THE BUTLER ALUMNI ASSOCIATION BEER GARDEN

To celebrate Josephine Butler College's 5th anniversary, we are asking our alumni to donate to something which will significantly enhance the experience of the students and, we hope, be dear to the hearts of both current students and alumni: a beer garden.

We wish to construct a comfortable and attractive space at the back of the bar to enable outdoor socialising during the warmer months. It will feature seating, tables, planters and a wind break to maximise the times of the year when the space can be used. Later enhancements might include outer doors and side panels as shown in our artist's impressions.

At this stage, our aim is to raise £10000 during the course of this year, with any money left over from the project to be put towards external art work to enhance the area around the college buildings.

While any donation will be gratefully received, you can sponsor an item within the beer garden and have your name recognised on a plaque attached to it. So, unless you wish to remain anonymous, for donations over £75 we will put your name on one of the planters, over £100, we will put your name on one of the chairs and for donations over £300 your name will go on a plaque on one of the tables. Everyone donating £25 or more will get their name on a plaque attached to the brickwork surrounding the beer garden.

You can donate by sending us a cheque made payable to Durham University, filling in this form with your credit card details or going online at <https://www.dunelm.org.uk/giving/butler>. If you are a UK taxpayer, don't forget that gift aid can increase the amount the college receives.

We hope that you will be able to contribute something which will significantly enhance our college and will be remembered by future students as the lasting legacy of our first five years of alumni.
