Conveners must notify all schools of changes in playing dates at least one month in advance.

District Secretaries must bring a list of conveners to the Resolutions Meeting for activities for which their district is responsible. If a district is unable to host an activity due to a strike or work to rule, then the convenership of that activity will go to any other district who requests it.

POLICY AND PROCEDURE REGARDING THE HANDLING OF BODY FLUID SPILLS

The following protocol will be utilized to deal with blood or other body fluid spills at school-hosted gym events:

- #1 - stop play - seek custodian to deal with the issue,**
- #2 - if a custodian is not accessible, a school-approved spill kit should be made available to deal with the issue**

Play would resume when the attending officials and the coaches from both teams are satisfied that the spill has been satisfactorily cleaned. The home team is responsible to deal with the spill.

Emergency Response Kit Contents:

MATERIAL: dust pan, scraper, disposable gloves, paper towels, absorbent towels, plastic bags, mask, protective eye wear, PerCept RTU, Super spill pick up or cat litter.

MATÉRIEL: porte-poussière, grattoir, gants jetables, des essuie-tout, serviettes, sacs de plastique, masque, lunettes protectrices, PerCept RTU, “Super spill pick up” ou litière pour chat.

Emergency Response Kit Procedures:

1. Use disposable gloves/Utilisez des gants jetables.
2. Sprinkle Super spill pick up or cat litter over the spill area to absorb the liquid for safer handling. It may only be needed with larger spills.

Appliquez le produit “Super spill pick up” ou de la litière pour chat afin d’absorber le liquide. Il est à noter que cette étape est nécessaire seulement s’il s’agit d’une grande quantité de liquide.

3. Place the dust pan inside a plastic bag. Use the scraper to scrape the spilled material onto the plastic bag covering the dust pan. Then, close the plastic bag over the scrapings by turning the bag inside out and slide the dust pan out of the bag.

Placez le porte-poussière à l’intérieur d’un sac de plastique afin de pousser les liquides organiques dans le sac qui recouvre le porte-poussière. Ensuite, retirez le porte-poussière et renversez le sac de façon à capter les liquides organiques à l’intérieur du sac.

4. Remove excess fluid with paper towels.
Éliminez la plus grande quantité de liquide possible à l’aide d’essuie-tout.
5. To clean: Apply PerCept RTU to surface; let soak for 30 seconds and wipe dry.
Nettoyage: Appliquez “PerCept RTU” sur la surface; laissez agir 30 secondes et essuyez.
6. To disinfect: Apply PerCept RTU to surface, surface must remain wet for 5 minutes at room temperature. Rinse surface and wipe dry.

Désinfection: Appliquez “PerCept RTU” sur la surface; laissez agir 5 minutes à la température de la pièce. Rincez et ensuite essuyez la surface.

POLICY AND PROCEDURE REGARDING THE HANDLING OF BODY FLUID SPILLS

Emergency Response Kit Procedures (continued):

7. Disinfect with PerCept RTU for 5 minutes, scraper, dust pan and all other reusable material that came in contact with the fluid. Rinse and Wipe dry.

Désinfectez le grattoir, le porte-poussière et tous les autres matériaux réutilisables qui ont touché le liquide organique. Rincez les matériaux réutilisables et essuyez.
8. Place all disposable contaminated materials (including gloves) in the plastic bag.
Placez tous les matériaux contaminés (y compris les gants) dans le sac de plastique.
9. Double bag the contaminated materials and dispose of bag in the garbage.
Placez le sac qui contient le matériel contaminé dans un deuxième sac et jetez-le à la poubelle.
10. Wash hands with soap and warm water or use a hand disinfectant.
Lavez-vous les mains au savon et à l'eau tiède ou utilisez un désinfectant pour les mains.

SDSSAA GENDER EQUITY POLICY

Gender equity in school sport is the belief and practice which ensures fair access for female student athletes, coaches, officials and administrators to participate, compete and lead. Equity does not necessarily mean that all persons must be treated exactly the same. People may need to be treated differently in order to be treated fairly.

VISION

Women and girls will enjoy a full and equitable range of opportunities for participation, officiating, competition and leadership in school sport activities.

GOAL

Through the implementation of this policy, it is our intent to raise awareness, educate, and change attitudes and behaviours which increase and improve the opportunities for girls and women in school sport.

