

PQS Compliance Audit Evidence Guide for Pre-qualified Suppliers

This *Evidence Guide for Pre-qualified Suppliers* has been developed for your use. It aims to support development of a shared understanding of the requirements a Pre-qualified Supplier (PQS) must meet and helps explain the linkages between the *Vocational Education and Training (VET) Pre-qualified Supplier (PQS) Agreement* and relevant programs within the VET Investment Plan from July 2014.

When implemented correctly, the evidence guide will help your organisation work more effectively within Queensland's funded training program environment, assist in maintaining compliance and mitigate much of the stress that can be associated with compliance audits. Your VET Contract Manager is your first point of contact to clarify any requirements not addressed here.

The evidence guide follows the structure of the *Pre-qualified Supplier Policy 2014-15* and provides general advice on the types of evidence necessary to prove compliance with the *VET PQS Agreement*, the *Pre-qualified Supplier Policy 2014-15* and relevant program policies. In 2014-15, the relevant VET investment programs are the Certificate 3 Guarantee and the Higher Level Skills program.

The evidence guide should be read in conjunction with the relevant policy documents. These documents are available online at:

Co-contribution fees

Applicable to	Certificate 3 Guarantee	Higher Level Skills
	Community Learning	VET in Schools
	Indigenous Training Strategy	Industry Partnerships Strategy
VET PQS Agreement	Clause 9	
PQS Policy 2014-15	Performance standard 1 — Disclose information up front to enable informed consumer choice Appendix 1	

Exceptions or exemptions

Exceptions to co-contribution fee arrangements are:

- Competencies assigned code '60' or '65' AVETMISS or department Outcome identifiers.
- Queensland Year 12 graduates who enrol and commence training within 12 months of completing Year 12 (that is, by the end of the calendar year following completion of Year 12).
- VETiS students - this training is provided fee-free to students and additional costs are met by the school.
- Foundation skills — this training can be provided fee-free to students if determined by the PQS.
- Lower-level qualifications for concessional students – this training can be provided fee-free to students if determined by the PQS.
- If the student and PQS are eligible, a VET FEE-HELP loan may be available to the student to cover all or part of their contribution toward the cost of a diploma or advanced diploma level qualification subsidised under the Higher Level Skills program.
- Student cohorts exempt from paying fees as specified in the relevant program policy or guidelines.
- Community Learning funding - this training is provided fee-free to students and any additional costs will be paid by Community Learning funds. The PQS must report to the department the fees paid under the funding initiative.
- Costs associated with Australian Federal Police checks undertaken prior to vocational placement must be advertised with co-contribution fees and included in initial notifications to prospective students, as the search fee is considered to be a training cost. However, if the student is a fee-free Year 12 graduate this cost cannot be charged to the student.

Requirements

- Must be published on the PQS's website in an easy to access location.
- Must address each funded qualification the PQS is approved to deliver under the funding program.
- Must advertise fees relevant to all variations of funding under each qualification.
- must outline **total** co-contribution fees (including all costs associated with the achievement of the qualification like identification cards, tuition fees, services fees, material fees) both concessional and non-concessional, and any variations in fees due to mode of delivery, geographical location of the student, higher cost of training an elective unit, etc.
- Additional, atypical or minor charges are permitted on a cost recovery basis for services not required for delivery of training and assessment or awarding of a qualification e.g. reissue of a qualification.
- Must provide notice of the fees to each prospective student at the unit of competency level.
- For concessional students, demonstrate good faith with the intent of the higher government subsidy program by reducing the co-contribution fee and/or providing greater learning support for the student.
- Must report to the department the amount of co-contribution fees, at the unit of competency level.
- Fees must be charged and collected by the PQS and must **not** be waived or returned to the payer (except as indicated in relevant program documents).
- Fee may be paid by the student or a third party.
- To offer VET FEE-HELP under the High Level Skills program the PQS must also be approved by the Australian Government as a VET FEE-HELP provider.

Acceptable evidence

- Evidence collected from the student supports the status of the student as at the commencement of the course.
- All advertising material including but not limited to flyers, brochures, information packs and websites.
- Contact logs, emails, induction information list signed off by student, student handbook or similar document outlining full spectrum of fees at unit of competency level.
- Administrative process to record, monitor and progress fee charges and payments.
- Proof of payment (invoices and receipts, financial reports, bank statements).

Certificate 3 Guarantee specific

Requirements

- Must not publish/advertise fee-free training, except in relation to “Exceptions or exemptions’ listed in this section.

Acceptable evidence

- All advertising material including but not limited to flyers, brochures, information packs and websites.
- Student handbook.
- Where no fee has been charged for ‘fee-free’ year 12 graduates, evidence the student is a Queensland Year 12 graduate who enrolls and commences training within 12 months of completing Year 12 (that is, by the end of the calendar year following completion of Year 12).
- Where no fee has been charged for foundation skills, evidence requirements relating to enrolment in foundation skills training have been met by PQS.
- Where no fee has been charged for lower-level qualifications, evidence the student is a concessional student.

