Midwest Women's Tournament Rules

1. ELIGIBILITY:

- A. An entrant must be a female member of USBC. Entrants must have current season membership cards when checking in or apply for associate membership (\$21.00).
- B. Women who identify themselves as professionals, are members, or apply for membership in any professional or semi-professional organization on or after August 1 preceding this tournament shall be eligible for participation as follows: (a) Not more than one such player on a four-woman team lineup; (b) Not more than one such player on a two-woman doubles lineup; (c) Each such player shall be eligible to enter singles and all events. Failure to comply with this rule will result in disqualification.

2. FORMAT: The tournament shall consist of a four-woman team event, doubles, singles and optional all events. Three games shall be bowled in each event. Highest total pins plus handicap shall be declared tournament champion(s) in each event.

3. AVERAGE REQUIREMENTS: (Please read carefully) Entrants shall use their highest USBC average in the following order:

- A. As of the end of the previous winter season, for 21 games or more, OR:
- B. As of the end of the previous summer season, for 21 games or more (average must be verified with an individual record sheet), OR:
- C. Current average as of January 1 of current season with a minimum of 21 games or more, OR:
- D. Current average of at least 12 games in a USBC certified league, as of the first date of tournament participation.
- E. If Sport bowling average is the only average available, entrant will abide by the average adjustment scale of current USBC Rule book.
- F. If none of the above applies, entrant will be permitted to bowl using scratch figure of 240.
- G. The delivery hand used in this tournament must be the same as that used when the average was established.
- H. Entrant may request tournament AVERAGE RELIEF in compliance with USBC Rule 4e. If average relief is granted, this rule will supersede the average rules of this tournament.
- I. USBC Rules 319a-2, 319c, 319d and 319e do not apply (average adjustments).

4. AVERAGE VERIFICATION: Each entrant is responsible for the accuracy of her average whether submitted by captain or others. Average corrections can be made up to the end of the bowler's first game of a series. Falsification of an average will result in disqualification if submitted average is lower than correct average. If submitted average is higher than correct average, prize winnings will be based on submitted average. Averages are subject to verification. Copy of bowler's average profile from Bowl.com must be attached to entry for each bowler.

5. MULTIPLE PARTICIPATION: Multiple participation will not be allowed.

- A. A substitute will not be required to reimburse the entry fee nor give the original entrant any prize money or award.
- B. Captains must provide verification of averages for substitutes as required in Rules #3 and #4 (properly signed affidavits and records when required) mailed to the Tournament Manager at least two weeks prior to date scheduled to bowl or at least two hours prior to bowling time.
- C. In case of emergency/disability after team or doubles events have started, a substitute shall be permitted, if available. Combined scores to count and player subbed for cannot return. If no sub is available, only frames bowled will count.
- D. Paid all events are not transferable unless the substitute replaces the original entrant in all three events and the transfer is made by a tournament official prior to the time of the substitute's participation in any event.

- B. If an entrant is late for the doubles event, the entrant present shall bowl her singles first. If her partner has not arrived by the time she finishes her singles event and a substitute cannot be found, the entrant present shall be permitted to bowl her doubles event without a partner.
