

Grade 6 Science – Form A

Measures of Student Learning Common Exam

Assessment Materials List

The following materials are required for this common exam:

- The appropriate number of test books (if administered in paper/pencil)
- The appropriate number of answer sheets (if administered in paper/pencil)
- A supply of blank paper
- Extra, sharpened No. 2 pencils with erasers
- An accurate timing device
- An appropriate Test Administrator's script (i.e., student directions) for administering the common exam

Supplemental materials (e.g., highlighters, color acetate overlays) must be approved by the LEA.

Materials Required for Scoring:

Scoring rubrics are required for the constructed response items.
