Important Notice for Medicare Eligible Individuals: If you are entitled to Medicare and Medicare is your primary coverage, you should enroll in and maintain that coverage, because when Medical Mutual is the secondary payer to Medicare Part B, Medical Mutual's plan will coordinate benefits as if you were covered under Part B, even if you are not. This can result in you being responsible for costs that would have been paid by Medicare. Your broker can assist you with any questions.

(If you are entitled to Medicare because you are over age 65 and your employer employs fewer than 20 employees; or if you are entitled to Medicare due to disability and your employer employs fewer than 100 employees, Medicare will be the primary payer, that is, Medicare must pay benefits before the group health plan pays benefits.)

7. PRE-EXISTING CONDITION NOTICE

(HMO PLANS ARE NOT SUBJECT TO PRE-EXISTING CONDITION LIMITATIONS. THEREFORE, THIS SECTION DOES NOT APPLY TO HMO PLANS.)

The following information is attached to and incorporated into your application to Medical Mutual of Ohio:

This plan imposes a pre-existing condition exclusion. This means that if you have a medical condition before coming to our plan, you might have to wait a certain period of time before the plan will provide coverage for that condition. This exclusion applies only to conditions for which medical advice, diagnosis, care, or treatment was recommended or received within no more than a six-month "look-back" period. Generally, this look-back period ends the day before your coverage becomes effective. However, if you were in a waiting period for coverage, the look-back period ends on the day before the waiting period begins. The pre-existing condition exclusion does not apply to pregnancy nor to a child who is enrolled in the plan within 30 days after birth, adoption, or placement for adoption. This exclusion may last up to 12 months (18 months if you are a late enrollee) from your first day of coverage, or, if you were in a waiting period, from the first day of your waiting period. However, you can reduce the length of this exclusion period by the number of days of your prior "creditable coverage." Most prior health coverage is creditable coverage and can be used to reduce the pre-existing condition exclusion if you have not experienced a break in coverage of at least 63 days. To reduce the maximum 12-month (or 18-month) exclusion period by your creditable coverage, you should give us a copy of any certificates of creditable coverage you have. If you do not have a certificate, but you do have prior health coverage, we will help you obtain one from your prior plan or issuer. There are also other ways that you can show you having creditable coverage. Please contact us if you need help demonstrating creditable coverage. All questions about the pre-existing condition exclusion and creditable coverage should be directed to CustomerService@MedMutual.com or your sales representative.
