

Welcome to JCC's Tweens 2 Teens College!

We're excited about this **new** program for youth ages 10-14*.
Get ready for fun and hands-on learning with topics that you'll love! Your four-day program consists of two different classes: a morning session (same class each day) and an afternoon session (same class each day).

Pick your TWO favorites and get registered NOW!

Forensic Files™

Become a forensic scientist for the week as you perform a DNA extraction, discover how to do fingerprint, hair, and fiber analysis, as well as learn how to do blood analysis and typing. Put all of your crime solving skills to the test on Thursday as you work in groups to collect and analyze evidence from a crime scene and try to figure out whodunit!

Morning: 9 a.m.-12 p.m. *OR Afternoon:* 1-4 p.m. **Location:** Science Education Center (SEC), Room 126 **Instructor:** Leslie Melquist

How a "Bot" It?

Do something unique and awesome this summer – design and build a robot! Have fun as you learn the basics of constructing and building a robot as well as use computer commands to program your robot to move. This class wouldn't be complete without the Lego™ robot competition on Thursday – see whose robot can survive!

Morning: 9 a.m.-12 p.m. *OR Afternoon:* 1-4 p.m. **Location:** Arts and Sciences Center (ARSC), Room 133 **Instructor:** Sean Nowling

Tech Tales

What tech tales can you weave? Take this totally cool class that combines photography and technology to tell a story! Spend the week taking pictures around campus and then head back to the computer lab to upload them. Next, write your story and add pictures, graphics, and music to bring it to life. These will be the trendiest tech tales ever!

Morning: 9 a.m.-12 p.m. *OR Afternoon:* 1-4 p.m. **Location:** Katharine Jackson Carnahan Center (CARN), Room 109 **Instructor:** Joann Waterman

Fantastic Four™

Take this fantastic class that will teach you about force, mass, gravity, and motion. Have a blast as you participate in the raw vs. boiled egg spin, compete in floor glider races, tackle the weighted jar ramp roll, and triumph in the balloon rocket races. Thursday is the best day as you use what you've learned throughout the week to compete in marshmallow, egg drop, and balloon race challenges!

Morning: 9 a.m.-12 p.m. *OR Afternoon:* 1-4 p.m. **Location:** Science Education Center (SEC), Room 125 **Instructor:** Nichole Kretz

Goin' Wild!

Go wild as you learn about local wildlife and wild plants. Take this inquisitive class where you will go on nature hikes to observe and learn about local plants, animals, and their habitats; collect materials; and draw what you see. Get ready because when you come back to the classroom you'll spend your days recreating and building a habitat of your choice.

Morning: 9 a.m.-12 p.m. *OR Afternoon:* 1-4 p.m. **Location:** Science Education Center (SEC), Room 132 **Instructor:** Michelle Prince

Registration Deadline for all Classes: Friday, July 18, 2014

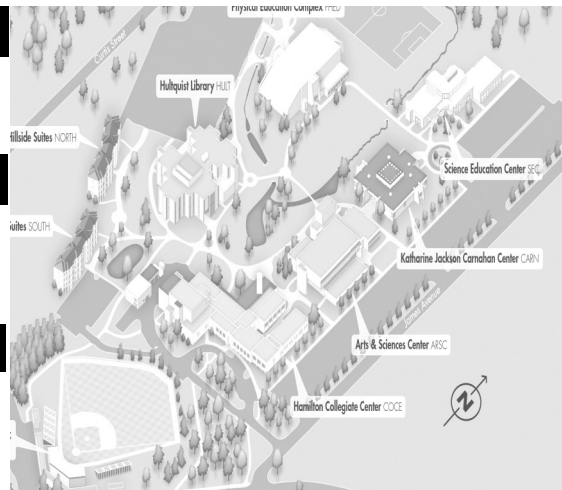

TO CANCEL: You may cancel your registration five full business days prior to the start of classes and receive a refund (by Friday, July 18 at 4:30 p.m.) The \$20 non-refundable processing fee will be applied to all registrations made at any time. No-shows and/or cancellations after July 18 are subject to the full registration fee. **We strictly adhere to this policy.**

Scholarship Information

SCHOLARSHIPS: We have a **limited** amount of scholarships for \$94.50 (total per child). **You MUST register your child in person ONLY.** To be eligible, you must qualify and provide documentation of the public school free/reduced lunch program OR provide documentation of income based on the number of persons in the household (e.g. tax returns). **You are responsible for the remaining balance of \$94.50 upon registration. The office is located in the Katharine Jackson Carnahan Center (CARN).**

For questions, contact the Continuing Education Office at: 716.338.1005

The college reserves the right, whenever it deems advisable, to change its schedule of tuition and fees; to withdraw, cancel, reschedule, or modify any course, program of study, degree, requirement or policy. Jamestown Community College is sponsored by a regional board of trustees representing Cattaraugus County, Chautauqua County, and the City of Jamestown. Jamestown Community College does not discriminate on the basis of color, sex, sexual orientation, race, creed, religion, national origin or citizenship, age, marital status, military status, disability, family status, domestic violence victim status, arrest or conviction record, or predisposing genetic characteristics. This policy applies to access to all activities and programs under the college sponsorship as well as to application and selection for admission, employment, and all other personnel procedures within the college. This material can be made available in alternative media upon request for those with disabilities.