POLICY STATEMENTS

S.D.S.S.A.A./O.F.S.A.A. TRANSFER APPEAL FORM**PART C - APPEAL BASED ON** (Please check the correct box)

Before determining the section of the Transfer Policy under which your appeal will be made, read the **entire Policy**, {pages 23-24 of the S.D.S.S.A.A. Handbook} carefully so as to ensure that you are appealing under the **appropriate section** and that you are able to **provide the documentation and information** required. Every student who has been registered from another school within the previous twelve (12) months is ineligible for SDSSAA-sanctioned events, unless he/she appeals and is deemed eligible by the SDSSAA transfer appeal committee under one of the four following sections:

- ☐ (a) (i) there has been an accompanying change in permanent residence by the student and his/her immediate family to the designated school from any system (public, catholic or independent) according to school boundaries (or is the closest school in the student's choice of school system to the student's home if no school boundaries exist). Immediate family is the parent(s) or the student's legal guardian as determined by a court of competent jurisdiction. The student and his/her immediate family must completely and permanently move from the former residence. On appeal, the student must provide evidence/documentation confirming that they are residing in a new permanent residence, and evidence/documentation that they have completely and permanently moved from the former residence. *See Note 8.
- ☐ (ii) Students transferring to an Ontario school from outside Canada or the United States may apply under this section.
- ☐ (iii) A student attending a school as a result of the closure of his/her former school and is attending the school designated by the School Board.
- ☐ (b) (i) the student did not participate in any sports at the interschool level for twelve months prior to the date of transfer. Written confirmation from the Vice-Principal, Principal, Department Head, or Athletic Director of the school is required.
- ☐ OR
- ☐ (ii) the student accepts his/her ineligibility under the Transfer Policy, but requests eligibility for the sports he/she did not participate in at the interschool level for the twelve months prior to the date of transfer. Written confirmation from the Vice-Principal, Principal, Department Head, or Athletic Director of the school is required.
- ☐ (c) the student **has been placed** in a school by (i) an I.P.R.C. (Identification, Placement and Review Committee) decision. The SDSSAA transfer committee shall require and receive a letter from the principal of the school from which the student has transferred, stating the reason for the placement of the student by I.P.R.C.
- ☐ (d) the student:
- ☐ (i) has transferred prior to their grade 10 year for exceptional personal, social or academic reasons. On appeal, documentation detailing these exceptional reasons must accompany the appeal.
- ☐ (ii) has changed residence to live with a custodial parent, or to live with a new, court-appointed legal guardian for exceptional personal reasons. Documentation showing that there was just cause for the move must accompany the appeal. *See Note 8.
- ☐ (iii) has transferred to remove him/herself from an abusive home environment. Documentation detailing the abusive situation shall be provided by the applicant from the sending school, psychologists, social worker, medical doctor or police, as the case may be. (All documentation will be reviewed respecting confidentiality.)
- ☐ (iv) has been forced to leave an independent school specifically due to financial hardship. The appeal must include the following information: documentation confirming change in tuition fees, documentation regarding family requests for bursary assistance to meet financial hardship, documentation regarding significant changes in the financial situation of the family and confirmation that the student will be attending the designated school in their home catchment area.

Notes:

- Once a student has changed schools he/she is considered a transfer student and even if he/she returns to a school, he/she must comply with the Transfer Policy.
- The word "participate" in section (b) of the Transfer Policy means competing for your school in that activity. This includes exhibition games and invitational tournaments/events, not just league play.
- The SDSSAA Transfer Committee **will not consider** as reasons for transfer:
 - the relative ranking of schools or the differences in delivery of courses with the same Ministry course codes;
 - that a sport or team is no longer offered at the previous school.
- Students moving from a school in a strike/lock-out area are ineligible for all sports played in the previous 12 months from their date of entry into the new school.
- Out of province and out of country exchange students are not considered transfer students and are eligible for all sports.
- Students transferring from other provinces, states or countries who have graduated from high school or equivalent, are ineligible for SDSSAA competition.
- Students applying under sections 'd', must attend the next closest school (of their choice of school system) to their home residence.
- On appeal under 'a' (i), the student will provide evidence/documentation confirming he/she and their immediate family are residing in a new permanent residence and that they have completely and permanently moved from the former residence. When applying under section 'd' (ii) of the policy, the student must provide evidence/documentation confirming ☐ they are residing ☐ in a new permanent residence. In both cases, such evidence/documentation may include:
 - telephone and utility service operative at the new residence; ☐ ☐
 - telephone and utility service disconnected at the former residence;
 - vehicle registration listing the new residence;
 - real estate documents indicating and verifying a change of residence (e.g., sale and purchase);
 - parents/court-appointed guardians' property tax bill listing the new residence;
 - insurance slip for home and auto insurance;
 - school documentation showing that sibling(s) attend local elementary school and/or the same high school as the transferring student;
 - any other documentation that is requested which establishes the student and his/her immediate family is living at the new residence.