Program policies	Certificate 3 Guarantee Program Policy 2014-15 Higher Level Skills Program Policy 2014-15	

Requirements

Prior to enrolment the PQS must:

- notify prospective students of the expectations and rules regarding accessing a government subsidised training place under the relevant program
- inform student they will no longer be eligible for a government subsidised training place under a program once they complete the qualification level targeted through the program
- refer the prospective student to the applicable student fact sheet for the relevant program published on the department's Training website
- if applicable, advise if they are an approved VET FEE-HELP provider and notify prospective students that if they are eligible, a loan may be available to the student to cover all or part of their contribution towards the cost of a diploma or advanced diploma level qualification subsidised under the Higher Level Skills program.

Acceptable evidence

- Sign-off by student against expectations and rules regarding accessing a government subsidised training place under the relevant program, ineligibility for specified subsidised training on completion of the current qualification and confirmation of referral to the applicable student fact sheet for the relevant program.
- All advertising material including but not limited to flyers, brochures, information packs and websites.
- Contact logs, emails, induction information list signed off by student or similar document.

Requirements

- Must publish a summary of its latest ASQA VET Quality Framework audit results in an easy-to-access location on its website. If not yet audited under the VET Quality Framework, AQTF audit information is required.

Acceptable evidence

Website information must include:

- audit date
- qualifications audited (i.e. list all qualifications audited on the above date)
- audit outcomes (e.g. 'audit non-compliance identified' – Yes/No and 'non-compliances rectified' – Yes/No/ Not applicable)
- summary of significant and/or critical non-compliances (if applicable) and
- actions taken to rectify.

Marketing and advertising

	Indigenous Training Strategy	Industry Partnerships Strategy
VET PQS Agreement	Clauses 3, 11 and 16.4	
PQS Policy 2014-15	Performance standard 2 – Demonstrate professional and ethical standards of behaviour	

Requirements

- Comply with all department policies and directives in relation to the proper promotion and marketing of a program including not advertising fee-free training, or marketing or promoting to consumers any gift or inducement an enrolled student would be eligible to receive upon enrolment in a qualification offered by the PQS.
- Must always use the correct program name with the correct capitalisation.
- The Queensland Government Coat of Arms cannot be used by PQS in advertising, communication or promotional material.
- Ensure no third party markets or advertises the PQS status as a supplier with capacity to claim funding under the programs, except with prior written consent of the department. A third party is any entity/organisation/person that is not a part of the RTO entity awarded PQS status (i.e. not employed by the PQS, or within its organisational structure, such as a director). A third party operates as a separate entity in the marketplace, either with or without a contract with the PQS. A third party does not include a separate entity who has expertise in marketing or similar, engaged by the PQS to provide advice to, or assist the PQS to market the PQS in line with the department's marketing instructions. The definition of 'third party' does not include any entity/person that refers its clients or associates to a PQS it recommends (provided that entity/person does not engage in any marketing of the PQS).
- PQS must not subcontract or enter an arrangement which results in the contractor promoting, marketing or advertising a funding program or assuming the PQS status as a supplier.
- Ensure lower-level skills and foundation skills are not included in marketing and advertising.

Acceptable evidence

- All advertising material including, but not limited to, flyers, brochures, information packs and websites.
- Documented approval from the department for any waivers to the requirements.

PQS Policy 2014-15	Performance standard 2 – Demonstrate professional and ethical standards of behaviour	

Requirements

- Ensure appropriate avenues exist for students (and/or employers where applicable) to make complaints, and that business processes are in place to resolve any complaints in a timely and fair manner.

Acceptable evidence

- Information in student handbooks, flyers, information packs or induction scripts informing the student of the process to take if they have a complaint.
- A complaints policy and procedures document clearly outlining what the PQS staff must do to resolve complaints issues.
- Records of complaints made and actions taken.

AVETMISS Data

Program policies	Certificate 3 Guarantee Program Policy 2014-15 Higher Level Skills Program Policy 2014-15	
Other standards	Standards for NVR Registered Training Organisations 2012 (or its successor) AVETMISS Data element definitions manual	

Requirements

- Ensure the student management system is compliant against the most current AVETMISS release and Queensland state requirements.
- Submit VET activity data on or before the last working day of each month. For TAFE Queensland, data is to be submitted by the 15th day of each month.
- Report enrolments within 30 days of the unit of competency enrolment.
- Report outcomes within 30 days of completion of the unit of competency.
- Report for each student, compliant VET activity data that contains complete and correct information against all relevant fields specified for the applicable AVETMISS and Queensland state requirements as superseded, amended or replaced from time to time.
- Must be completed in accordance with the most current national AVETMISS reporting requirements (including manuals, standards, guidelines, rules and descriptors).
- Must report any unit of competency available for credit transfer as a credit transfer. It is the responsibility of the PQS to check a student's statement of attainment when they have previously undertaken training, to determine if any completed unit/s of competency can be counted towards the qualification in which the student intends to enrol. If yes, the PQS must record the unit of competency as a credit transfer.
- Must have evidence to support the accurate reporting of fund source codes used – see 'Fund source code' section of this guide.

