

# BENTON HOSPICE SERVICE

## Template for Doctor Visits

541 -757 -9616 • [www.bentonhospice.org](http://www.bentonhospice.org)

---

This document was created by caregivers who thought it was a useful tool for bringing information to and taking information in during doctors visits. This sheet can be used before, during, and after your doctors visit as a means of remembering information and making sure all you and your care recipients questions are addressed.

Patient name

Date of appointment

Time of appointment

Doctor's office

Doctor's name

Phone number

Specialty

Reason for visit

Questions and concerns to discuss

Question + Answer / Notes

Question + Answer / Notes

Question + Answer / Notes

Question + Answer / Notes

Test(s) preformed and their results

Prescriptions written
