PAPERLESS SCREENING PANELS

TOTAL POTENTIAL SAVINGS

★ **\$2,397.57 printing + \$2,582.30 shipping + \$10,200 Canon IR 7086 + \$22,509.24 staff time = \$37,689.11 ANNUALLY¹**

★ **In addition to the monetary savings:**

- ✓ This process introduces enhanced security for screening panel documents. Under the new system, these documents are carefully controlled and protected by multiple layers of authentication.
- ✓ Environmental impact: save 90 trees annually, landfill space, kilowatts of energy
- ✓ Real time updates and delivery of documents.
- ✓ Document management – ability to recreate misplaced/lost documents, locate/search/distribute files quickly and efficiently

1. COPIER/PAPER/MAILING (postage, envelopes) SAVINGS

- ✓ DLSC currently obtains paper for \$33.40 per box. Each box contains 5,000 sheets of paper. Each individual sheet of paper thus costs DSPS \$0.00668.
 - 100 sheets of paper weighs approximately 1 pound, meaning it costs \$0.668 to purchase one pound of paper.
 - Toner costs are covered by our lease on the printing equipment.
 - Print jobs after we surpass the 40,000 monthly page limit permitted in our lease cost us \$0.50 extra per 100 pages
- ✓ Adding in one internal packet for screening panel attorneys every month, DLSC printed approximately 206,500 pages of paper for Screening Panels over 210 calendar days (May 9 – November 26), not factoring in any erroneous print jobs.
- ✓ From May 9 to November 26, DLSC spent \$1,008.05 to ship Tyvek envelopes for large screening packets.
- ✓ \$51.52 is spent on regular envelopes for mailings that are light enough to send through the postal service. Mailing these envelopes costs \$414.96 in postage annually. \$365.82 is spent purchasing white Tyvek envelopes that must be sent through a courier service, for a total of \$832.30 annually on miscellaneous mailing materials.
- ✓ Based upon the above data, shipping costs for screening panels add up to \$2,582.30 annually, with estimated annual printing costs of \$2,397.57.

2. STAFF TIME/SAVINGS

- ✓ DLSC staff currently spends an average of 12 hours per Medical Examining Board screening panel packet copying and mailing. The average intake staff salary with fringe is \$24.44 per hour which costs out to \$293.28 of staff time per packet. This results in a \$7,038.72 expenditure in staff time annually. As the paperless scanning process only necessitates one run through the scanner, this will cut down the amount of time spent at the copier to ¼ its current level, a \$5,279.04 savings.
- ✓ Other Boards typically take considerably less time to prepare their screening panel packets. Assuming an average of 5 hours of staff processing time per packet, with 188 meetings that are not representative of the Medical Examining Board per year², there is an additional staff time savings of \$17,230.20 for a grand total of \$22,509.24 in staff expenses that can be reallocated.
- ✓ The time currently spent compiling the printed packets for mailing may be shifted to improving the quality of the materials through bookmarking, page numbering, and running text recognition. This will aid the screening panel in its efforts, potentially saving time screening panel attorneys spend in meetings with screening panel members.

3. OTHER FACTORS

- ✓ By drastically reducing the amount of time needed for DLSC staff to physically stand at the copier and as it is possible to print to a copier that is being used to scan documents, we could cease leasing one of our two DLSC copiers. We currently lease the more expensive copier Canon IR 7086 (Mickey) on a 6-month basis for \$850/month (\$10,200 annually.)

¹ This is achieved with virtually no cost, as the SharePoint Site has already been purchased for the Policy Development paperless initiative.

² 332 screening panel meetings are scheduled for 2014. Approximately 40% of all screening panel meetings from 2013 were cancelled due to lack of business, meaning there would be 200 total meetings. The estimate of 5 hours per packet (and 12 hours per Medical Examining Board packet) was taken from interviews with DLSC staff.

STATE OF WISCONSIN
MARRIAGE & FAMILY THERAPY, PROFESSIONAL COUNSELING
AND SOCIAL WORK EXAMINING BOARD

IN THE MATTER OF RULE-MAKING : PROPOSED ORDER OF THE
PROCEEDINGS BEFORE THE : MARRIAGE & FAMILY THERAPY
MARRIAGE & FAMILY THERAPY, : PROFESSIONAL COUNSELING AND
PROFESSIONAL COUNSELING AND : SOCIAL WORK EXAMINING BOARD
SOCIAL WORK EXAMINING BOARD : ADOPTING RULES
: CLEARINGHOUSE RULE 13-117

ORDER

An order of the Marriage and Family Therapy, Professional Counseling and Social Work Examining Board to repeal chapter MPSW 8 and MPSW 14.03 and to repeal and recreate chapter MPSW 19 relating to continuing education.

Analysis prepared by the Department of Safety and Professional Services.

ANALYSIS

Statutes interpreted: § 457.22, Wis. Stats.

Statutory authority: §§ 15.08(5)(b) and 457.22(1), Wis. Stats.

Explanation of agency authority:

The examining board shall promulgate rules for its own guidance and for the guidance of the professional.

The examining board may promulgate rules establishing requirements and procedures for social workers, advanced practice social workers, independent social workers, clinical social workers, marriage and family therapists and professional counselors to complete continuing education programs or courses of study in order to qualify for renewal of their credential.

Related statute or rule: § 457.22, Wis. Stats.