Acceptable evidence

- Concessional status

Code	Definition
C	Student meets eligibility criteria at enrolment for concessional status under the relevant program.
N	Student is a non-concessional student, i.e. does not meet eligibility criteria for concessional status under the relevant program.
- Delivery Mode Identifier – in instances where the PQS uses more than one method of training (e.g. a combination of face-to-face instruction and correspondence) there must be documented evidence to support which method is predominant, per unit of competency, to ensure the predominant delivery type is the code reported.
- Outcome Identifier – assessments must be marked, signed and dated by the assessor and there must be clear evidence to support the assessment outcome. 100% of assessment evidence must be retained for 100% of units of competency for 100% of students. Outcome identifiers must align with PQS Program Policy Table 4 and AVETMISS Data element definitions Manual. Claims may not be made for any activity outlined in PQS Program Policy 2014-15 Table 5.
 - AVETMISS Outcome Identifier Code '30' (Not Yet Competent)
Evidence retained must support that the student has attempted all forms of assessment required for the unit of competency and has been given the number of re-assessment attempts outlined within the PQS assessment policy.

- AVETMISS Outcome Identifier '40' (Withdrawal)

Evidence must be retained to validate the student's participation in training for each unit of competency where a withdrawn claim is submitted. A field in the AVETMISS outcome code '40' reporting data captures the number of hours of training received by the student prior to withdrawal. At audit the PQS may be required to provide evidence to support the number of hours of training reported. The number of recorded hours may vary according to the mode of training delivery chosen by the PQS. Withdrawn claims for payment will only be validated where actual hours of training and assessment delivered are identified. A record of emailing training resources to a student will not suffice as evidence of participation, nor will evidence of the student opening that email. Evidence must be kept of the student having accessed specific learning resources and having engaged with them.

Acceptable evidence at audit will be:

- date of training,
- location of training,
- hours of training for that date (e.g. 2pm-5pm),
- unit/s of competency (*For holistic delivery of a group of units at one or more training sessions the PQS is required to identify and maintain evidence of the proportion of time for each individual unit for each session*)
- trainer's name and signature, and
- student's name and signature.

For electronic delivery the PQS can provide log-on and log-off reports which include the above information (excluding student signature). For correspondence-type delivery the PQS should maintain a record of the contacts between the student and the trainer assessor by email (or whatever mode of communication is being used) which includes the above information (with the exception of the student's signature if it is not possible to obtain it and there is another method of verifying the student's agreement).

- AVETMISS Outcome Identifier '51' (Recognition of Prior Learning)

Data must contain a Delivery Mode Identifier code '90' for each student for each relevant unit of competency/module. This requirement may be evidenced by:

- evidence which addresses all components of the units of competency claimed
- copies of formal/informal course certificates which relate to skills required for the qualification
- challenge tests, self-assessments against key components of the relevant unit of competency
- references or testimonials from employers, volunteer organisations, clubs, associations etc.

- AVETMISS Outcome Identifier Code '60' (Credit Transfer)

A copy of the qualification or statement of attainment previously issued to the student for each unit of competency/module being reported for each student. The PQS must ensure all credit transfers are acknowledged and are included in the competency count in relation to the maximum number of units of competency payable for the qualification.

- AVETMISS Outcome Identifier '65'

To be used when transitioning a student from a superseded qualification to the new qualification in accordance with the transition and teach-out rules prescribed by ASQA. It applies in instances when a unit of competency has been successfully completed under the old qualification, however the superseded competency does not map directly into the new competency, therefore requiring additional training. The rule is attached to the student not the PQS training provider. Therefore a PQS must carry out a mapping process (and retain evidence of this process) for each student who transitions from an old qualification to a new. Where direct mapping is identified credit transfers are to be awarded. Where partial mapping is identified and gap training is required a 65 outcome is to be applied if the student successfully completes the gap training. There is no payment for failure of gap training. Where no mapping is possible the PQS is to deliver the entire unit of competency. No co-contribution fee can be charged for this outcome identifier.

- AVETMISS Postcode – AVETMISS postcode of where the student undertook the highest proportion of training. If at the PQS' premises, this would be the postcode reported. If training was delivered online or by correspondence, the PQS must report the postcode of where the training is coordinated.
- Location data – report the postcode and locality name of where training delivery predominantly took place. For online delivery, the PQS must report the postcode where the training is coordinated (e.g. state office), not the student location. Locations attracting the loading and loading amounts can be found in the Localities and Location Loadings List.

- Co-contribution fees – Invoices referencing the relevant student’s name, which match the amount of co-contribution fees reported (with allowance made for rounding to the nearest dollar).
- Start and end dates – start date of when formal training commenced in the unit of competency. Evidence would include trainer logs, signed student attendance sheets etc.
 - End date indicating when assessment has been completed for each student for each unit of competency appropriate to the Outcome Identifier Code. The PQS is encouraged to cross-reference a sample of supporting evidence for the claim against the AVETMISS end dates that have been reported to ensure they match.
 - Start and end dates must accurately reflect when each unit of competency was commenced and completed respectively. Use of generic start and end dates for all units in a qualification is not acceptable.
- Fund source codes used – see ‘Fund source code’ section of this guide.

