## THE CAPTION MASTER SERIES

Attention: Realtime Reporters, Broadcast Captioners and CART providers. Improve your skills, build your dictionary, and refine your technique with The Caption Master Series.

These multi-media practice CDs and DVDs offer a unique approach to realtime practice sessions. This is the ONLY training series that includes live television broadcasts from major networks and cable programmers.

**The Broadcast Series** feature actual clips of live broadcasts, public affairs programming, news, weather, travel and health. Available in CDs and DVDs with audio and video files. Programs include dictated timed writings for endurance of 140wpm, 160wpm and 180-200 wpm in 8 to 15 minute segments.

**The Vocabulary Builders** feature topical stories, material dictated at varying speeds of up to 200 wpm, glossary and pronunciation guides.
