bridging school and home...

EHS Link

Evansville High School
www.ecsdnet.org

Greetings parents and students,

It is hard to believe that graduation is only six weeks away! Graduation is a time to recognize our seniors for their years of hard work and perseverance. In the spirit of keeping this LINK article positive and uplifting, I have included several of my favorite graduation quotes:

"When you leave here, don't forget why you came." ~Adlai Stevenson

"An investment in knowledge always pays the best interest." ~ Benjamin Franklin

"Your schooling may be over, but remember that your education still continues." ~Author Unknown

"Success is the ability to go from one failure to another with no loss of enthusiasm." ~ Winston Churchill

...and my favorite quote, which in many ways is related to graduation:

My father always told me, "Find a job you love and you'll never have to work a day in your life." ~Jim Fox

I have been proud to be your principal, seniors, and I wish you the best of luck in your journey that is just now beginning. Congratulations Evansville High School graduating class of 2013!

Scott Everson
EHS Principal

Follow the Yellow Brick Road...

Evansville High School's long-standing tradition of musical theatre continues May 3-5 with its musical production of L. Frank Baum's beloved story, The Wizard of Oz. This show is the 48th consecutive musical produced in Evansville. The first production, Oklahoma premiered in 1966 under the direction of J. Peter Shaw and Angela Wyse.

The Wizard of Oz is a story we all grew up with. When a nasty neighbor tries to have her dog put to sleep, Dorothy takes her dog Toto, to run away. A cyclone appears and carried her to the magical land of Oz. Wishing to return, she begins to

travel to the Emerald City where a great wizard lives. On her way she meets a Scarecrow who needs a brain, a Tin Man who wants a heart, and a Cowardly Lion who desperately needs courage. They all hope the Wizard of Oz will help them, before the Wicked Witch of the West catches up with them.

Filled with over 150 beautiful costumes and extravagant production numbers the show is visually pleasing. But, it is the music that steals the show. Audiences will instantly recognize the musical standards: "Over the Rainbow,"

"Munchkindland," "Follow the Yellow Brick Road," and "We're Off to See the Wizard, and many more numbers that have become legendary in the history of musical theatre.

Join us on May 3-4 at 7:30 pm and May 5 at 2:00 pm as Dorothy and her friends make their quest. Tickets can be ordered by calling 882-3570. All seats are reserved and cost is \$10 for Adults in advance/\$12 at the door. Students tickets are \$8 in advance/\$10 at the door.

May 17, 2013 **"Reality Check" will arrive!**

Evansville High School is gearing up to host the third annual "Reality Check" for junior and senior high school students on Friday, May 17, 2013. Reality Check is a hands-on financial literacy event that simulates the game of "Life." Students will be handed their life status card: career, salary, benefits, and family. They will learn financial planning and will be responsible for setting goals and making decisions including balancing a checkbook, keeping track of monthly income and expenses, as well as making good choices on how to spend their money.

The students must go to all Reality Check Stations staffed by community business volunteers. The stations will encompass various facets of everyday life such as:

Banks/Credit Unions
Housing
Transportation
Insurance
Utilities
Child Care
Groceries

Travel and Entertainment
Clothing
Personal Care and Hygiene
Taxes
Charitable Contributions
Investments
And Life's Little Surprises – Fate

The "Reality Check" will reinforce skills students have previously learned in financial literacy, teaching them where to go in the community, and how to build positive relationships with area businesses. It is designed to provide students with a glimpse of the cost of living before they enter the real game of "Life."

If you have been awarded any scholarships outside of the school scholarship offerings, please notify the guidance office so these can be included with the Scholarship Night presentations.

ACT

The ACT is America's most widely accepted college entrance exam. It assesses a high school students' general educational development and their ability to complete college-level work. The multiple-choice tests cover four skill areas: English, Mathematics, Reading and Science. The Writing Test, measures skills in planning and writing a short essay. The Writing Test is optional; some colleges require the Writing Test; while others do not. You should check with the institutions to which you might apply, or with a school counselor, to decide whether you should take the Writing Test.

Visit www.actstudent.org to: locate test sites, register for the test, take practice tests, learn about the writing test option and find test preparation resources.

Evansville High School Drama
A Tradition of Excellence
1966-2013

**The WIZARD
of OZ**

May 3 & 4 at 7:30 pm; May 5 at 2:00 pm
EHS Performing Arts Center
Adults \$12/ \$10 in advance
Students \$10/ \$8 in advance
Reserved Seating only—Call 882-3570

The image is a promotional poster for the school drama 'The Wizard of Oz'. It features a black and white illustration of the four main characters (the Scarecrow, the Tin Man, the Cowardly Lion, and Dorothy) walking along the yellow brick road. The title 'The WIZARD of OZ' is written in a large, stylized font. Above the illustration, it says 'Evansville High School Drama A Tradition of Excellence 1966-2013'. Below the illustration, it lists the performance dates and times, the venue (EHS Performing Arts Center), and ticket prices for adults and students. It also mentions that reserved seating is required and provides a phone number to call.