Conflicts of interest and inducements

Applicable to	Certificate 3 Guarantee	Higher Level Skills
	Community Learning	VET in Schools
	Indigenous Training Strategy	Industry Partnerships Strategy
VET PQS Agreement	Clauses 3 and 12	
PQS Policy 2014-15	Performance standard 2 – Demonstrate professional and ethical standards of behaviour	

Requirements

- PQS must not **give or offer to give** any gift or other benefit **to a student** including a **prospective student** or any other persons, which in the department's reasonable opinion is an inducement or **likely to influence enrolment** with the PQS in a qualification funded under the program.
- If a conflict or risk of conflict of interest arises the PQS must immediately give notice of it to the department. It is the responsibility of the PQS to identify any potential conflict of interest and its possible effect on the integrity of the funded arrangement and the outcomes expected from the program.

Definitions

- A conflict of interest is a conflict between agreed responsibilities and private interests which could influence the performance of duties and responsibilities under an agreement. A reasonable perception of a conflict of interest is where a fair minded person, properly informed as to the nature of the interests held by the decision maker, might reasonably perceive the interest of the PQS comes into conflict with, or opposition to, the objectives or standards of the relevant funding program.
- An inducement is an advantage or benefit that causes an individual to enter a particular agreement or precipitates a particular action on the part of an individual.

Acceptable evidence

- Marketing, promotional and advertising materials and any other marketing activities do not contain inducements or offers of gifts.
- Risk management process addressing potential conflicts of interest, including inducement, and evidence of monitoring of these activities.
- Letters or emails sent by the PQS to the department outlining the conflict or risk of conflict of interest and subsequent response from the department.
- Letters or emails sent by the PQS to the department regarding marketing activities and subsequent responses from the department.

Program policies	Certificate 3 Guarantee Program Policy 2014-15 Higher Level Skills Program Policy 2014-15	

Exceptions or exemptions

VETiS students will not be able to provide some evidence required of all other cohorts. In addition to the VETiS specific requirements, school students under VETiS should provide:

- birth certificate (date of birth and Australian/New Zealand citizenship)
- letter from the school or detention centre confirming student's current physical address and enrolment in school (Queensland residency)
- immigration documentation confirming status (if candidate is from overseas and has Australian permanent residency or on path to permanent residency)
- statement from the school or youth detention centre concerning all VET qualifications previously attempted and outcomes, i.e. statement/s of attainment or qualification/s issued)
- evidence the student is a school student and is enrolled in a VETiS program (may include youth in detention) including signed confirmation from Queensland Government school or detention centre.

Community Learning, Indigenous Training Strategy or Industry Partnerships Strategy:

- For Community Learning, Indigenous Training Strategy or Industry Partnerships Strategy a document/letter from the organisation accessing funding under the relevant strategy identifying the student, by name, as eligible is evidence of student eligibility for access to Certificate 3 Guarantee or Higher Level Skills.
- Under specific circumstances negotiated between the department and the organisation accessing funding under the relevant strategy approval may be given for a student or a cohort to undertake a second certificate III qualification through Community Learning, Indigenous Training Strategy or Industry Partnerships Strategy or a certificate IV qualification through Indigenous Training Strategy or Industry Partnerships Strategy.

Requirements

- Assess student eligibility prior to enrolment and retain all evidence to verify eligibility including any specific restrictions for enrolment in a qualification outlined in the Queensland Training Subsidies List.
- Demonstrate a process of integrity in ensuring student eligibility. To meet this requirement the PQS must collect and retain evidence of the student's:
 - age at time of commencement (must be 15 years or over)
 - permanent residency in Queensland
 - Australian citizenship, Australian permanent residency (includes humanitarian entrant), temporary residency status with the necessary visa and work permits on the pathway to permanent residency, or New Zealand citizenship
 - not already holding a post-school certificate III qualification (Certificate 3 Guarantee) or higher level qualification (Higher Level Skills training)
 - not already having enrolled in a post-school certificate III qualification or higher level qualification
 - eligibility for concession (only required for concessional students)
 - graduation from year 12 in Queensland, if seeking to enrol under 'Fee-Free Training' arrangements
 - participation in a specific cohort-targeted initiative (i.e. Community Learning, Indigenous Training Strategy or Industry Partnerships Strategy).
- Report the correct fund source code for the student, based on the eligibility rules for the cohort – see 'Fund source code' section of this guide.

Acceptable evidence

(To be read in conjunction with Appendices 1 and 2 of this evidence guide).

- Enrolment forms containing questions sufficient to eliminate ineligible candidates, Apprentice Information Self Service (AISS) search screen dumps, statutory declarations (in exceptional cases where substantive evidence is not obtainable), covering the eligibility criteria, copies of statements of attainment or qualifications previously achieved.
- Statutory declarations may be used when substantive evidence is not obtainable. However, a statutory declaration alone generically addressing all or most eligibility criteria will not be accepted at audit.
- The absence of a student's name in AISS does not guarantee his/her eligibility. Many students undergo unfunded training with private Queensland training providers, or interstate training providers, which may not appear on AISS. Others may change name after receiving their qualification or university education.
- Where information provided by the student on an enrolment form or other documentation differs from AISS information, retain evidence appropriate action has been taken to establish what qualification or unit of competency the student holds.

