G. Security Manager Designation for Web-based Applications.

If you intend to submit an application for funding to DHCR over the internet, or use the CD Online (CDOL) Applications System for any other purpose, you must designate a Security Manager to authorize and monitor access to the System. You may also designate a second Security Manager if you wish. The Security Manager's responsibilities include:

1. designating on-line those employees (System Users) who will be allowed access to the CD Online (CDOL) Applications System ;
2. ensuring that each System User is assigned the appropriate permissions within the CDOL;
3. notifying System Users of their User IDs and initial passwords, and stressing the necessity to keep their passwords strictly confidential at all times;
4. keeping the System User's information current;
5. resetting System User's passwords as necessary; and
6. inactivating System Users as necessary.
