To the Friends and Family of _____

Dear _____,

From strolling down rue Petit-Champlain to visiting Le Château Frontenac, we will experience French-Canadian culture firsthand on our Smithsonian Student Travel tour to Quebec, Canada. We'll admire Quebec's natural wonders at Montmorency Falls while soaking in the history of Quebec City, and experiencing hands-on learning activities at the Olympic GeoDome in Montreal.

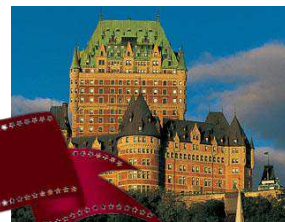

This exciting opportunity is being offered to any interested MCHS Foreign Language Club Member in good standing.* We will be traveling to Montreal and Quebec City, Canada during Spring Break 2012, and we would like to ask for your help and support.

We are going to travel 2690 miles from Monroe County High School in Tompkinsville, KY to Canada and back. The cost for each student for this incredible opportunity is \$1800. This is about \$0.67 per mile that we will have to raise. You can help by sponsoring me through our Buy-a-Mile fundraising effort. If you choose to help, you can sponsor as many or as few miles as you want. Your contribution will go directly to **my Canada Tour account**.

Please use the enclosed remittance form if you wish to contribute, and make checks payable to MCHS FLC or to me.

A personal message from me:

Sincerely,