Date of birth

- Driver's Licence or Adult Proof of Age Card (18+ card), or
- Australian, New Zealand or International Passport, or
- Birth Certificate or Birth Extract.

Permanent residency in Queensland

A copy of ONE of the following:

- Student's current Queensland Driver's Licence, Heavy Vehicle or Marine Licence (where held)
 - Student's current Health Care Card showing a Queensland residential address
 - Student's current Department of Veterans' Affairs/Pensioner Concession Card showing a Queensland residential address
 - Student's current Commonwealth Seniors Health Card
- see Appendix 1.

The copy retained as evidence must clearly show the student's current address and must match any other address information provided by the student (for example on their enrolment form). Where the student's address differs across information captured by the PQS, it must retain a range of evidence to support the student's eligibility as a Queensland resident.

Australian or New Zealand Citizenship

A copy of the student's:

- Australian or New Zealand Passport or
- Birth Certificate or Birth Extract or
- Medicare card (green Medicare card only, except in circumstances where the candidate qualifies as in the process of obtaining permanent residency. In these cases a blue Medicare card along with the appropriate immigration documentation will suffice- coloured copies required); or
- Certificate of Status for New Zealand Citizens in Australia (CSNZA).

Australian permanent residency

(only required for students who are not Australian or New Zealand citizens)

- Evidence of visa status should be documented, recorded and retained.
- Student's permanent visa label on their passport or documents from the Commonwealth Department of Immigration and Border Control showing approval of a permanent visa subclass.
- Temporary residency visa with the visa and work permits with copies of correspondence to and from the Commonwealth Department of Immigration and Border Control indicating progress toward permanent residency.
- Medicare card (usually green Medicare card however in some cases the blue Medicare card can be used with sufficient additional documentation) or
- Certificate of Evidence of Residence Status (CERS).

The Department of Immigration and Border Protection has developed a free online service, Visa Entitlement Verification Online (VEVO), which gives visa holders and registered Australian organisations access to visa status information.

Eligibility for concession

(required where a concessional payment is being claimed for the student)

- Student's health care or concession card issued under Commonwealth law.
- Proof the student is the partner or dependant of a person who holds a health care or concession card and is named on that card.

Previous qualifications

- Records from the AISS system and other relevant sources, indicating the prospective student does not hold and is not enrolled in a post-school AQF certificate III qualification or higher level qualification (Certificate 3 Guarantee) or a AQF certificate IV qualification or higher level qualification (Higher Level Skills program).
- The absence of a student's name from AISS does not guarantee his/her eligibility under this criterion. DETConnect/AISS for example, does not contain all fee-for-service training records and will not provide options for close alternatives to the name entered if it has been misspelt. The PQS must retain evidence enrolment forms or other pre-enrolment documentation which requires the prospective student to provide sufficient information to make an informed decision on eligibility.

A CHECKLIST OF THE ITEMS ABOVE IS PROVIDED AT APPENDIX 2

Concessional status

Student eligibility for concessional status must be confirmed by the PQS at the time of the student's enrolment and evidence must be retained by the PQS, in order to attract the higher government subsidy.

- evidence of plans for training and assessment customised to the student's specific need/s, and
- evidence the student holds a health care card or pensioner card issued under Commonwealth law, or is the partner or a dependant of a person who holds a health care card or pensioner concession card, and is named on that card, or
- evidence the student holds an official form under Commonwealth law that the student, his or her partner or the person on whom the student is dependant, is entitled to concessions under a health care card or pensioner concession card, or
- evidence the student is an Aboriginal or Torres Strait Islander person; self-declaration on the enrolment form, by the student, will suffice, or
- evidence the student has disability – pensioner concession card or other documentation verifying the holder has disability, or
- evidence the student is an adult prisoner – formal signed confirmation from the place of incarceration.

Previous qualifications

- PQS is required to evidence other actions/processes undertaken to ensure prospective students do not already hold or are not already enrolled in a Certificate III or higher qualification relevant to the specific program under which training is being funded.

Vocational placement

- Where a training package requires vocational placement for the student to be deemed competent within an industry for which a security clearance (e.g. police check or blue card) is required, this document must be retained by the PQS for audit purposes.

Correct fund source code – see 'Fund source code' section of this guide.

Certificate 3 Guarantee specific

Requirements

Individuals may be participating in specific cohort-targeted initiatives or programs, but access their training through the Certificate 3 Guarantee. These initiatives include:

- Community Learning
- Indigenous Training Strategy
- Industry Partnerships Strategy

PQS must not publish/advertise fee-free training, except in relation to students who fit within the "Exceptions or exemptions" specifications under the "Co-contribution fees" section of this evidence guide.

PQS must ensure these students are accessing Certificate 3 Guarantee funding in accordance with the rules and any exemptions prescribed in the relevant initiatives guidelines. To meet this requirement the PQS must retain evidence of the referral of the student from a funded supplier under these initiatives.

Acceptable evidence

Previous qualifications

- When a student has a lower-level qualification or one which does not impact eligibility (i.e. Certificate III in Written and Spoken English) a copy of the certificate or statement of attainment should be accessed to assess eligibility for credit transfer.
- When a student has partially completed any qualification, a copy of the statement of attainment should be accessed to assess eligibility for credit transfer.