Fall Sports Meeting

Evansville High School will be conducting a mandatory preseason meeting for any individual, **and** their parent(s), who plan on participating in athletics for the 2013 fall sea-

son. Discussed at this meeting will be district policies, code of conduct rules and other items. In addition, each sport will meet separately to go over additional program rules, schedules, etc. The meeting is scheduled for Monday, August 5th at 6:30 p.m. in the high school PAC.

EHS BALLOONS

"TEACHER APPRECIATION WEEK"

May 6 - 10

Get ready for Teacher Appreciation Week by sending your favorite teacher(s) a balloon. We will deliver balloons to district schools and offices. Order forms can be picked up in the offices at each school building. You can also see the order form in color by going to the Evansville Community School District website, www.ecsdnet.org/

Click on: Schools -> Evansville High School -> EHS Info -> EHS Balloon Company

Send money and order form to the following address:

EHS Balloons
Evansville High School
640 South Fifth Street
Evansville, WI 53536
c/o Carolyn Mills

To call in an order you can reach EHS Balloons at 882-3524 or e-mail your order form to mills@evansville.k12.wi.us

EHS Balloons reserves the right to substitute balloons when necessary.

Advance Placement Exams

AP Exams are right around the corner for our high school students. Exams will take place May 5 – 16. For the testing schedule go to:

<https://apstudent.collegeboard.org/takingtheexam/ap-calendar>

The schedule and room locations will also be posted in the library and on the guidance office window.

Student please take the time during your busy schedules to do some review and make use of the review tools that you have. If anyone has forgotten the exam review password for an APEX account, please see Ms. Oleinik.

All students taking exams **must attend** a pre-administration session. The sessions are being held in the library distance learning lab:

- April 29 during advisory
- April 30 during advisory
- April 30 after school

For the details on what to bring and NOT bring on test day go to:

<https://apstudent.collegeboard.org/takingtheexam/exam-policies/exam-day-policies>

Celebrating Student Success

Student successes happen in big and small ways throughout the school year. During this time of year we want to recognize students who participate in some competitions that connect our students with students in other districts and with events at the UW Madison.

Yahara

Yahara River Writers offers students in grades 5-8 the opportunity to submit their writing and cartoons for publication. Hundreds of entries are received each year from students in surrounding districts.

This year we have three students who will be recognized for their work on May 15 at UW Madison. Congratulations to Sophie Krainyk for her short story *Playing God*, Lindsey Oberdorf for her poetry *Life*, and Sophie Aikman for her poetry *Cats*. In addition to being able to attend the event in Madison, each of the students will receive a Yahara River Writer's Anthology containing their published work.

Math 24

March 20th was an important day, not only because it was the first day of spring, but also because it was Math 24 Tournament Day on the UW-Madison Campus. Math 24 is a mental computation game that challenges students to use multiplication, division, addition and subtraction

operations to make the target number, 24. Knowledge of basic facts, number patterns, flexible thinking and sophisticated problem-solving skills are needed in order to play well. In addition, students need to be extremely speedy when solving each problem.

Thirty students from Theodore Robinson Intermediate School and J.C. McKenna Middle School traveled to Madison to compete at the tournament. They competed against students from schools such as Stoughton, Verona, Orfordville-Parkview, Beloit, Oregon, McFarland, Middleton-Cross Plains, Brodhead and Monona Grove.

High School students are pictured with the 5th grade team.

The 6th grade participants included; Owen Wagner, Ben Ross, Keegan Olin, Aidan Connolly, Drew Gassman, and Blake Biddick. Their tournament featured 'Positive/Negative Integers'. Ben Ross earned the 4th place trophy for the 6th grade tournament.

Representing the 7th grade were team members; Dylan Hart, Benjamin Hoffman, Austin Letts, Braden Updike, Zoe Yoerger, and Bryan Bartlett. Their tournament deck included cards with 'Fractions/Decimals'. Bryan Bartlett scored the 6th place trophy and Zoe Yoerger earned the 1st place trophy for the 7th grade tournament.

The 4th grade participants were; Blake Krumwiede, Alison Hurda, Braly Wisner, Tyr Severson, Jackson Stencil and Michael Tran. Their tournament featured 'Double Digit' cards.

Fifth grade participants were; Gabby Diebold, Taryn Boll, Jaden O'Bel, Aaron Anderson, Mia Tortomasi and Nolan Hammond. Their tournament deck featured cards with 'Variables'. Gabby Diebold earned the sixth place trophy for the 5th grade tournament.

The 8th grade team members were; Ryan Christens, Anna Eager, Kade Gransee, Kyle Roth, Zachary Wienke and Brynna Wisser. Their tournament deck featured cards with 'Algebra/Exponents'.

Accompanying the team members to Madison and serving as extremely skillful, patient and knowledgeable proctors for the tournament were Evansville High School students; Jake Schroeder, Aaron Updike, Nathan Heller, Sydney Michael, Zach Kumm, Alex Diebold and Alex Veit. Parents Kris Connolly and Cecile David assisted teachers Lynda Oleinik and Teresa Doyle by serving as chaperones.

