## 2014 YF&R Competitive Event Application FAQs

Before you begin, please ensure you have the most updated version of Adobe Reader before beginning the application. You can visit the [Adobe Reader website](#) to download the free program.

### 1. ***Why are my answers being cut off?***

We have limited the space available to describe your achievements and ideas as a necessary way to ensure final application page length. If a block shows a plus sign, nothing after the plus sign will be shown, and the plus sign will be printed on your application. You will need to edit your response to make it more concise.

### 2. ***My education information doesn't fit in provided space; what should I do?***

Judges do not see this form, as it has personal information listed. We ask for this information for our own personal records. Use your best judgment in communicating programs like EMT, BS, MS, etc.

### 3. ***If I'm not allowed to use personal identifiers, what is the best way to distinguish between myself and my spouse/spousal-equivalent throughout the application?***

On the entry form you are asked to provide information for Applicant 1 (A1) and Applicant 2 (A2). You can continue this system throughout the application, using A1 and A2 when referring to each of you.

### 4. ***My information doesn't fit in the leadership role/experience lines; what should I do?***

Your leadership roles and experiences may have long titles and/or descriptions. Feel free to use more than one line to list an experience. Also remember to not include state or county references past the first page.

### 5. ***For the Achievement Award application page 6, why won't the calculated ratios round to nice numbers?***

Unfortunately, creating a spreadsheet in Adobe Reader is more complex than in Excel, so some of the formatting options don't transfer when using simple Java Script. Because of this, the Debt/Asset Ratio and the Operating Expense Ratio will not round to a specific number of decimal places.

### 6. ***As an Excellence in Agriculture applicant, what is the best way to submit my presentation?***

You will not need to submit your presentation until the AFBF Annual Meeting in San Antonio. Please bring your presentation on a flash drive, as conference center computers are not always equipped with CD drives or Internet access. If you are selected as one of the top 10 applicants, we will collect the flash drive in order to have your presentation queued up and ready for when you present.

If you have further questions, contact your state coordinator.

# American Farm Bureau Federation Young Farmers & Ranchers Achievement Award

## Rules for 2015 AFBF Annual Convention Competition

### Background

The American Farm Bureau Federation (AFBF) annually conducts a Young Farmers & Ranchers (YF&R) Achievement Award competition. State Farm Bureaus are encouraged to promote this activity among county Farm Bureaus. Selection of the winning YF&R competitor is based on his/her efforts in production agriculture and leadership achievement. Participation in this program with individual recognition and the resulting publicity will help build the organization. **The ideal candidate(s) for the Achievement Award is an individual or couple involved in production agriculture with a majority of his/her income subject to normal production risks.** It is recommended that state Farm Bureaus provide, as part of the state recognition award, an expenses-paid trip to the AFBF Annual Convention held in 2015 in San Diego, California, Jan. 9-12. Appropriate recognition will be given to all national competitors in attendance at the AFBF Annual Convention. The AFBF YF&R Committee and the AFBF Organization Department will coordinate the program at the national level.

Information about the Achievement Award applicant is requested on the entry form. ALL INFORMATION IS HANDLED IN STRICT CONFIDENCE AND IS DESTROYED AFTER JUDGING IS COMPLETED.

### Judging

- The entry form and application of each state entry will be coded upon receipt by AFBF. The applicant's name and state will not be revealed to the judges until judging is completed.
- Judging is based on the application sent to AFBF by the state Farm Bureau and an interview during the AFBF Annual Convention.
- A panel of three qualified judges will select the national winners. The Top 10 competitors will be interviewed by the same three judges who reviewed the written applications.
- Interviews will be up to 20 minutes in length and are intended to clear up any "gray areas" which may arise from the written application. The Top 10 competitors should understand that their interview is for verification/clarification purposes and therefore may affect final rankings.
- During the interview process, only the named applicant(s) on the entry form is permitted into the interview, and the applicant(s) should refrain from using the name of his/her state or county, or any names that may bring about the recognition or identification of his/her state.
- Values used in judging the applications will be:

Farm Operation and Growth:	70 points	
Financial Progress of Operation:	60 points	
Farm Bureau Leadership:	40 points	
Other Leadership:	30 points	(Agriculture = 15 points, Community = 10 points, Goals = 5 points)

The advertisement and/or article submitted **must be specific** to promoting YF&R Competitions and must recognize the sponsors.