Fee-free training for Year 12 Graduates

To be eligible to access 'Fee-free training' the student must enrol and start training with a PQS by the end of the calendar year following the completion of Year 12. Acceptable evidence would be Senior Statement or Statement of Results issued by the Queensland Studies Authority.

Specific cohort targeted

For students accessing training through Community Learning, the Indigenous Training Strategy and the Industry Partnerships Strategy, the PQS must retain evidence of the referral of the student from the funded organisation under these strategic initiatives. All other aspects of eligibility will have been addressed by the organisation accessing the strategic initiative.

Higher Level Skills specific

Exceptions or exemptions

If a Diploma/Advanced Diploma on the Queensland Training Subsidies List has entry requirements which necessitate completion of specific units or qualifications at Certificate IV or higher, a student who has completed a higher level qualification under a **fee for service arrangement** may still be eligible for Higher Level Skills funding. For example:

- **FNS50210 Diploma of Accounting** (entry requirements of nine core units from **Certificate IV in Accounting** in the FNS04 or FNS10 training packages), or
- **FNS60210 Advanced Diploma of Accounting** (entry requires completion of FNS50210). If the student has completed the certificate IV which includes the diploma entry requirement under fee-for-service they are still eligible for funding under Higher Level Skills for the diploma.

Requirements

Individuals may be participating in specific cohort-targeted initiatives or programs, but access their training through the Higher Level Skills program. These initiatives include:

- Indigenous Training Strategy
- Industry Partnerships Strategy.

The PQS must ensure these students are accessing Higher Level Skills funding in accordance with the rules and any exemptions prescribed in the relevant initiative's guidelines. To meet this requirement the PQS must retain evidence of the referral of the student from a funded supplier under these initiatives.

In addition to the standard eligibility requirements, specific restrictions may apply in relation to participation in certain subsidised qualifications. Any additional eligibility requirements will be based on industry advice or requirements under the relevant national training package and will be detailed in the Queensland Training Subsidies List. Some examples on the 2014-15 list include:

- BSB40407 Certificate IV in Small Business Management – student must be the owner, manager or employee of a small business in Queensland
- CHC60312 Advanced Diploma of Community Sector Management – student must be an existing worker in the Community Services industry
- CPC40110 Certificate IV in Building and Construction (Building) – student must hold a trade qualification (Certificate III) in the Construction industry.

Priority Skill Sets:

To attract a subsidy under the Higher Level Skills program, skill sets must target workers who already hold entry level qualifications (certificate III level) in the industry and who require further training for career progression.

Acceptable evidence

In addition to the requirements outlined in the general section above there is the additional requirement that evidence processes ensure prospective students do not already hold or are not already enrolled in a certificate IV or higher qualification.

Previous qualifications

- When a student has a lower-level qualification, or one which does not impact eligibility, a copy of the qualification or statement of attainment should be accessed to assess eligibility for credit transfer.
- When a student has partially completed a certificate IV level or higher qualification, a copy of the statement of attainment should be accessed to assess eligibility for credit transfer.

Specific cohort targeted

For students accessing training through the Indigenous Training Strategy or the Industry Partnerships Strategy, the PQS must retain evidence of the referral of the student from the funded organisation under these strategic initiatives. All other aspects of eligibility will have been addressed by the organisation accessing the strategic initiative.

VET in Schools specific**Requirements**

Eligible students will be able to undertake one complete employment stream qualification while at school. The VET investment budget will only fund those qualifications that have been identified by industry as leading to employment. A list of employment stream qualifications can be found at www.training.qld.gov.au/vetis. Schools and students undertaking VETiS funded by the VET investment budget will be able to choose any RTO approved by DETE as a pre-qualified supplier (PQS) under the Certificate 3 Guarantee for the eligible qualification.

VET in Schools candidates:

- Secondary school students in Year 10, 11 and 12 funded for those qualifications identified as employment stream qualifications. Employment stream qualifications are certificate I and II level qualifications that have been identified by industry as leading to employment. (The apprenticeship/traineeship program may be used for Certificate III and above level training.)
- In exceptional circumstances the department may consider a business case for delivery of a certificate III qualification under VET in Schools.

Acceptable evidence

- Documentation confirming the student as eligible under the VET in Schools program.

In addition to the VETiS specific requirements, school students under VETiS should provide:

- Birth Certificate (date of birth and Australian/New Zealand citizenship)
- letter from the school or detention centre confirming student's current physical address and enrolment in school (Queensland residency)
- immigration documentation confirming status (if candidate is from overseas and has Australian permanent residency or on path to permanent residency)
- documentation for concessional status as applicable
- statement from the school concerning all VET qualifications previously attempted and outcomes, i.e. statements of attainment or qualifications issued).

VET FEE-HELP loans

Applicable to	Higher Level Skills
	Indigenous Training Strategy Industry Partnerships Strategy
VET PQS Agreement	Clause 3
PQS Policy 2014-15	Performance standard 3 – Comply with all funding terms and conditions Appendix 1
Program policies	Higher Level Skills Program Policy 2014-15 Indigenous Training Strategy 2014-18 Industry Partnerships Strategy Guidelines for Funding 2014-15

Exceptions or exemptions

The National Partnership Agreement on Skills Reform introduced a limited trial to extend the availability of state subsidised VET FEE-HELP loans to:

- Certificate IV in Aged Care
- Certificate IV in Disability
- Certificate IV in Building and Construction (Building)
- Certificate IV in Engineering, and
- Certificate IV in Small Business Management.

