LUNCHTIME CLUB SIGN-UP SHEET

Session 2

Session 2 - Tuesday, February 16th through Friday, March 19th

Parents: During the winter months of January, February and March, when temperatures dip, Washington students spend much of their recess time under faculty supervision in our auditorium. To provide our kids with additional recess options, many parents have volunteered to lead various lunchtime clubs. Clubs offered this session vary by grade and include: Bingo, Chess, Fitness, Fly Fishing, Junior Great Books, Lego, Poetry and Culture. Fly Fishing requires a small fee for materials. ****NOTE**** Please make sure your student wants to participate before signing him/her up as they **MUST** attend each club they are signed up for unless they submit a note from their parent/guardian stating they have permission to quit.

To sign up for a lunchtime club, **return this form (see reverse side) to your child's homeroom by Wednesday, February 3rd**. If none of these clubs appeal to your child, they will simply continue to have regular recess.

Finally, if you have availability between 11:45AM and 12:45PM, please consider volunteering to help with a club. Volunteers are needed for all the clubs to supervise the kids and keep them on task. Often the volunteer commitment is once per week, depending on the number of parents who sign up.

BINGO: Students will play multiple games and varieties of Bingo.

Chess: An opportunity for participants to learn and play chess.

Fitness Club: Due to the large number of children who participate, only one day per week (20 minutes) will be available for your child, so please indicate first and second choice with a 1 and 2. Fitness club will consist of some calisthenics to start off (pretty basic, but fun stuff), then a structured game. We will try to balance games so that they are not all "ball-related", but there will be only ONE game/activity per session, e.g. **no** dodge ball in 1/2 of gym, and another game in other 1/2. All activities will be co-ed.

Fly Fishing Club: 5th grade Students will learn the basics of the sport. ****** Fly Fishing requires BOTH Tuesday and Thursday sign-up. We will need to charge a \$5.00 for materials payable on the club's first day.

Jr. Great Books Club: 4th and 5th Students read and interpret stories drawn from many cultures that encourage individual thinking. Our time together includes lively discussion of literature, and activities that explore the readings.

Lego Club: The kids will use the time to build with Legos in a designated room.

Poetry Club: No supplies needed, just an interest in word play and expressing one's self.

Language & Culture Club: Children will be introduced to the culture and language of several countries (still to be determined; volunteers needed!!) and participate in activities to "immerse" them into that particular culture.

RETURN FORM BY WEDNESDAY, FEBRUARY 3rd

I would like to volunteer to help with the _____ club(s).

Contact me at: _____

Unfortunately I can not volunteer my time for lunchtime clubs this year.

Directions: Find your child's grade level and circle the club in which your child will participate (only one club per day). You can sign your child up for as many days as he/she would like. If you choose Fitness Club, your child will report to regular recess in the auditorium for 20 minutes, fitness for 20 minutes and Lunch for 20 minutes in differing order, depending on the time schedules below.

****NOTE**** ~~~~~ Denotes students have regular indoor recess activities in the auditorium during this time.