Plain language analysis:

This rule combines the three current chapters on continuing education into one chapter which covers social workers, advanced practice social workers, independent social workers, clinical social workers, marriage and family therapists and professional counselors.

Sections 1 and 2 delete the social worker and professional counselor continuing education requirements.

Section 3 repeals the marriage and family therapist continuing education requirements and recreates the new chapter which covers all professionals credentialed by Board.

The new chapter begins with definitions for the chapter.

The next section lists the continuing education requirement at 30 hours with at least 4 of those hours in ethics. Social worker ethics would need to be taken in an interactive learning format which is defined. Continuing education is not required during the initial licensure period. Continuing education may not be applied to a different credential period nor may continuing education taken as a result of a disciplinary action be counted.

The next section indicates how continuing education may be earned. Continuing education may be earned through approved program providers; postgraduate courses; in house trainings; presenting or developing professional materials for approved programs; postgraduate educators; authorship of published textbook or article; and authorship of alternative or electronic media or computer software.

The next section delineates the requirements for postponement and waivers for hardships and exemptions due to retirement. If a person retires and then returns to practice, continuing education would need to be completed.

The last section of the chapter provides for a record retention requirement of a minimum of 4 years and that audits may be conducted to determine compliance with the continuing education requirements.

Section 4 is the effective date of the rules which is the first day of the month following publication in the administrative register.

Summary of, and comparison with, existing or proposed federal regulation:

None

Comparison with rules in adjacent states:

Illinois: In Illinois, each marriage and family therapist, professional counselor and social worker credential holder shall complete 30 hours of continuing education. Continuing education hours may be earned for attending programs, courses, and postgraduate training programs; teaching and presenting programs and courses; and authorship of papers or books. Professional counselors also have 18 credit hours in clinical supervision training as a one time (lifetime) requirement for continuing education. Social workers have a 3 credit hours requirement in ethics every two years.

Iowa: In Iowa, each marriage and family therapist and licensed mental health counselor, shall complete 40 hours of continuing education of which 3 hours shall be in the area of ethics.. Continuing education may be earned by attendance at workshops, conferences and academic courses; presenting professional programs; and scholarly research which is published. Each

social work credential holder shall complete 27 hours of continuing education of which 3 hours shall be in the area of ethics. Continuing education may be earned by attendance at sponsored activities and programs; pro-bono or volunteer work; instruction of a program or course; authorship of papers, publications; and preparation of presentations and exhibits before a professional audience. Those credential holders who provide supervision shall complete 3 hours of the required 27 hours in supervision.

Michigan: Michigan does not require continuing education for marriage and family therapists or professional counselors. In Michigan, credentialed social workers shall complete 45 hours continuing education in a three year period. At least 5 of the hours shall be in ethics and 1 hour in pain and pain symptom management.

Minnesota: In Minnesota, marriage and family therapists shall complete 30 hours of continuing education. Continuing education may be earned by attendance at workshops, seminars, symposia or postgraduate institutes; teaching a course, workshop, seminar, symposia or at a meeting of professional organizations; research; and authorship of a book or article. Professional counselors in the first four years shall complete 12 graduate semester credits and 40 hours of continuing education and after the first four years, only 40 hours of continuing education. Continuing education may be earned by attendance at approved programs or courses; teaching a postgraduate course; authoring, editing, producing or reviewing in the area of professional counseling; presentations at approved programs; and serving as a board or committee member of a major state or national professional counseling organization, national counselor certification board, a state counseling licensure board and a major counseling conference or convention. Each credentialed social worker shall complete 40 hours of continuing education and at least 2 hours in ethics. Continuing education may be earned by academic coursework; educational workshops, seminars or conferences offered by an approved organization; staff training offered by public or private employer; and independent study. Licensed independent clinical social workers are required to complete 24 hours in the clinical content area. Those providing supervision shall complete at least 6 hours in supervision.

Summary of factual data and analytical methodologies:

The Board examined each Section's rules with the goal of having just one chapter on continuing education for all credentials granted by the Board. The Board also looked at recent audits which revealed confusion among credential holders who have more than one credential with the Board.

Analysis and supporting documents used to determine effect on small business or in preparation of economic impact analysis:

In preparation of the EIA, the rule was posted for economic comments for a period of 14 days and received no comments.

Fiscal Estimate and Economic Impact Analysis:

The Fiscal Estimate and Economic Impact Analysis is attached.

Effect on small business:

These proposed rules do not have an economic impact on small businesses, as defined in s. 227.114 (1), Stats. The Department’s Regulatory Review Coordinator may be contacted by email at Tom.Engels@wisconsin.gov, or by calling (608) 266-8608.

Statutes interpreted: § 457.01(8m), Wis. Stats.

Statutory authority: § 15.08(5)(b), Wis. Stats.

Explanation of agency authority:

Each examining board shall promulgate rules for its own guidance and for the guidance of the trade or profession to which it pertains, and define and enforce professional conduct and unethical practices not inconsistent with the law relating to the particular trade or profession.

Related statute or rule:

Plain language analysis:

The rule repeals two definitions of psychotherapy. MPSW 1.02 (2m) is a definition which applies to all MSPW chapters and is identical to § 457.01(8m) statutory definition.

Summary of, and comparison with, existing or proposed federal regulation: None

Comparison with rules in adjacent states:

Illinois: The Illinois practice acts for marriage and family therapy, professional counseling and social work do not define the word psychotherapy.