Requirements

VET FEE-HELP is an Australian Government loan scheme to assist eligible students studying (usually) diploma level and above qualifications to pay their tuition fees. If the student and PQS are eligible, a loan may be available to the student to cover all or part of the cost of their contribution fee for a diploma or advanced diploma level qualification subsidised under the Higher Level Skills program. This assistance has been extended to some certificate IV qualifications for a trial period. The level of subsidy paid by the department will not be affected by whether the student accesses a VET FEE-HELP loan. A PQS that is an approved VET FEE-HELP provider will also need to manage the level of state subsidised VET FEE-HELP loans offered to an average of \$5000 or less. Should a PQS breach this requirement, their PQS status may be suspended or terminated.

Must be:

- PQS approved by the Australian Government under the Higher Education Support Act 2003 to offer VET FEE-HELP loans to eligible students
- PQS approved by the Australian Government to offer the qualification under VET FEE-HELP in Queensland
- a student who meets the eligibility requirements to access VET FEE-HELP
- able to manage state-subsidised VET FEE-HELP loans offered to students to an average of no more than \$5000
- able to provide information to students in relation to VET FEE-HELP in accordance with the requirements of the Australian Government.

Acceptable evidence

- Notice from the Australian Government of PQS current approval as a VET FEE-HELP provider.
- Publication of information of VET FEE-HELP to prospective students including websites, flyers, advertisements.
- Invoices to the student, which identify no loan fee has been charged for VET FEE-HELP.

Foundation skills

Applicable to	Certificate 3 Guarantee	Higher Level Skills
	Community Learning	
	Indigenous Training Strategy	Industry Partnerships Strategy
VET PQS Agreement	Clause 3	
PQS Policy 2014-15	Performance standard 4 – Support the learning needs of students	

Exceptions or exemptions

- VETiS students are not eligible for funded delivery of foundation skills.
- Claims cannot be made under AVETMISS outcome code '51' (RPL) for foundation skills delivery.
- If an individual requires significant language, literacy and numeracy (LLN) support, individuals eligible for assistance under an Australian Government LLN program must be redirected by the PQS to such a program before enrolling in the Certificate 3 Guarantee. For further information refer to:
 - Adult Migrant English Program (AMEP)
 - Skills for Education and Employment (SEE).

Requirements

- Ensure foundation skills training is preceded by effective assessment of the student's language, literacy and numeracy (LLN) proficiency skills.
- The department supports the use of the Australian Core Skills Framework (ACSF) and the Core Skills for Work developmental framework (CSfW) to benchmark a learner's current foundation skills capabilities.
- A training and support plan must be developed prior to the commencement of training that outlines how foundation skills training will be delivered and the foundation skills outcomes to be achieved through to completion of the vocational qualification. The plan and learning pathway must have the support of the student.
- Where a student is eligible under Australian Government LLN programs, PQS must redirect them to the program.

Acceptable evidence

- Documented analysis of the student's knowledge and skills against recognised foundation skills benchmarks and against the skills required for entry to and completion of the vocational qualification prior to the commencement of training.
- Evidence of analysis against industry peak body or packaging rules advice concerning the language, literacy or numeracy score essential to fulfil industry competency requirements relating to the qualification to be trained.
- Record of interview, completed departmental approved test or activity relating to approved or registered core skills.
- All analysis customised to the competencies required to meet the relevant qualification or vocational outcome.
- Copies of documents relevant to the student's previous education and training, work history, impairments, disabilities, and a training and support plan which includes outcomes to be achieved, what training is needed and how it will be delivered - signed by the student and the PQS.
- Copies of a compliant training and support plan for each student undertaking foundation skills training.

Lower-level qualifications

Applicable to	Certificate 3 Guarantee	
	Community Learning	VET in Schools
	Indigenous Training Strategy	Industry Partnerships Strategy
VET PQS Agreement	Clause 9	
PQS Policy 2014-15	Performance standard 4 – Support the learning needs of students	
Other	Community Learning Guidelines for Funding 2014-15	

Exceptions or exemptions

- Claims cannot be made under AVETMISS outcome code '51' (RPL) for lower-level qualification delivery.
- If approval has been given to deliver a lower-level qualification specific to a funding strategy cohort, this qualification cannot be delivered to mainstream students.

Requirements

Outside of delivery to VETIS students, the PQS may only deliver certificate I and/or II level qualifications on the Queensland Training Subsidies List in the following circumstances:

- Qualification — where the qualification is mandated as a prerequisite for the certificate III level qualification under training package rules.
- Individual — where the student is assessed as requiring this pathway, for example lower-level qualifications are supported for disadvantaged learners.
- Industry — where industry or local employers have supported the qualification as the preferred employment outcome, including basic trade skills to support entry into a traditional apprenticeship pathway.

In addition, the PQS must develop a training and support plan that is tailored to the individual's circumstances and abilities at enrolment.

