

Memorandum

TO: Deans, Directors, and Department Heads
FROM: Carolyn R. Hodges, Vice Provost and Dean of the Graduate School
DATE: August 1, 2013
SUBJECT: Professional Development Awards

PLEASE DISTRIBUTE TO FACULTY

Proposals for Professional Development and Research Awards to be used October 2013 through September 2014 may be submitted throughout the year, with awards announced beginning in October. Deadlines for proposals are September 13, November 1, January 31, and April 4.

Grants of up to \$5,000 will be awarded to tenured and tenure-track faculty at the rank of assistant professor or above who have specific needs for funds to support research or creative projects. The funds may be used to purchase supplies needed for research, for travel to work in laboratories, libraries, or archives, or in a variety of other ways, so long as the outcome will be the professional development of the faculty member and the advancement of an identified research agenda. Faculty seeking funds to support travel to present papers or make other presentations should consult their departmental and college offices and the Office of Research. Except in extraordinary circumstances, Professional Development funds will not be used in support of travel to meetings or for purposes of scholarly presentation. Nor will Professional Development funds be used for faculty or graduate student salaries.

Each proposal should be sent for review and evaluation by the department head and dean or associate dean of the college. Deadlines for proposals to be received in the Graduate School are September 13, November 1, January 31, and April 4. The applicant should submit proposals to the college dean's office at least one week prior to these dates to allow time for review and recommendation by the dean or associate dean.

Each proposal **must include and be arranged in the following order:**

- (1) Cover sheet (Please use form provided.)
- (2) A narrative of no more than 1500 words describing the proposal should be written for an educated, non-specialist audience and must include a clear explanation of methodology and expected outcomes.
- (3) An itemized budget for the amount requested. Requests should be for amounts between \$1,000 and \$5,000. **Be sure to indicate a projected timeline for use of the funds.**
- (4) Any documentation of an invitation or host institution support.
- (5) Vita of the applicant. (Limit to 5 pages or fewer.)
- (6) Endorsement letters from both department head and dean.

Priority will be given to applicants who have not received an award in the last two years.

A Subcommittee of the Graduate Council, along with the Vice Provost and Dean of the Graduate School and the Associate Vice Chancellor for Research, will evaluate proposals and make awards.
