## CLAIM FOR REASSESSMENT EXCLUSION FOR TRANSFER BETWEEN GRANDPARENT AND GRANDCHILD

Revenue and Taxation Code, Section 63.1

**IMPORTANT:** In order to qualify for this exclusion, a claim form must be completed and signed by the transferors and a transferee and filed with the Assessor. A claim form is timely filed if it is filed within three years after the date of purchase or transfer, or prior to the transfer of the real property to a third party, whichever is earlier. If a claim form has not been filed by the date specified in the preceding sentence, it will be timely if filed within six months after the date of mailing of a notice of supplemental or escape assessment for this property. If a claim is not timely filed, the exclusion will be granted beginning with the calendar year in which you file your claim. Complete all of Sections A, B, and C and answer each question or your claim may be denied. Proof of eligibility, including a copy of the transfer document, trust, or will, may be required.

- 1. This exclusion only applies to transfers that occur on or after March 27, 1996;
- 2. In order to qualify, all the parents of that grandchild **must** be deceased as of the date of purchase or transfer. As used in the preceding sentence, parents are those persons who qualify under section 63.1 as children of the grandparents. However, for transfers that occur on or after January 1, 2006, a son-in-law or daughter-in-law of the grandparent that is a stepparent to the grandchild need not be deceased in meeting the condition that "all of the parents" of the grandchild must be deceased.
- 3. In order to qualify, the real property must be transferred from grandparents to their grandchildren;
- 4. If you do not complete and return this form, it may result in this property being reassessed.
- 5. California law provides, with certain limitations, that a "change in ownership" does not include the purchase or transfer of:
  - The principal residence between parents and children, and/or
  - The first \$1,000,000 of other real property between parents and children.
