17th Annual

Pediatric Board Review Symposium

Dear Colleague:

We are pleased to invite you to the 17th Annual Pediatric Board Review Symposium, August 29 – September 2, 2011, located at **The Renaissance Cleveland Hotel** in Cleveland, Ohio.

The primary objective of the symposium is to provide a comprehensive pediatric board review, which will prepare you for board certification or recertification. The quality and breadth of the symposium is also attractive for individuals needing a comprehensive review of basic pediatric clinical information.

There are several unique features that set this review above the others. These include the use of an anonymous audience response system, which allows the attendee to gauge their knowledge base and become familiar with board-type questions while attending the symposium. This format also allows the lecturer to introduce topics in a question and answer format and to stress board examination-relevant information. In addition, there are general pediatric and specialty-specific board simulation sessions, during which board relevant questions/answers and rationale will be discussed.

Finally, all attendees registering for the full symposium will receive, as part of their syllabus material, the new 3rd (2010) edition of the 583-page textbook, *The Cleveland Clinic Intensive Review of Pediatrics*. This textbook, which is based on this symposium, is the first comprehensive textbook to specifically focus on pediatric board review certification and recertification. Attendees registering for "day only" attendance have an option to purchase this book.

We hope that you will join us for what promises to be a memorable educational event.

If you need further information about the symposium, please feel free to contact me.

Camille Sabella, MD
Symposium Director

Objectives

As a result of attending this symposium, the participant will be able to do the following:

- Acquire the core knowledge necessary to pass the pediatric board examination or recertification exam;
- Devise a differential diagnosis for a specific patient presentation;
- Interpret laboratory findings for a host of clinical presentations;
- Construct a therapeutic plan for a specific patient presentation;
- Identify areas of knowledge deficit or weakness.

Target Audience

This symposium is directed to physicians preparing for pediatric board certification or recertification and physicians desiring a comprehensive update of basic pediatric clinical information.

Pediatric Board Review Symposium

Agenda

Monday, August 29, 2011

6:45 am Registration/Continental Breakfast/Exhibits
Grand Ballroom Foyer

7:15 am Welcome and Introduction

Parking

Hotel Garage: Self-Parking Fee: \$12 per day
Valet Parking Fee: \$30 per day

Accreditation

The Cleveland Clinic Foundation Center for Continuing Education is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Cleveland Clinic Foundation Center for Continuing Education designates this educational activity for a maximum of 46.5 *AMA PRA Category 1 Credits™*. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Participants claiming CME credit from this activity may submit the credit hours to the American Osteopathic Association Council on Continuing Medical Education for Category 2 credit.

The Ohio Board of Nursing will accept at face value the number of contact hours awarded for an educational activity that has been approved for CE by a nationally accredited system of CE approval. Therefore the 46.5 physician *AMA PRA Category 1 Credits™* will be accepted for nursing credits. Nurses from other states should contact their State Board of Nursing.

Application for CME credit has been filed with the American Academy of Family Physicians; **determination of credit is pending.**

Americans with Disabilities Act

The Cleveland Clinic Foundation Center for Continuing Education fully intends to comply with the legal requirements of the Americans with Disabilities Act. If you need assistance, please notify the Cleveland Clinic Continuing Education at 216.448.0770 at least two weeks prior to the activity.

Faculty Disclosure

The Cleveland Clinic Foundation Center for Continuing Education has implemented a policy to comply with the current Accreditation Council for Continuing Medical Education Standards for Commercial Support requiring resolution of all faculty conflicts of interest. Faculty declaring a relevant commercial interest will be identified in the activity syllabus.

Registration and Cancellation

Preregistrations are accepted by fax or online until 4:00 pm ET August 26, 2011. After this date, please register on-site. In case of cancellation, a full refund will be made if canceled by August 20, 2011. After August 20, 2011, a \$100 cancellation fee will be deducted from your refund. Written notification of your cancellation is required in order to process your refund. **NO REFUNDS WILL BE ISSUED AFTER OCTOBER 1, 2011.**
