

# EarthCents New Market Program

Georgia Power and Advanced Energy are offering a training session for Real Estate Agents

## “Selling the Value of Energy Efficiency”

CLASS IS LIMITED TO THE FIRST  
40 REGISTERED PARTICIPANTS

**4 GREC Continuing Education Credits Available**

Attend this session on selling EarthCents homes and learn how to answer customer questions about comfort, energy efficiency, indoor air quality and more. Learn about the benefits of energy efficient construction and how to communicate these benefits to potential buyers to increase sales! This class is full of valuable information and tools delivered in small group workshops, take-home handouts and in an interactive training session.

*About Advanced Energy*

*Advanced Energy is a Raleigh, N.C.-based non-profit committed to a future in which energy needs are met at reasonable costs and with the least negative consequences. For almost 30 years, Advanced Energy has created economic, environmental and societal benefits through innovative and market-based approaches to energy issues.*
