Saddleback Memorial Medical Center (SMMC), a non-profit acute care facility, is dedicated to providing the very highest quality care and service to all of its patients.

The hospital will make every effort to ensure that you receive quality medical care which is medically necessary. However, please be aware that your health plan or designated medical group makes the final determination regarding your care.

SMMC will bill your insurance company for the healthcare services you receive at the hospital less any co-payment(s) or deductible(s). In the event that your insurance company denies payment for services as a result of, but not limited to, any reason or any reason listed below, you will be held financially responsible for the hospital charges incurred.

**Payment may be denied if your health plan or medical group determines:**

- the care given is not medically necessary
- the care given is a non-covered benefit
- the care given is non-emergent
- the recipient is ineligible to receive the insurance benefit
- any additional hospital days and/or service requested are not a medical necessity and only for convenience
- the care was not authorized

*I understand insurance authorization has not been obtained, and I wish to have services rendered regardless. Initial here (            )*

**Out-of-Network Financial Agreement**

I exercise my right to seek medical treatment without a referral from my Primary Care Physician/Medical Group. I understand that my Out-of-Network services have co-insurance charges, higher co-payments, and limited annual benefits. I also understand some Out-of-Network services such as hospitalization, outpatient surgeries, and cat-scans require pre-certification from my insurance company in order to receive full benefits. Initial here (            )

It is ultimately your responsibility to make sure that you obtain the necessary pre-authorization(s) from your health plan.

**I have read the preceding information and my signature below serves as acknowledgment of a clear understanding of my financial responsibility. If my insurance company denies coverage and/or payment for services rendered to me at Saddleback Memorial Medical Center, I assume the financial responsibility.**
