is required to update the information recorded on your document processed by the Office of the Assessor.

The filing of a Preliminary Change of Ownership Report will assist the Office of the Assessor to update the official records pertaining to your property, avoid the penalty imposed by Revenue and Taxation Code section 480, and waive the \$20.00 recording fee charge.

Seller – Buyer:

Enter the complete names of the Seller/Transferor(s) and the Buyer/Transferee(s). If two or more names are required for either the transferor(s) or

transferee(s), and these names are clearly identified on the face of the document submitted for recording, you may enter "see recorded document."

Assessor's Parcel Number(s):

The Mapbook:xxxx; Page:xxx; and Parcel:xxx; is a ten-digit number found on the most recent tax bill for the subject property. List all parcels included within your legal description. If the real property described in the legal description portion of the conveyance document covers a portion of an Assessor's Parcel Number, indicate "portion of " and identify the parcel that represents the whole. It is important that the Assessor Parcel Number(s) are correctly indicated to avoid erroneous or improper assessments.

Property Address or Location:

Enter the number, street name, city and zip code for the property being transferred. If the nine-digit zip code is available, enter all nine digits (XXXXX- XXXX).

Mail Tax Information To:

Enter the name and mailing address to which all property tax or other official notices are to be sent. If the mailing address is the same as the property address, enter "same." Do not enter the name and address of your lender, Escrow Company, or attorney unless you want that person to receive all of your official property tax notices. If your mailing address subsequently changes, be sure to notify the Assessor to ensure that you receive appropriate notices and tax bills and avoid penalties. Enter a telephone number where you can be reached during the hours of 8:00 a.m. & 5:00 p.m.

Part I – Transfer Information:

Certain transfers are excluded from reassessment. If the transfer should be excluded from reassessment, indicate the reason for the exclusion (see California Revenue and Taxation Code sections 60 and 68). The following are examples of the excluded transfers listed in Part I, front side of the report: A.- David Jones transfers (sells or gives) property to Mary Jones, his wife.

- B. Mary Smith, holding title in her maiden name, transfers property to Mary Jones, her married name.
- C. Using a trust deed, David and Mary Jones transfer property to a trustee, XYZ Corporation, as security for a loan from ABC Savings and Loan Association. The transfer, by a reconveyance deed from the XYZ Corporation back to the Joneses, is also excluded. A transfer to or from a lender by a grant deed or quitclaim deed, rather than by a trust deed, should carry a recital: "This is a deed to secure a debt," or, "This is a deed to release a security interest."
- D. In order to qualify for a loan, David and Mary Jones add the name of Mary's sister on their title. The deed adding Mary's sister is an excluded transfer as is a deed removing the sister's name from the title. The deed should carry a recital stating the purpose of the transfer.
- E. XYZ Corporation, a trustee of the Jones Trust, transfers property to ABC Corporation, substitute trustee of the Jones Trust. Note: The trustee can also be an individual person.
- F. David Jones transfers property from himself to himself and John Green as joint tenants.
- G. John Green, the added joint tenant in example "F," transfers his interest obtained from David Jones, back to David Jones, the original transferor.
- H. (1) David Jones, the trustor, creates and transfers property to a revocable inter vivos trust. As long as the trust is revocable by David Jones, any person(s) or entity(ies) can be named as the beneficiary(ies).