The reason for choosing lower-level qualifications and the expected outcomes for all students must be progression to employment, further training, career advancement or approval relating to a specific cohort under a funding strategy.

Acceptable evidence

Training and support plan must include:

- learning support strategies
- documented skills assessment/s identifying the need for lower-level vocational training (other than foundation skills/LLN training) prior to, or rather than, certificate III enrolment.

The PQS must retain evidence of the circumstances that support a student's enrolment in a lower-level qualification, either at the qualification, individual, industry or pre-apprenticeship level:

- Qualification – copy of the packaging rules for the qualification, which indicate mandated prerequisite units and confirmation from the relevant industry skills body.
- Individual – policies, procedures and templates forming a thorough process to support analysis of specific areas of difficulty an individual may have in completing certificate III qualifications which is customised to the student and to the end result qualification. These should include LLN tests and analyses of those tests by suitably qualified assessors and according to the PQS' own policy and procedure guidelines.
- Industry – written confirmation from industry representatives supporting the training pathway as the preferred one for employment. In addition written confirmation from at least one employer addressing the requirements of the student identifying specific units of competency, the specific employment outcomes or apprenticeship pathway these will lead to and details of the position available (fulltime/part-time/casual) and the date the position will commence.

Industry and employer networks

	Community Learning	VET in Schools
	Indigenous Training Strategy	Industry Partnerships Strategy
PQS Agreement	Clause 3	
PQS Policy 2014-15	Performance standard 5 – Achieve a minimum outcome for students	

Requirements

- Must maintain strong industry and employer networks to deliver training linked to local job vacancies and employment outcomes, facilitate any vocational or work placements, and support students to transition to the workforce or into further training.

Acceptable evidence

- Partnership with relevant industry bodies or business enterprises.
- Involvement with industry advisory committees relevant to student's employment and vocational goals.
- Documented industry networking with a consistent pattern of interaction with employers or managers in relevant industries (e.g. signed records of conversation, industry engagement event minutes, memorandums of understanding).
- Formation of, or participation in, assessment moderation networks involving relevant employers.
- Staff, resource or knowledge exchange programs with employers and/or industry networks.
- For PQS delivering pre-employment or foundation skills training, engagement with employment service providers, disability employment networks or other such bodies that facilitate employment outcomes for the particular cohort of students engaging in training and assessment.
- Contact logs with employers, correspondence between the PQS and employer.
- Vocational placement plans.

Employment survey

Applicable to	Certificate 3 Guarantee	Higher Level Skills

	Indigenous Training Strategy	Industry Partnerships Strategy
VET PQS Agreement	Clause 9	
PQS Policy 2014-15	Performance standard 5 – Achieve a minimum outcome for students	
Other	Student Employment Survey	

Requirements

- Inform students of the requirement to complete an employment survey within three months of completing or discontinuing subsidised training.
- Survey students with mandated questions outlined in the Student Employment Survey.
- Manage an effective student survey process to achieve an adequate response rate.
- Submit a completed survey quarterly to the department containing the collated data of training outcomes for all students who have completed or discontinued their training.

Acceptable evidence

- A survey which includes mandated questions outlined in the Student Employment Survey (see training.qld.gov.au/resources/training-organisations/pdf/student-survey-factsheet.pdf).
- A strategy for administering the survey, which identifies and addresses the risk factors associated with post-training survey response rates, and includes timelines for action to ensure the three month deadline is met.
- Administrative procedures for managing the collection of the survey evidence.
- Mail log or checklist which includes student name, qualification and date the survey is sent or administered.
- Evidence of monitoring and follow up communication as required.
- Copies of the completed surveys for each student.
- Copies of completed surveys and training and employment outcomes for the quarter align with the completed quarterly survey of training outcomes submitted to the department.

Vocational placement

	Community Learning	VET in Schools
	Indigenous Training Strategy	Industry Partnerships Strategy
VET PQS Agreement	Clause 9	
PQS Policy 2014-15	Appendix 8	
Other	Guide to Vocational Placement (see document)	

Requirements

- Where vocational or work placement is a mandatory requirement for training in the qualification, evidence of vocational placement must be retained, including the quantum of vocational placement undertaken.
- Needs to be structured to ensure quality work based training experiences that address Standards for NVR Registered Training Organisations, industrial relations requirements, liability issues with adequate insurance coverage and any other relevant legislation requirements.
- Where a training package requires vocational placement for the student to be deemed competent within an industry for which a security clearance (e.g. police check or blue card) is required, the PQS must include the attainment of this security outcome as part of the students' eligibility/enrolment process and a copy of the card or police check outcome must be retained.

Acceptable evidence

- Evidence vocational placement has been identified at enrolment in a training fact sheet or summary of information.
- Evidence there is an agreement between the placement host, the student and the training organisation detailing the total hours required and what dates and hours the student will be in the workplace.
- Evidence the student has attended the workplace at the dates and for the hours identified in the agreement. This would include a workplace supervisor's signature against specific dates the student has attended (e.g. timesheet).
- Where the industry requires it, the document required for the security clearance.

Fund source codes

Applicable to	Certificate 3 Guarantee	Higher Level Skills