Production of evidence/documentation described above does not guarantee eligibility.
- Once a student has transferred schools for the purpose of participating in an elite national, regional or any other sport specific program where they do not compete in the school athletic program and if the "elite program" (or whatever the specific title may be), defaults or stops for whatever reason, and the student does not wish to return to their original school, athletic eligibility appeal process must be initiated at that time. The student will at that time be considered as a transfer student (using their initial transfer date into the school). Information from their original school will be used to determine athletic eligibility.

SENIOR HOCKEY

DISCIPLINE COMMITTEE POLICIES AND PROCEDURES

PURPOSE:

- a. To reduce and eliminate, wherever possible, the incidence and frequency of major and misconduct penalties in the senior high school league.
- b. To insure that the league can be played in as safe an environment as possible for all players.
- c. To insure that the educational objectives of participation in the high school hockey program are met.

PLAYERS:

The following will apply effective September 2010:

- a. Accumulation of three (3) M-22 misconduct penalties will result in a one game suspension, after that, an additional two will result in an additional game suspension, after that an additional one will result in a SDSSAA board of reference hearing
- b. Accumulation of two (2) M-20 or M-21 misconduct penalties will result in a one game suspension, a third offence will result in suspension until such time as a SDSSAA board of reference hearing is hosted.
- c. In addition to the above, an accumulation of three (3) misconducts, with the exception of M-14, M-34 and M-35, will result in an additional game suspension.

These guidelines will be reviewed and revised as necessary. Immediately after receipt of a report regarding a player's unsportsmanlike behavior which makes him eligible for a board of reference hearing, the program leader of the school and/or the coach will be advised of the arrangements for a hearing. **In all cases, it is the responsibility of the coach and player to attend.** Every effort however, will be made to consider the team's practice and game schedules in these situations.

COACHES:

If a team accumulates a total of eight (8) M-20 or M-21 misconduct penalties, a SDSSAA board of reference hearing will be called for the coach. The coach will stand suspended until the hearing can be hosted.

Hockey board of reference hearings will be called for any coach who is deemed to be the cause of a game being discontinued, or any coach who is ejected or suspended from a game. Coaches will also be required to attend board of reference hearings for their players unless otherwise notified.

SERVING SUSPENSIONS:

Tournament or Exhibition games will count towards the serving of suspensions incurred during league play, providing the game was scheduled prior to the date of the offence (if the suspension was incurred near the end of season 1, games scheduled in the pre-season of schedule 2 will count towards the suspension). Similarly, suspensions incurred during Tournament or Exhibition games are to be in affect for regular season play. These suspensions are to be served concurrently; in other words, they must be served in the games immediately following the date of the incident.

CODED INFRACTIONS LEADING TO INJURY:

Should a player incur a coded infraction which leads to an injury, the offender will be required to **serve one (1) game** (in addition to the code as per the hockey suspension list) **for every two (2) games that the injured player misses as the result of the injury** sustained by the infraction. In addition, every such incident will be reviewed by the committee.

In virtually all cases, the player's or coach's **minimum** suspension will be that associated with the hockey suspension list. The board of reference will ultimately decide, based on the facts presented at the hearing, whether or not more games will be added. All decisions rendered from a hockey board of reference hearing will be faxed the next school day to all coaches in the league.

SENIOR HOCKEY**PENALTIES/DISCIPLINE:****FIGHTING:**

SECOND OFFENSE -	Hockey Discipline hearing required; games may be added
THIRD OFFENSE -	*Expulsion from league, any appeal will be referred directly to the SDSSAA Board of Reference

COMMUNITY SUSPENSIONS:

In all cases, a player intending to play for a high school team but has an outstanding suspension either from a houseleague or C.H.A.-carded community team is considered suspended until the suspension has been served in full. All suspensions incurred in community league play are to be served in the high school league on a 1-1 basis but extra games that outside leagues may add from time-to-time are not to be added at the high school level as well.

RESPONSIBILITIES OF OFFICIALS:

The responsibilities of officials, as stated in the Sudbury District Hockey Officials' Association's contract with S.D.S.S.A.A. are the following:

- a. ensure that all games are played in a safe and sportsmanlike manner. This requires that officials (i) penalize rough play strictly, (ii) enforce all rules regarding foul language, and, (iii) expect gentlemanly conduct from the players and penalize any unsportsmanlike behavior.