These regional competitions were developed by the Greater Dane County Talented and Gifted Coordinators to provide challenges for high-ability math students. Not only did all thirty Evansville students play extremely well at each of their respective tournaments, but they also demonstrated very good sportsmanship. Each of our EHS students served as excellent role models for all of the tournaments' participants as well. These 37 students represented their schools and community in fine fashion.

It was a great day to be a Math 24 participant and a Badger, all on the first day of spring!

Math Meet

On Wednesday, April 17, members of the 5th-6th Grade Math Meet Team including Emily Pfeil, Gabby Diebold, Nolan Hammond, Sully Geske, Druw Gassman, Owen Wagner, Aidan Connolly and Gabriel Nichols traveled to Monona Grove with coach, Mrs. Kim Wollinger, to compete in the regional math meet tournament. Nathan Roth served as an alternate for the team.

A Math Meet consists of five events. Four of the events are individual; Computations without calculators, Consumer problems with calculators, Geometry and measurement problems, and Mental math. The last event consists of five complex problems that are solved as a team.

The Evansville team competed against students from Mt. Horeb, Lodi, McFarland and Monona Grove. Once the scores were tallied, the Evansville team finished third behind teams from Monona Grove and McFarland. Aidan Connolly was the top-scoring student from Evansville.

The following day, Thursday, April 18, members of the 7th-8th Grade Math Meet Team traveled to Monona Grove to compete at their regional math meet tournament. Team

members included Heather Novak, Geoff Yoerger, Brynna Wisser, Anna Eager, Bryan Bartlett, Zoe Yoerger, Keaton Smith and Austin Letts. Miranda Karlen and Dylan Hart served as the alternates. Mrs. Gretchen Kopf prepared the team members for the competition and served as the coach.

Heather Novak not only earned the top-scoring spot for the Evansville team, but she also placed 5th among all students competing at the tournament. The team placed fifth overall.

Noetic Learning Math Contest

This year some of our younger students became involved with math competitions with the Noetic Learning Math Contest. The goal of the competition is to encourage young students' interest in math, to develop their problem solving skills, and to inspire them to excel in math.

During the contest, students are given 45 minutes to solve 20 problems that can cover a broad range of mathematics skills taught in school, including:

- Computation and number properties
- Pattern and algebra
- Geometry and measurement
- Probability and statistics

We had eight 2nd grade students participate in the spring Noetic Learning Math Contest. Congratulations go to Maria Messling, Regan Hoffman, and Kendra Finrock, who tied for team winner.

Summer Programs

Registration for summer programs is well underway. There are many resources that help you find out about these summer opportunities including:

The Wisconsin Association of Talented and Gifted website has a summer Activities page that lists many opportunities around the state at <http://www.watg.org/summer-activities.html>.

The Art of Writing Young Authors and Artists Conference is being held on July 25, 2013 at the Milwaukee Art Museum. This one-day conference is for students in grades 4-12. Registration is online at www.artofwritingconferences.com and the deadline is June 30, 2013.

Camp Invention is coming to Evansville and other surrounding communities. TRIS will be hosting Camp Invention from June 10th -14th. This is an engaging science camp for all students currently in kindergarten through 5th grade.

Youth and Chronic Illness

While medical problems are always difficult, it can be especially hard when a child has a chronic illness. This group is for 6- to 18-year-old kids who deal with illnesses such as diabetes, Crohn's disease, spina bifida and other chronic conditions.

Group members will attend age-specific groups and meet other kids in similar situations. They will learn ways to manage the stress of having an illness, cope with the sometimes difficult treatments, and identify coping skills to deal with the individual, family and social aspects related to the illness.

The group meets regularly at Mercy Options Behavioral Health Clinic- Janesville. New groups start regularly. To get started, call **(608) 756-5555** to schedule an assessment with Chantel Stried, LCSW.

Immunizations are not just for babies

Vaccines that are now required for students are:

- TDAP (protects against tetanus, diphtheria and pertussis also known as whooping cough).
- Varicella vaccine (protects against chickenpox).

Recommended Immunizations are:

- The Meningococcal vaccine, which protects against Meningitis.
- The HPV vaccine (protects against the papillomaviruses that causes most cervical cancers, anal cancer, and genital warts).
- The Hepatitis A vaccine

The Rock County Health Department offers these and other vaccines at a substantially reduced rate for children 18 years and younger not covered under insurance. We are located at 210 N. Main St. at the Evansville Lutheran Church. The Clinic dates are: June 4th, August 6th, October 1st, and December 2nd, 2013 from 3:00-5:00 pm. You may also visit us at the Rock County Health Department North Office on 3328 Hwy 51 N. Janesville WI. We have immunization clinics on Monday, and Friday 8:30-10:30 am by appointment only, Thursday Walk-in 3:00-5:00 pm, and Friday Walk-in from 10:30-4:00 pm. Please stop by, we would love to see you!
